Furniture Company Picnic.

The Durham Furniture Co. held their first picnic at Holstein on Friday afternoon last and considering the short notice given there was a very good turn out. A special train left the Station here at one o'clock containing we imagine nearly two hundred passengers. The employees with their wives and families being largely in evidence. It was their day out and all went in with a determination to make the afternoon as enjoyable as possible. An interesting lacrosse match was played by the machine hands vs. the finishers, the machine men leading with a score of 7 to 6. A baseball team consisting of members of the town Council and Directors of the Co. pitted themselves against a team selected from the factory employees. In this the former came out victorious by a good lead. A tug of war between the married men and the single men was also contested and demonstrated the superior strength of the former who took off the rope the first and third pulls with a dispute over the second tussel in which some claim the single men did not give fair play. In a swimming contest young "Daniel came to judgment" by a short lead on young Hartford. A number enjoyed themselves with quoits and the majority, though enjoying themselves, were mere spectators to the numerous events of the afternoon. Petrie's grove and adjoining field are ideal spots for such amusements, and no doubt they will often be used by outside pleasure seekers. An excellent lunch of cake sandwich, pie, coffee, tea, etc., was abundantly served by the ladies who demonstrated well their ability in the various departments of cooking. It is the intention of the Company to make the event an annual affair and we believe a little enthusiasm on their part will

be responded to with a large crowd of visitors. Even now they talk of dividing their patronage among the leading railways of the town and going next year on a trip by the C. P. R. All arrived home by the regular train about 9:30 p. m. and went to work next morning with renewed vigor.

DIVISION Court is being held in town to-day, Wednesday.

THERE is much anxiety in the home of Mr. and Mrs. Edward Kress over the serious illness of their little two-year-old child who is suffering a severe attack of membranous croup. Drs. Jamieson & MacLaurin are in attendance and with the assistance of Miss Armstrong, who is engaged as nurse, we hope the child will be spared to the sorrowing parents who feel their position very keenly.

FOR some time past, Mr. David Smith has been working on a new threshing machine, which is now about completed and will be tried in actual operation. It is quite an extensive affair containing the blower and straw cutting attachments so much in demand now by farmers. Being made in the foundry, here, by local men, we will watch its work with interest and hope it will turn out all right.

THE remains of Miss Campbell, a lady about fifty years of age, were brought here for interment on Monday last. The deceased was a sister of Mrs. D. McQuarrie, and of Mr. George Campbell of Bentinck and has another brother some place in the States. She was a resident of Chicago for twenty years or more, but previous to going there resided in Bentinck where she was well and favorably known. Mr. John Clarke of this town is a cousin of the deceased.

As we go to press the farmers of South Grey are bringing in their exhibits for the Fair.

IN the serious railway collision which took place last week near Sudbury, Mr. George Ries, of the Reid House, Hanover, and formerly of the Knapp House in this town, was one of the unfortunates. Several ribs were reported broken and his head cut. Newspaper reports go to show that George stood the jar well and persisted in walking up two or three flights of stairs to his room in the hospital. He was on a trip West to visit his son when the accident happened.

SIX MONTHS IN GOAL.—Wes. Thompson, a man whose name has become somewhat familiar to our readers in connection with a barn-burning case in Abermarle, appeared before Judge Barrett here on Monday morning, at 11 o'clock, to answer to a charge of arson. The evidence against Thompson was pretty strong and the prisoner gave damaging answers to a few questions the Judge threw at him. The trial resulted in Thompson being sentenced to six months in the Walkerton jail.—Bruce Times.

CHARGED WITH THEFT.

On Monday Mr. Roger McGill, J. P., of Flesherton, committed Robert R. Sim, of Ceylon, to the Owen Sound goal to await his trial on the charge of theft. Sim is suspected of being the guilty party in connection with many robberies that have taken place in and about that vicinity of late, and his arrest which was effected in Toronto is the result of these suspicions.

The one remedy which many physicians rely upon to free the system of the Rheumatic Poisons which are the cause of all Rheumatism, Lumbago, Neuralgia, Gout, is DR. SHOOP'S RHEUMATIC REMEDY.
