# MONSTER SALE

## Extraordinary!

Saturday, February 8th to Saturday, February 22nd

Store closed February 7th for marking down goods

### Our Explanation

For some time past we have been buying extensively whenever opportunity was presented to safeguard our customers' interests by maintaining old prices as far as possible.

### The Result

has been that we find ourselves now with about \$5000.00 worth of surplus stock, gilt edge, as far as values are concerned, but with New spring goods arriving, we are practically forced to realize at once on a large portion of our goods. It's a monster effort, but we are sacrificing prices as the following will show.
