DOES THIS INTEREST YOU?
A prominent physician, famous for his success in the treatment of kidney and bladder diseases, attributes a great deal of his success to the following simple vegetable prescription:—
One ounce Fluid Extract Dandelion;
Four ounces Compound Salalone;
One ounce Compound Syrup Sarsaparilla;
Mix, shake well, and take in teaspoonful doses after each meal and again at bedtime.
Your druggist can supply the ingredients, and the mixture can be prepared at home at very little expense.
This, the doctor says, acts directly on the kidneys, assisting them to filter the poisons from the blood and expel same in the urine, at the same time restoring the kidneys to healthy, normal action.
We feel that a great many readers will be pleased to learn of this simple prescription, and knowing the ability of the physician whose formula it is, we do not hesitate to recommend it to any sufferer.

MR. MACKAY'S STATEMENT.
(Toronto News)
There is nothing of a revolutionary character in Mr. Mackay's statement of policy. It seems certain that he is hopeless of success in the contest which impends. He has, therefore, decided to content himself with moderate criticism of the Government's policy and achievements. In the main his criticisms are neither very fresh nor very damaging. The News concedes that there are points at which the Government is open to attack. But in the main, both in the integrity of its administration and in the character of its legislation no better chapter has been written in the history of the Province than that of the Whitney Government.

DURHAM POISON FACTORIES.
You Will Be Surprised to Learn How Many There Are
Did you ever feel soupid and dull after eating a hearty dinner?
When food is retained too long in the stomach, because of stomach weakness, the poison factory works overtime and there is giddiness, confusion of thought, drowsiness, heart-burn, sleeplessness, nervous trouble and other forms of indigestion.
It is high time to look about for quick health when you have dizzy spells after eating.
The general use of Mio-na stomach tablets puts within the reach of everyone a reliable and positive cure for all stomach weakness. Mio-na quickly cures the worst case of indigestion, and the pain and distress which is often felt after meals will soon disappear, such is the wonderful curative power of this little tablet.
Mio-na acts upon entirely different principles from any of the other remedies that have been used in stomach troubles. It is taken before meals, and has a specific strengthening action upon the muscles of the stomach, increasing the flow of digestive juices and making the stomach get to work and digest easily and naturally the food which is eaten.
Mio-na is sold by druggists everywhere for 50 cents, and we positively guarantee to refund your money should you purchase a box and be dissatisfied with results. Write for free sample, addressing Booth's Mio-na, Box 977, Buffalo, N. Y.

SIZED HIM UP CORRECTLY.
The man came into the barber shop, but he wasn't after shave, hair cut or shine. He looked about blankly for a moment and then asked: "Where's the manicure?"
The boss was out at lunch, and it was the second barber who answered. "She's not here."
He didn't say "She's not here today" or "She's not here any more," just "She's not here."
"Oh," said the man who wanted the manicure rather inconclusively, "that isn't much of an answer." Then suddenly, "You're not the boss here, are you?"
"No, I'm the second barber," replied the other.
"Wall, that's what you'll always be," said the inquirer and went out.
"I wonder what he meant by that," said the barber to the man he was shaving. "One of them eccentric fellows, ain't he?"—New York Sun.

How to Remove Warts.
It's really a simple matter to remove warts and callouses if you apply Putnam's Corn and Wart Extractor. Cure is certain—failure impossible—if you use "Putnam's."
To the Jail for him.
A policeman saw a little boy on the street and told him he must go home or be put in jail. "All right," said the boy, "I'll go to jail." "But why don't you go home?" asked the officer. "I don't want to," replied the boy. "Dad's at lodge, ma's gone to the church party. Bud's out walking with his girl and sis is at the theatre with her beau. They left me and the dog at home. I'll go to jail."

Men Require Nerve and Blood Tonic.
How Are Your Nerves?
The daily grind of life burns up a man's vitality faster than he renews it.
He gets shaky, starts at flies, tosses in his sleep, is ready to trifles of the handle any minute.
The nervous man is nervous because his blood is so thin his nerves are starved to death.
He needs Ferrozone.
Its first action is upon digestion.
It stimulates secretion of gastric juice, ensures perfect digestion, prepares the food so it can be at once assimilated.
Hence the blood is nourished, is fortified, made redder, richer, stronger.
To the whole organism is imparted a vim, endurance and reserve of vigor that the nervous man never knew before.
The restorative power of Ferrozone is marvelous. In a month it will make you feel like new, just as it did Mr. Karl E. Newsome, of Rothsay, who writes: "I owe a debt of gratitude to Ferrozone which saved my life after a severe seige of nervous prostration. About a year ago my health gave out. I was in such a weak, irritable condition I couldn't work, and found that three doctors did nothing for me. My druggist recommended Ferrozone as the best preparation for nervous troubles, so I commenced with one tablet at meals. Every box of Ferrozone I took did me more good than the previous one, and it wasn't very long before I was strong enough to move around again. In three months I was completely cured. Ferrozone braced up my nerves, gave me a strong, healthy constitution, and is certainly a marvelous restorer and tonic."
Try Ferrozone—sold everywhere by druggists in 50c boxes.

ALL HANDS ROUND!
Open up the windows
Put rosin on the bow.
Let the lamplight flicker,
Blowin' high an' low,
Never mind the lamplight, hark the fiddles' sound!
Balance to your partners, all hands 'round!
You, out in the moonlight,
Come along inside!
Joy's a comin' to you
Blushin' like a bride.
Pleasure's cuttin' didoes, all her limbs unbound,
Balance to your partners, all hands 'round!
Hear the birds a-singin'
In the elms tall,
Hear the sassy mockin' bird
Throwin' back the call,
Life's a brimmin' goblet, an' old trouble's drowned,
Balance to your partners, all hands 'round!
Balance to your partner,
Git her hand to hold,
See her eyes a-laughin',
See her hair o' gold
Movin' in the breezes, hear the music sound!
Balance to your partners, all hands 'round!
Never trouble trouble
Till trouble troubles you,
There's a bump awaitin'
For you if you do;
Meet the world a laughin, never say you're downed,
Balance to your partners, all hands 'round!
Open up the windows,
Open up the door,
Shake your feet, O brothers,
Scoot across the floor!
Never mind to-morrow! Pleasure's self's unbound
Reachin' for to hug you, all hands 'round!
—Houston Post.

Owing to the enormous advance in the price of teas at the gardens during the past eighteen months, The "Salada" Tea Co. have had to raise the price of "Brown Label" from 25c to 30c and "Green Label" from 30c to 35c per pound. No other changes in prices have been made. The chief reason for the advance in the price of Ceylon Tea is due to two causes: First, the enormously increased demand coming from Russia, which country is abandoning China Tea in favor of the finer teas of Ceylon. The other cause is due to the planting out of Rubber, which is more profitable to the grower than tea.

Too Good to Miss.
Theater audiences have improved in recent years" said a manager. "Why, with provincial touring companies in the past maltreatment was regularly expected. In fact the companies profited by it in more ways than one.
"I know of a company that was playing 'The Broken Vow' in Paint Rock, a one night stand. The audience didn't like 'The Broken Vow,' and eggs, cabbages and potatoes rained upon the stage.
"Still the play went on. The hero raved through his endless speeches, dodging an onion or a baseball every other minute and pretty sore from those missiles that he hadn't been able to dodge.
"Finally a gallery auditor in a paroxysm of rage and scorn hurled a heavy boot, and the actor thoroughly alarmed, started to retreat.
"Keep on playing; you fool, hiss ed the manager from the wings as he looked in the boot with an umbrella. 'Keep on till we get the other one'"

Country life has its drawbacks, but it has its great advantages which overcome them. True, those who live in the country are Rube's farmers' and hayseeds' to the cigarette smokers in town, but the boast of the business men in the world to day is that they were born on a farm. Take away the surrounding evils that besets young men and women on the threshold of life's journey in the city, and substitute the helpful influence of nature, and you fortify them for the sterner walks in life. The few things which they do not know about table etiquette and when it is proper to leave two visiting cards and when but one, they will catch onto much quicker than city boys or girls will learn to properly stroke the furnace or make good bread. No boy or girl need be ashamed of living on the farm, for if they have taken advantage of what it has offered they are well fortified for after life.—Ex.
