## DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

DURHAM, OCT. 4th, 1906

### AN AUTUMN WEDDING.

A very pretty wedding was celebrated in Mt. Forest, at St. Mary's church, by the Rev. Dean O'Connell, on Monday, Sept. 24th, when Miss Mary C. Donovan, of Farewell, became the bride of Mr. A. J. O'Neill, Kenilworth, the bride, who was given away by her brother Edward, looked charming in a dress of bright grey crepe de chine trimmed with a yoke of white overlace and chiffon frilling and grey silk fringe and wore a white plush hat and carried a bouquet of white roses and maiden hair fern. The bride was assisted by Miss Adeline O'Neill, sister of the groom, and wore a suit of grey satin cloth trimmed with white satin and braid with hat to match and carried a bouquet of pink and white carnations. Mr. Thos. Donovan, of Guelph, brother of the bride, was groomsmen. After the ceremony the wedding party drove to the home of the bride's mother where a sumptuous feast was served. Only the immediate friends of both parties were present. The Rev. Dean O'Connell graced the feast with his presence and proposed the health of the bride and groom. The groom's gift to the bride was a handsome diamond brooch, to the bridesmaid a ring set with amethysts and pearls, and to the groomsmen a signet ring. The presents to the bride were both numerous and costly, showing the high esteem in which both parties are held. The bride's going away gown was of purple ladies' cloth trimmed with cream silk lace and braid, and long coat of grey with purple velvet trimming and hat to match. The happy couple left on the 3:30 train for Buffalo via Guelph and Toronto, carrying with them the best wishes of a host of friends.

### An Awful Cough Cured.

"Two years ago our little girl had a touch of pneumonia, which left her with an awful cough. She had spells of coughing, just like one with the whooping cough and some thought she would not get well at all. We got a bottle of Chamberlain's Cough Remedy which acted like a charm. She stopped coughing and got stout and fat," writes Mrs. Ora Bussard, Brubaker, Ill. This remedy is for sale at Parker's Drug Store.

### Flesherton.

The East Grey Fall Fair held here on Thursday and Friday last was favored with ideal weather and scored a grand success. At 1.30 o'clock on Friday Mr. R. Gamey, M. P. P., who had been escorted from the depot by our Citizen's Band, formally opened the Fair with a neat speech which was well received. There was a big crowd on the grounds during the afternoon and the exhibit in almost every department was large and very fine. This was especially so in the ladies' work and fine arts in which the exacting work of judging was done by Misses Todd, Creasor and Ross, of Owen Sound. Mrs. McDonald, of Chatsworth, Mrs. Grier, of Dundalk, and Mrs. Knott, of Thornbury. In the ring there were many very fine animals shown. In the speeding contests the purse winners were as follows: Open trot, "Vickie Clock" owned by J. P. Vick, 1st; "Walter G." owned by Gray Bros., 2nd; "Wm. Rekie," owned by C. J. Miller, 3rd. Trot or pace—Gray Bros. 1st, John Reid, 2nd, C. J. Miller, 3rd. Named race—Ed. Benham 1st, W. Trimble 2nd, W. Benham 3rd. Best lady driver—Miss Reka Pedlar. The only mishap of the day was a bolt made by one of the horses which struck and upset a buggy occupied by Mrs. (Dr.) Oliver, of Markdale. Mrs. Oliver fortunately escaped with slight injury but the buggy was considerably damaged. Markdale Citizens Band furnished music during the afternoon. Dr. Sproule, M. P., Mr. I. B. Lucas, M. P. P., and editors Irwin, Ramage, Rutledge and Thurston were among the visitors present. In the evening a good sized audience assembled in the town hall to again hear Mr. R. R. Gamey, "The man from Manitoulin," speak on the resources of New Ontario. Mr. M. K. Richardson presided and just introduced our popular representative in the House of Commons, Dr. T. S. Sproule who was greeted with hearty applause. After expressing his pleasure at being present and congratulating the directors of East Grey Fair upon the success of their exhibition, he gave a short interesting address on the development of the best within us. Mr. Gamey, upon being introduced by the chairman received an ovation and after a few complimentary remarks entered upon his subject which for an hour he dealt with in a very interesting and instructive manner. The address contained much information respecting the extent and great mineral and forest wealth of our New Ontario which was shown to contain some of the most valuable assets of the province. Mr. Gamey, who is a fluent and pleasing speaker, was tendered a hearty vote of thanks for his excellent address. Mr. D. McTavish gave several gramophone selections and our Citizen's Band rendered several numbers at the hall before the meeting opened. The gate receipts of the fair were \$336.60 and at the town hall \$31.15. Total, \$367.75 an increase of \$2.00 over the receipts of last year.

The fall millinery openings at Gray Bros. and F. G. Karstadt's were interesting events here last week and at both places success was reported. The show rooms were filled with the newest and prettiest goods, many new and taking designs in headwear being on exhibition. The decorations were very artistic much being added by the beautiful display of flowering plants, palms, autumn leaves, etc.

Mr. Albert Stinson, of Toronto line, has sold 100 acres of his beautiful farm to Mr. Fricher, of Hamilton, cousin of Mr. J. A. Heard, of this place. The price paid, we learn, was \$6,000. Mr. Stinson still owns 50 acres adjoining the land sold.

Over \$100 were added to the building fund of the new hotel by meals served on Fair day.

Mrs. Hastie moved on Monday to Mr. Sproule's residence vacated by Mrs. Radley.

Sunday being Children's Day in the Presbyterian church, Rev. Mr. Thom gave a special address to the Sabbath School occupying the centre pews of the church.

Rev. Henry Berry, of Holland Centre, and Dr. Caldwell, of this place, exchanged pulpits on Sunday, the latter conducting anniversary services.

Mr. Walker Sloan, of Eugenia got his hand caught in the plainer of his mill last week. Some of the fingers were severely cut and the bone of one finger broken in two places. Dr. Carter set the bone and had to insert several stitches in dressing the cut.

Mr. Hutchinson, tailor, has given up business here and removed to Wiatoua.

Mr. George Blackburn, east back line, attended the Collingwood Fair last week and was accompanied home by his sister, Miss May, who had spent a couple of weeks with her uncle.

Miss Zilla Trimble returned last week from an extended visit in Detroit.

Mr. and Mrs. C. McClocklin, of Glenelg, visited at Mr. M. Wilson's on Sunday.

Mr. J. Carr, solicitor, recently from Scotland, is assisting Mr. R. J. Sproule in office work.

Mrs. Firth, of Buffalo, formerly of this place, spent a day last week among her old friends here.

Mrs. Kepp, of San Jose, California, is visiting her mother, Mrs. John Osborn, here.

Mrs. W. Bowes, of Thornhill, is visiting her aunt, Mrs. Hemphill, S., and other relatives in this vicinity.

Mrs. J. W. Henderson, who spent the past two months with relatives here returned to Toronto on Monday.

Mr. and Mrs. A. S. VanDusen, were in Owen Sound on Monday and Tuesday.

Mr. Robert Caldwell, of Caledon, visited his brother, Rev. Dr. Caldwell last week.

Miss Lindsay and Miss Mabel Joyce, of Owen Sound, have been visiting here for a few days, the former the guest of Mrs. W. A. Armstrong, and the latter that of Mrs. W. J. Bellamy. The young ladies were delegates to the Epworth League Convention at Holland Centre last week and gave an interesting report of the same at the League meeting here on Monday evening.

Mrs. R. McIntyre, of Brampton, is visiting her mother, Mrs. Henry Richardson. Dr. McIntyre, of Toronto, was a visitor at Mrs. Richardson's last week.

Miss Mary Fisher visited relatives at Collingwood last week.

We are indebted to R. N. Henderson for a copy of the monster issue of the Winnipeg Telegram, of the 16th ult. The special edition contains 68 pages and contains over 150 fine illustrations.

Our Citizen's Band plays at Markdale Fair this week.

### IMP OF INDIGESTION.

How to Get The Better of This Cause of Misery.

A scientific writer upon stomach troubles says: "If you have ever suffered from indigestion,—and who has not?—your imagination has probably pictured a ferocious little imp dancing in the pit of the stomach, causing that organ to neglect all of its duties, with a result that is not only painful, but fills you with misery from day to day." This writer certainly had suffered with indigestion, for there is no more disagreeable, nerve racking and sick-all over disease than indigestion.

A great many people who have been treated for years for diseases of the heart, liver or kidneys, when they used Mi-o-na stomach tablets found that not only did Mi-o-na cure the stomach disorder, but it made them well all over and the other troubles were also cured.

If you suffer with nervousness, sleeplessness, indigestion, sick or nervous headache, pains in the back or sides get a 50c box of Mi-o-na and take one of the little tablets before each meal. It will do you a world of good and you will soon be well and free from indigestion, and its symptoms.

For sale by all dealers. The R. T. Booth Co., Buffalo, N. Y.

**Peanut Trade Secrets.**  
Some peanuts that are bought ready roasted are of a light yellow color. Others, however, are pronounced brunnets. There is a reason for this. The great American peanut will remain crisp only a day or two after roasting and in damp weather only a few hours. It absorbs moisture rapidly, so that two days after roasting the finest nuts lose their crispness and are to all intents and purposes as though they had never been cooked. The Italian and Greek peanut men freshen up their stocks by roasting again and re-roasting. When the process has been repeated three or four times, though, the peanut begins to take on a tawny hue, which is considered objectionable by those who have stands in the better parts of town. These much roasted goobers are therefore sold at a discount to Greeks and Italians who have stands near railroad stations and the cheaper resorts, who can roast, re-roast and re-roast them indefinitely until they are finally sold.

**A Camera Fiend.**  
A well known criminal lawyer one day sauntered into a police court just as a case was called. It appeared that the defendant had no attorney, and the judge glanced about the room to see whom he might assign to the case. "I take it, judge," the late comer said, wishing to pass away the time. "By the way, what is the man charged with?" the attorney presently asked.

"He's a camera fiend of the worst sort, Mr. Brown," the judge said, with a slight smile. "I expect to send him to the workhouse for about three months."

"What?" the lawyer shouted indignantly. "Your honor must be joking. Send a man to the rock pile for three months for a little harmless amusement like taking pictures?"

"Well," the judge said mildly, "he doesn't take pictures much—it's the camera he takes."

### A Wonderful Escape.

Fieschi tried to assassinate King Louis Philippe of France in July, 1835. The king was riding along the lines of the national guard in the Boulevard du Temple. There came a crash and a rush of bullets. Louis Philippe's arm was grazed, his horse was shot in the neck, Marshal Mortier fell dead and about thirteen other people were killed and thirty wounded. Fieschi had taken the upper floors of a house several weeks before and there rigged up an oak frame four feet by three feet six inches, supported on four posts of oak and itself supporting twenty-five gun barrels fixed in grooves at various angles so as to command an area of twenty-five feet in length and ten feet in height. When he fired the train of powder that let off his battery the king would have been killed if four barrels had not burst and two missed fire.

### Ancient Locks.

Locks were used in the time of the pharaohs. At Karnak the visitor is shown the sculptured representation of a lock which is almost exactly like one kind of lock used in Egypt at the present day. Homer says that Penelope used a brass key to open her wardrobe. He adds that it was very crooked and had an ivory handle. A Greek writer who lived in the last half of the twelfth century explains that such keys were undoubtedly very ancient, although still to be seen in Constantinople and elsewhere. Roman locks, like the Egyptian, required a partial sliding of the key. They were, however, more intricate.

### Darwin and Books.

Of Darwin it is affirmed that he seemed unaware of the difference in the value of books and would treat a Zaehnsdorf binding with the same scant courtesy that he exercised toward a penny pamphlet. Covers appeared to him a useless weight and decidedly in the way, and he often got rid of them by ripping them off. Sometimes the book was borrowed. It is said that in the end his friends used to give him any book which he wished to borrow, for they knew that, if it were ever returned, its usefulness as a book would be at an end.

### Have a Definite Aim.

No life amounts to much until it has a programme—something definite, something particular. Nothing else can take the place of it. Education cannot, talent cannot, genius cannot, hard work cannot. Until there is a definite aim the energies will run to waste, the ability be squandered. The faculties deteriorate when working without a definite aim.

### With Lightning Rapidity.

"Wonderful eye that boy of mine's got," said the proud father. "That so?" mechanically replied the man who was trying to get away. "You never saw such a sense of proportion," cried the proud father. "Pass that boy the cake dish and he'll spot the biggest piece on it every time."

### A Political Pointer.

Bragley—Restaurant waiters would make strong candidates if they were in politics. Don't you think so? Wigway—I don't see how. Bragley—Haven't you noticed that they carry everything before them?

### Proof Positive.

Impertinent Neighbor—Do you think Mr. Smith is in love with your sister Alice? Children—Oh, no! Us children are allowed to go in the parlor when he is calling.

### Serious.

Dashaway—Don't you think that for such a wealthy chap Duffins takes his pleasures seriously? Cleverton—He has to. They are all he has to worry about.
