

ROUND ABOUT US.

Monday evening's thunderstorm was a thorough-going nerve-racker, and its long duration and wide-spread area gave the entire community impartial treatment.

On Monday evening during the storm Wm. Ivers, of West Wawanosh, was driving along the back road to the Nile from Goderich.

Hats off to Magistrate Flint, of Belleville, Ont., for his sentence of 15 days in jail and a fine of \$10 on James Collins, the boy who threw a live cat through a window.

Mr. James Bryan, the late License Inspector for South Bruce, has sold the Lucknow Sentinel to Mr. J. A. McGregor, of the Thamesford Star.

Peter Robinson and Alex. Kerr, of Elderslie, appeared before Judge Barrett on Saturday morning to receive sentence for the theft of grain.

Henry Montag, a retired farmer, residing on Peter street, dropped dead at the door of his barn about 2 o'clock on Monday afternoon last.

ICE AND TYPHOID.

Typhoid seems to go hand in hand with Lake water in all the big cities using that source of supply.

This advice is of wider application than the precincts of Chicago.

A Bit of Heaven Here.

I don't see the need of watin' for a heaven-by-and-bye, For a place where joy and happiness are found;

We talk of "sparklin'" rivers flowin' by the throne of God, And of "green fields"—why, we see 'em every day;

We talk of heavenly music, and long so for the time To catch the richest strains ear ever heard!

Of "lilies of the field" we read, and think those days no more, And wish God now their lessons would unfold—

Then why complain that heaven lies far off from our ken— A bit of it's in everything He's made

DON'T USE GREASY LINIMENTS

A century ago they were popular. To-day people want something easy to apply, certain results, and above all a clean liniment.

TRAGIC DEATH OF MRS. HENDERSON.

Mr. and Mrs. Henderson resided in the Butchart residence at Shallow Lake. About 3:30 p. m. yesterday Mrs. Henderson was in the kitchen and was making a preparation in which was turpentine, ammonia and wax.

Henry Montag, a retired farmer, residing on Peter street, dropped dead at the door of his barn about 2 o'clock on Monday afternoon last.

Exhibition Wasn't Up To Much.

On Thursday evening last Captain Ross, who has organized a wrestling and pugilistic class in Owen Sound, opened his engagement with some three hundred spectators, who had anticipated some good exhibitions of wrestling, boxing, etc.

Sick Headache Cured.

Sick headache is caused by derangement of the stomach and by indigestion. Chamberlain's Stomach and Liver Tablets correct these disorders and effect a cure.

It is said of a noted Virginia judge that in a pinch he always comes out ahead. An incident of his childhood might prove this. "Well, Benny," said his father, when the lad had been going to school about a month, "what did you learn to-day?" "About a mouse, father," "Spell mouse," his father asked. After a while Benny answered: "Father, I don't believe it was a mouse after all, it was a rat."

Harry Bartelle, the man accused of murdering Fred Lewis in Collingwood some months ago, was tried at Barrie and acquitted. The judge charged strongly against the prisoner, but the jury, after being out about two hours, brought in a verdict of "Not guilty," and the prisoner was discharged. The verdict met with popular favor, as the evidence went to show that Bartelle had been abused.

Corner Concerns.

Messrs. Wm. Davis, Jas. Eden and William McFadden were appointed a building committee for the new church. They are a good trio and should give a good account of themselves. The Rev. Bice is chairman and has had good experience in church building.

Mr. John Barbour goes to Manitoulin this week to spend the winter with his sister.

We neglected to mention Mr. Samuel Queen's return from Manitoba in our last budget, in fact we could scarcely believe he had been all the way there he made the trip so quickly, but he was right through to Battleford, we believe, and secured some land.

Mr. Wm. Hannah, of Fergus, spent a few days recently with relatives and friends in this part.

Mr. and Mrs. Samuel Lawrence celebrate their golden wedding this Monday. They have always been highly esteemed by their friends and neighbors so we all extend our best wishes, and if there is anything more we will leave it in care of your able correspondent of that neighborhood.

Mr. and Miss Parslow, of Swinton Park, visited Glenelg friends Saturday. They reported sleighs being used quite freely on Thursday and Friday in that part.

Miss Martha McLaughlan has gone to Chesley to spend the winter with her aunt, Mrs. Sam Wright.

Our S. S. entertainment is to be held in the School House on the evening of Oct. the 24th. A good program and good eatables are being prepared and a pleasant time expected all for 15 cents, editors and preachers free.

No, there was nothing fishy about the Varney report of Max Allen getting worried. He no doubt had a thrilling experience, and the Varney people are in abject terror ever since, and the chap who did the choking has now got a character so black on account of it that even his own dog will scarce go to the field with him for the cows, but he lives in this township and is a fairly decent fellow too, said one of his neighbors as he viewed the remains where they lay by the roadside shortly before the episode, of course that is when he is here under local option rule, but when he went to Durham Show and saw the fellows guzzle and choke their friends one minute and then treat them the next, he took that for Durham's idea of sociability and concluded that to appear affable he must almost strangle some person. It's a pity for such fellows who become victims of fashion.

Mr. Thos. Johnson has quit the cement plant to go farming as he has leased his father's fine farm for a term of years. We wish him every success in his undertaking.

Messrs. Jas. McMeekin and Wm. Sirrs, Sr., have each got a sore foot that is causing them some alarm, but we hope there is nothing seriously wrong and that they will soon be around again as usual.

Select Your Medicine With Care.

In debility and weakness medicine should be mild and far reaching. Many pills and purgatives are too harsh, are drastic instead of curative. Excessive action is always followed by depression, and knowing this, Dr. Hamilton devised his pills of Mandrake & Butternut so as to mildly increase liver and kidney activity, flush out the alimentary canal, tone and regulate the bowels. Thus do Dr. Hamilton's Pills eliminate poisons from the body, restore clearness to the skin, bring strength and that sweet restorer of health—sleep. Best medicine on earth, 25c per box at all dealers.

Dornoch.

Haover Post.

Miss Maggie McDonald of Washington territory is spending a few weeks with her sister Mrs. John Turnbull.

Mrs. Hunt of Riverview in the vicinity of Mount Forest is spending a few pleasant weeks with her son here.

Sad were the circumstances connected with the death of Mrs. Annie Irvin of the 4th Con. Sullivan. The unfortunate woman lived in a small hut and by hard work eked out an existence all alone. On the evening previous she was seen by a neighbor and complained of not feeling well. At 5 o'clock next morning the hut was noticed by neighbors to be in flames and the charred remains were afterwards found and interred in the Chatsworth cemetery. Various conjectures are afloat as to the origin of the fire which will in all probability be a mystery.

The W. F. M. Society held its annual meeting last Monday in the basement of the Presbyterian church, Rev. Mr. Sheppard of Markdale is to address the meeting.

Mrs. Sidney, of Toronto, is rusticating with her cousins the Wade family the last couple of weeks.

Most of our villagers are feeling elated in having telephone connection. The poles are all up and the wires will be put on this week.

During the summer months this vicinity as in common with other parts was nearly bereft of young men who were attracted by the great fields of the golden west. Now one by one they are returning, some of them having taken up land and will probably in another year become settlers there.
