THE DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor. DURHAM, FEBRUARY 13, 1908.

SANCTUM SIFTINGS.

Toronto has been the scene of a great deal of poverty during the past few weeks, and appeals for aid have met with a hearty response. The newspapers have brought the matter to the public notice, and the way in which contributions came in shows the world contains many good people after all.

The assessor will soon be on his rounds, and lest he forget it would be well perhaps to remind him of the real value of many of the unimproved properties in Durham, some of which would have been built on long ago if they could only be purchased at a reasonable price.

FOR RHEUMATIC SUFFERERS.

The quick relief from pain afforded by applying Chamberlain's Pain Balm makes it a favorite with sufferers from rheumatism, sciatica, lame back, lumbago, and deep seated and muscular pains.

Town Council.

The Town Council met in special session in the Council Chambers on Tuesday. All members present.

A communication from Judge Hatton, Owen Sound, was read, re the local option by-law recout on Saturday. The report showed that 297 had voted for and 180 against the by-law.

A communication from Lawyer Kingston, Mt. Forest, who was in the services of the Town in the recent recout, was read by the Mayor, in which he stated his willingness to act in behalf of the town in any future action that might be brought by the liquor interests to quash the by-law.

The affairs of the defunct Farmers' Manufacturing and Supply Company were next dealt with, and the town solicitor was instructed to foreclose the mortgage held on the said Company under the terms of their agreement with the town.

Mr. H. H. Miller, M. P., in a communication to the Mayor stated that he had procured two cannons for the town to be placed in front of that new Armory, on the condition that the town pay the freight.

The next to come under the hammer was the town hall site. The Council had in the afternoon journeyed over the various sites in a body, and though all the properties had their good and bad features it was not possible to come to an agreement among the members as to which will be the choice.

WHAT TO DO WHEN BILIOUS.

The right thing to do when you feel bilious is to take a dose of Chamberlain's Stomach and Liver Tablets. They will cleanse the stomach and regulate the liver and bowels.

THE BUNS MY MOTHER BAKED.

I'm sitting in the cells alone, Broken down and sad; I hear the stifled curse and groan Of drunken men and bad. I'm hungry, thirsty, weak and sick, For hours my head has ached; I'm thinking of my mother and The buttered buns she baked.

CONDEMNED BY PHYSICIANS.

Unscrupulous dealers often prepare corn remedies with caustics and acids. Refuse such, and insist on Putnam's Painless Corn Extractor. It's purely vegetable, safe and sure.

Mr. Oliver Cromwell Young, who died recently at his home in Picton, Prince Edward County, Ontario, at the age of ninety-two, was a lineal descendant of Oliver Cromwell.

Don't Take Milk at Night!

Milk in any form taken at night is apt to cause digestive disturbance. Your night's rest is not refreshing. To appease hunger, or merely for company's sake, "Bovril" in the form of a bouillon, or sandwiched between the bread and butter is excellent.
