Heart and Kidneys

Dr. Shoop's Restorative is a Cause Cure - not a Symptom Cure.

It is a common mistake to take artificial diges-ters for stomach troubles—or heart stimulants for weak heart—or so-called kidney remedies for diseased kidneys. These organs do not act separ-ately or of their own accord—they have no conkidney | or heart disnesses, and ease and all of the kids such. They are the symptoms and the sickness disappear.
The remedy which Dr. Shoop prescribed for these ailing nerves is known as Dr. Shoop's Restorative. It relieves the pain and distress of kidney, stomach and heart troubles quicker even than those medicines designed simply to give temporary relief. Dr. Shoop's Restorative (Tablets of Liquid) can now be had of druggists of Liquid. For sale and recommended by MAC FARLANE & CO.
