Railway, in addition to his general business, he for some time ran a well patronized stage line from Flesherton to Orangeville. In the early days of this township he was also active in municipal matters. In 1863 he was elected councillor and in 1869 he filled the position of deputy reeve. OF XMAS FARE!

Pardonable at this Season, but the Results are Unpleasant

Eating more than is necessary is like choking a fire by putting on too much fuel. The food is not only undigested and useless, but a menace to health. Depression, drowsiness, headache, nausea, flatulence, and indigestion, are some of the consequences. A Bilean after dinner is the best help to the overburdened stomach. All sufferers from dyspepsia find Bileans indispensable. They enable you to eat what you like, when you like, and how you like. Unequalled as a family medicine.

INTERESTING CURE BY BILEANS.

Lady who had Dyspepsia for a Year.

Mrs. Charles Merrett, 35 Cornwall Street, Toronto, Ont., says: "I was a sufferer from acute dyspepsia for 12 months before using Bileans. Pains in the chest and in the region of the heart, and a sensation of fulness in the stomach, usually after meals, were some of the symptoms. Such sudden and severe attack of pain in the region of the heart made me think I had heart disease, but my doctor said there was nothing wrong with that organ, and the whole trouble lay in the food not digesting properly. I tried doctor's medicines and various remedies advised by friends and by druggists, but nothing seemed able to cure me of those terrible pains and the distress after food until I began using Bileans. A very few gave me such relief that I kept on using until I had no more trouble with my heart or stomach. I was recommended to try Bileans by parties who had used them as a family medicine for a long time, and now I would strongly recommend them to any sufferer from indigestion or allied symptoms. There is nothing to equal Bileans as an all-round medicine for young and old. "

Bileans are altogether different and superior to the ordinary stomach and liver edicines. They are purely vegetable in composition and are a certain cure for headache, nausea, and all the effects of indigestion. They also cure constipation, piles, female ailments and irregularities, anæmia, rheumatism, debility, blood impurities, and all ailments and disorders arising from defective bile flow and assimilation. Of all druggists at 50c. a box, or post free from the Bilean Co., Toronto, for price. 6 boxes for \$2 50.
