Pity This Poor Girl. Growing fast - yes, into weakness, but without strength. Pired of course she is-pale and thin too. She doesn't eat enough and digests far too little. This condition is so common, but how seldom noticed even by fond parents. Give her Ferrozone-then watch her appetite improve-see her cheeks and lips grow ruddy-watch her sprits rise. This gain is simply the result of eating and digesting enough, and thereby nourishing blood, brain and nerves. To a woman Ferrozone restores strength she has lost-to a girl it brings strength perhaps she never knew. You'll try Ferrozone, 50c at all dealers.

## WHEN THE CHIMNEY SMOKED.

William Whiteley, London's "universal provider," was an optimist save on one point-marriage. He was continually relating an incident concerning marriage that had happened to a medical friend of his in Dorset, Out walking one summer evening this physican saw a cottager eating his supper all alone on the sidewalk before his little house. 'Why, Jim," he said, "what are you eating out here for? "Er-chimney man, jack of all trades. "We'll have a look at that chimney, Jim," he to-day, said, and he opened the door, andbang! a broomstick fell on his shoulders and a woman's voice shrieked "A boy wanted who can open in the gloom, "Back again, are you, you old rascal? Well, just clear out "Bulldog for sale; will eat any. again! Clear out with you, or I'll-" The physican retreated hastily. Jim sat on the curbstone, shaking his head in sorrow and embarrassment The physican bent over him, and laid his hand in kindly fashion on his arm. "Jim." he said. "our chimney smokes sometimes, too."
