GOLDEN WEDDING ADDRESS.

An interesting event took place on Monday night last at the home of Mr. and Mrs. Samuel Lawrence, of Glenelg. It was their golden wedding and in honor of the rare occasion, members of the family and a number of friends and relatives assembled for the occasion which lasted far into the night. Rev. Mr. Bice was present and was unanimously chosen chairman. A number of spirited solos were very ably rendered by Mr. Midford, and short addresses of a highly eulogistic nature were made by a number of visitors. A very handsome leather covered chair was presented to each of the old people and many other presents, beautiful, useful and costly were also donated by visitors and friends. Not being present we are unable to give as good an account as if we had been an eye witness to the evening's events, but our heart goes out in sympathy always to the makers of our country—the old pioneers who faced the hardships of the early days, and without the accessories of the present time, heaved out their homes, and earned a livelihood and in many instances a competence to tide them over their declining years.

TO SAMUEL AND ANN LAWRENCE:

DEAR FATHER AND MOTHER,—We, your children and grandchildren have assembled in the old home to celebrate this your Golden Wedding Day. We feel it a fitting time for joy and gladness, and a time when we can with deep emotion express our gratitude and affection.

Fifty years ago to-day you joined hands and hearts and the Father above has blessed your union in many ways. The bond you formed that day has grown stronger and dearer, and though you have had many severe trials and hard struggles, yet, these have had a tendency to only weld you and yours more closely together.

God has always provided for you and given you a fair measure of health and strength, and blessed your union with thirteen children, ten of whom are alive, four present in person and the other six in spirit though absent in body at their posts of duty in their homes in British Columbia, California

and Saskatchewan, while the three angel ones await us on the other shore.

Thirty-two grand children rejoice to-day with grandpa and grandma. The ties are strong that bind us to Father and Mother and to each other, and the old home is dear to us all and some of us witnessed your hardships in converting it from a wilderness to what it now is.

You may have been able to give to your children only a limited share of this world's goods, yet you have given them with it a good name, honored and respected by men, which is to be chosen rather than great riches. You have left home influence on our lives which will ever lift us upward, and we have inherited from you strength of body and mind that enables us to enjoy the many blessings about us.

Your love for us has never ceased, you have rejoiced with us in days of gladness and prosperity, and your heart's love and sympathy have been with us in times of trouble and sorrow. To-day we your children grandchildren and friends have met to rejoice with you on the event of the fiftieth anniversary of your wedding day and to express our affection in some humble way, so ask you to accept these gifts as slight mementos of our love.

We hope and trust you may be spared for many years to come, that the sunset of your lives may be full of peace and comfort, that the twilight may be full of happiness and assurance so that when darkness closes in and the hour of death comes to you, as it will come to us all, you may enter into a fuller measure of happiness and participate in the glorious and eternal verities of a never ending eternity.

TO MR. AND MRS. S. LAWRENCE:

DEAR FRIENDS,—We, the brethren of L. O. L. No. 1192 and neighbors of this vicinity, have assembled here this evening for the purpose of giving expression to our feelings of good will towards you on this the fiftieth anniversary of your marriage.

We desire to acknowledge your invariable kindness and obliging disposition during the fifty years you have been associated with us, and hope you may be spared for many years to come.

Therefore, we ask you to accept these chairs and pickledish, not for the value which they may contain, but as a reminder of the respect and esteem in which you have always been held by those who through long years of acquaintance are best able to judge of your sterling qualities.

Signed on behalf of your friends and neighbors.

WILLIAM ALJOE,
MRS. ABE. CRUTCHLEY,
JAMES BROWN.

IMP OF INDIGESTION.

How to Get The Better of This Cause of Misery.

A scientific writer upon stomach troubles says: "If you have ever suffered from indigestion,—and who has not?—your imagination has probably pictured a ferocious little imp dancing in the pit of the stomach, causing that organ to neglect all of its duties, with a result that is not only painful, but fills you with misery from day to day." This writer certainly had suffered with indigestion, for there is no more disagreeable, nerve-racking and sick-all-over disease than indigestion.

A great many people who have been treated for years for diseases of the heart, liver or kidneys, when they used Mi-o-na stomach tablets found that not only did Mi-o-na cure the stomach disorder, but it made them well all over and the other troubles were also cured.

If you suffer with nervousness, sleeplessness, indigestion, sick or nervous headache, pains in the back or sides get a 50c box of Mi-o-na and take one of the little tablets before each meal. It will do you a world of good and you will soon be well and free from indigestion, and its symptoms.

A small boy was told that there would be a new baby for him to play with, as the doctor was going to bring it in his black bag. That afternoon the youngster appeared at the office of the family physician and said: "Are you going to bring a new baby to our house?" "Yes, my little man," replied the doctor, highly amused. "Then," said the small boy "let me have a look at the kids you have in stock, and I'll pick out the one I think I'll like best."

Flesherton.

A very pretty wedding took place at the home of Mr. and Mrs. George Pritchard, of Vandeleur, on Wednesday evening, Oct. 10th, when their eldest daughter, Sarah E., was united in marriage to Mr. Robt. Richardson, of this place. The bride, who was beautifully attired in white silk, trimmed with embroidered point d'esprit, and carrying a bouquet of white asters, entered the parlor leaning on the arm of her father, while Mendelssohn's march was played by Miss H. Irwin, of Markdale. Miss Mary Pritchard, sister of the bride, was bridesmaid. She was also becomingly attired in blue silk, trimmed with all-over lace, and carried a bouquet of pink asters. Little Miss Edna Holly, who was prettily gowned in white silk trimmed with lace and ribbon, acted as flower girl. Mr. W. Richardson, brother of the groom, was groomsmen. The ceremony, which took place under an arch of green and white decorated with bells, was performed by Rev. Dr. Caldwell, of this place. After congratulations, about eighty guests partook of a dainty wedding supper. The bride was the recipient of many costly and useful presents. We join in congratulations to Mr. and Mrs. Richardson who have settled in their new home near this village.

A quiet marriage took place at the Presbyterian manse on Wednesday afternoon of last week when Miss Annie Kennedy, daughter of the late Mr. Hector Kennedy, of Artemesia, and Mr. Stanley McCombe, of Owen Sound, were joined in wedlock by Rev. L. W. Thom. The bride was attended by her niece, Miss Ethel Carson, and the groom's brother, Mr. John McCombe, was best man.

The Mission Band held a "Brown" social in the school room of the Methodist church on Friday evening last. Brown paper programmes, brown cake and brown bread mostly composed the "brown" feature of the entertainment. Dr. Caldwell presided and a short but pleasing programme was rendered. A sweetly rendered solo was given by little Miss Irene Wilson and pretty duets were given by little Misses Lillian Bunt and Leone Thompson and Misses Lillian and Laura Armstrong. Pleasing readings were given by Miss Ella Karstedt and Miss Wass. An art exhibit was a taking feature, the refreshments much enjoyed, and a silver collection helped to swell the Band's fund. The room was prettily decorated with autumn leaves and plants.

The covering on the tail-race at the planing mill gave way one day last week while being crossed by a span of horses belonging to Mr. Ostrander, Proton townline. One of the horses went down about eight feet and was buried in a lot of sawdust covering the race. It took willing workers some time with shovels to rescue the animal from its perilous position. The other horse jumped clean over its mate and thus escaped the burial it, too, would have received.

During the severe electrical storm of Monday evening of last week the reflection of a fire in Proton was seen here. A barn belonging to Mrs. Johnson, near Swinton Park, was struck and burned, together with a large quantity of hay. A cow and two pigs were also struck and killed. About \$800 insurance is reported.

Mr. Will Sullivan, who has been the past eight years a Indian Head, Sask., has, we learn by The Witness of that town, removed to Abernethy, about twenty miles distant, where he has opened a new gen's furnishing store. Before leaving Will, who had been for seven years leader of the Presbyterian choir, was presented by the congregation with a nice address and purse of gold as a token of their appreciation of his services.

Rev. A. Wilson, a former pastor in the Presbyterian church here, who has been the past ten years at Rosemont, has accepted a call from the congregations of Blackbank and Airle in the Presbytery of Barrie.

Mr. M. K. Richardson is in Toronto this week attending a conference of workers in connection with the Children's Aid Society of Ontario. The conference is being held at the Parliament buildings at the call of the General Superintendent, Mr. Kelso. The work under the care of Mr. Kelso is a very extensive one, and we understand the object of the meeting is to plan for obtaining the best possible results. Mr. Richardson, who has been appointed visitor and special agent, and than whom no one better qualified for the work could have been chosen, has for the past few months been attending to the work in Grey and Bruce counties, formerly under the care of the late Rev. Mr. Ledard, of Owen Sound.

Mr. Harry Heitman's new store nearly completed at Faversham was, early on Saturday morning last, destroyed by fire. Incendiarism is suspected. There was no insurance and the loss is estimated at \$1000.

The trustees of S. S. No. 4, east of the village, have expended about \$100 levelling the school grounds, which are now being enclosed with a neat wire fence. New cement walks will also be laid, all of which will give the new school and grounds a fine appearance.

Inspector Campbell paid our public school a visit last week, but mostly to confer with the trustees about increased supplies necessary under the new regulations.

Born—On October 7th, at 568 Spadina avenue, Toronto, to Dr. E. W. and Mrs. Paul, a son.

Union Thanksgiving service will be held in the Presbyterian church on

Sunday next, when Rev. Mr. Strangways, of Shelburne, will preach morning and evening.

Mr. Thos. Grainger is erecting a substantial addition to his residence and the work is now well forward.

Mr. F. G. Cole had considerable destruction done in his garden by cows which broke in on Sunday night. We have a cow By-law which, if more strictly enforced, would prevent destruction and save citizens from these vexing annoyances.

Some of the sportsmen here have been out with their guns but have not met with the luck which we learn came the way of three young men near Eugenia, who shot a fine black bear on Saturday.

The fall rush has commenced at the flour mill, and Mr. Loucks has secured an assistant in the person of Mr. L. Johnston.

Mr. W. R. Simmons, 4th line, gave one of his hands a bad gash with a butcher knife a few days ago.

Mr. Harvey Wilkerson, of Regina, visited Mr. and Mrs. Grainger while on a short business trip here last week. Mr. Wilkerson is pushing business in the house building line.

Mr. J. Hebson, of Markham, is the guest of Mr. and Mrs. Andy Wilson.

Miss Nellie Boggs is on a visit among her young friends here.

Miss Matheson and Miss McFayden, of Shelburne, visited the Misses Munshaw over Sunday.

Mrs. Fred Sheppard and two children, of Toronto Junction, are visiting the former's parents, Mr. and Mrs. A. Bentham.

Mrs. M. K. Richardson accompanied Mr. Richardson to the city this week to spend a few days with her daughter, Mrs. Webster.

Mrs. Cummings and son, of Rossburn, Man., are visiting the former's son, Mr. George Cummings, here.

Wounds, Bruises and Burns.

By applying an antiseptic dressing to wounds, bruises, burns and like injuries before inflammation sets in, they may be healed without maturation and in about one-third the time required by the old treatment. This is the greatest discovery and triumph of modern surgery. Chamberlain's Pain Balm acts on the same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness and prevents any danger of blood poisoning. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering such injuries entail. For sale at Parker's Drug Store.

The meanest man has been found in Philadelphia. He dropped a large roll of bills on the street, and a boy who found it returned the money to him. Counting the money carefully the owner put it into his pocket. "My son," he said benignly to the boy, "I am rejoiced to see you are guided by lofty principles, and as an earnest of my appreciation shall refrain from charging you interest for the time you have had my money."
