

Junior Lacrosse.

DURHAM PUTS IT OVER MARKDALE TO THE TUNE 9 TO 2

On Tuesday evening our Junior Lacrosse team crossed sticks with a similar aggregation from Markdale on the agricultural grounds here and won without much difficulty.

Referee Kelly, of Markdale, blew his whistle about seven o'clock, and the teams took their positions to battle for supremacy before a rather small crowd of admirers of our national game.

The visitors started out well, and showed signs of putting up a good stiff game. In about ten minutes play they bulged the net and placed themselves in the lead. This ended the scoring for the quarter.

In the second quarter Edwin Glass found the net twice and Markdale had to be satisfied with second place, as the score stood at half time, Durham 2, Markdale 1.

The third quarter was rather one-sided. Fred Smith, who is always "good at home," got busy and found the nets for four goals.

The last quarter was more friendly. Durham gave the visitors an opportunity to score which was accepted. Markdale was forced to allow the locals to add three more goals in this quarter, thus winning the game by 9 to 2.

The play, at times, was rather rough, the visitors showing the spectators on the hillside that they could use lots of stick, even when away from home.

The Durham team was composed of the following players: Goal, Robert Hughes; Point, W. Hunter; Cover Point, A. McFadden; 1st Defence, G. Duncan; 2nd Defence, A. McCorb; 3rd Defence, D. McFadden; Centre, G. Burnett; 3rd Home, E. Glass; 2nd Home, A. Saunders; 1st Home, "Peck" Darling; Inside Home, F. Glass; Outside Home, F. Smith.

Robt. Hughes played in the nets for Durham and stopped some dangerous attacks on his citidal.

Hunter, Duncan and Edwin Glass shone brilliantly, and were always in it.

"Peck" Darling found a friend in his opponent and wouldn't leave him. When his check was sent to the fence he would accompany him also for a rest.

BETWEEN THE FLAGS.

The best lacrosse team that ever left Durham is the one that is playing in Arthur to-day against the Tigers of that town.

Our boys lose we will certainly take off our hats and congratulate the aggregation of Arthur.

Durham will have her full team on a great game is assured. A number of citizens accompanied our pets on their mission.

Our fast intermediate lacrosse team played an exhibition game over in Dundalk on July 19th. The score was 8 to 3, and our boys got the small end of the tally, owing to the regular team not being able to go.

However, our boys decided that it would be a shame to defeat the Dundalkites on their own grounds and didn't let themselves out until the last quarter, when they played their opponents off their feet.

Our boys "enjoyed" the journey to and fro.

A C.L.A. lacrosse match was billed to be pulled off here on the agricultural grounds between the "hasbeens" of Mount Forest and the Durhams of Durham.

At the eleventh hour Mt. Forest called up the Manager of the Durham lacrosse club on the 'phone, and in a feeble tone "broke the news" that the Lornes could not see their way clear to play in Durham, and would have to forfeit the game.

Our boys were, to say the least, disappointed, and many were the short-sentenced prayers that went up in favor of the town to the south of us for the "breach of promise" she made by not fulfilling the engagement.

The Stratford Old Boys' Re-union will be held in the Classic City from Aug. 4 to Aug. 11. Visitors are expected by special trains Saturday from Montreal, Toronto, Detroit, Cleveland, and Chicago.

A very elaborate program is prepared for the occasion, and in addition to the joy of friend meeting friend there will be much of interest in the way of all kinds of sport.

Darkie's Corners.

The Sunday School picnic came off as predicted, on Friday last, and although the weather wore a threatening aspect the early part of the afternoon, the evening turned out to be all that could be desired and a large crowd assembled together to enjoy themselves by taking part in the different games and sports, vis., swing ing, base-ball, foot-ball, crop the handkerchief, wild goose chase and others too numerous to mention. The captains handling the foot ball game were Messrs Alex Aljoe and Thos. Collier and the score stood a tie, each side making one goal. Every body wens home happy.

Miss Annie Staples of the Queen City accompanied by Miss Olive Gurney of the same place, is home for a months holiday. She is looking well.

Messrs. W. Ryan and D. Ritchie have finished the gravelling contract on the town line (and it is reported they have made a first class job of it.

Mr. John Atkinson of Man. is at present on a visit to the parental home, looking hale and hearty.

Wedding bells are ringing through the burg, particulars later on.

Be Done With Catarrh!

Why flow this filthy disease to poison your system? It drains your strength, ruins digestion, pollutes the breath, makes you repulsive. The one certain cure is "Catarrh-zone," it cures because it destroys the cause of the disease, cures thoroughly because it goes wherever the catarrh is, cures every case because its vapor destroys the catarrh germ instantly. To get well and stay free from catarrh get Catarrh-zone and use it; satisfaction guaranteed.

Nervousness, A Calamity.

Many who don't realize what lies beyond, treat an attack of the "nerves" with indifference. Others consider it will soon pass away. But in every case nervousness is a calamity. Only one remedy will cure—Ferrozone—a nerve strengthener that acts through the blood. First it gives you appetite—you eat plenty. This fills the blood with nourishment for the inner nerve cells. Energy and strength are instilled into every part of the system. You get well—keep well—nervousness forever de- because you've used Ferrozone? Price 50c per box of fifty tablets at all dealers.

Bunessan.

Staff Captain McGillvray, wife and family intend leaving this week for London after spending the past year at Rob Roy corners. We are sorry to lose Mr. McGillvray and family from our midst, but business requires Mr. McGillvray to be stationed at London. Our good wishes go with them to their new home.

Mrs. Bruce Turner of Detroit is visiting her parents Mr. and Mrs. C. Firth.

Mr. Robt. Britton of Bentinck is working for his brother for a few days this week.

Old John Wykoff, a farmer whose place was just outside of town, had made a present of his largest yellow pumpkin to the editor of the village paper and the editor wrote an item acknowledging the gift. But unfortunately the office boy who put it in type got it mixed with an item announcing the birth of a baby in the family of another subscriber. This is the way it appeared in print "our old friend, Harry Townsend, is celebrating the arrival of a fine boy at his house. The newborn is the very image of its father. It is one of the large cornfield variety, with huge bumps all over it and weighs fifty-six pounds. There isn't a flaw in it anywhere except a dent made by our foot office boy and that doesn't matter as we are going to cut it up at once."
