MARRIED IN HANOVER

On Wednesday of this week the marriage of Mr. John Bauer and Miss Hilda Gibson, of Durham, was solemnized at the parsonage, Hanover, at 3 o'clock in the afternoon. Rev. Mr. Twitmeier, of that place performed the ceremony, which was very quietly conducted, only the immediate friends and relatives of the contracting parties being present. Messrs. David Gibson, brother of the bride and Allan Cameron, were groomsmen, and the bride's sister, Miss Ida Gibson, and Miss Kate McArthur were bridesmaids.

On the same evening after the return of the happy couple a wedding party was given at the home of the bride's father, Mr. James Gibson, to which a small number of the bride and groom's most intimate friends had been invited. Dancing and games were indulged in and after a most sumptuous wedding repast, which was served at twelve o'clock, festivities were continued till an early hour.

The large number of beautiful and costly wedding presents, attests the esteem in which the bride and groom are held, and the CHRONICLE extends its congratulations and wish them many years of married bliss and happiness.

ADDRESS AND PRESENTATION.

The many friends of Mr. and Mrs. Newell, of Bentinck, assembled at their home about two miles north of here on Tuesday evening, and, on the eve of their departure to reside in Glenelg, presented them with two beautiful Morris chairs as a mark of the esteem in which they were held. In addition, Mr. Newell was presented with a handsome pipe. Mr. Thos. Lauder read the address, and the presentation was made at the proper time by Messdames Morton and Milburn to Mrs. Newell, and by Mr. Thos. Turnbull to Mr. Newell. The following is the address:

To MR AND MRS NEWELL:—

It is with deep regret that we, your friends and neighbors have learned of your intention of leaving here and removing to some distance from us.

We have lived here together all our lives, grown up together, worked together, enjoyed ourselves together, and in all that time you have proved yourselves friends indeed. Always ready to give cheerful assistance whenever needed, to extend the glad hand in our joys and give sympathy in our sorrows.

Your removal from amongst us will leave a blank which can not be filled. We could not let you go without expressing something of our sorrow at parting with you and so we are with you to night to spend a social time with you, to bid you good-bye and wish you God speed on your way.

In going from us we would like you to have some tangible token of the love and esteem in which you are held by your old friends and neighbors, and so we would ask you to receive these small gifts at our hands as remembrances of us all when you are far away. And now we bid you good-bye wishing you and yours every success in your new home, a pleasant journey through life, and at last may we all meet in the better land where parting is no more.

Signed in behalf of the friends and neighbors.

- THOS. TURNBULL
- ROBT. MILBURN
- ROBT. WATSON
- WM. VESSIE SR.
- ALEXANDER MORTON

Mr. Newell though taken completely by surprise responded to the address and after a most sumptuous supper the party enjoyed themselves to their utmost capacity till a late hour with song, speeches and music.

AUCTION SALE Of Farm Property

I have received instructions to sell by Public Auction at the Middaugh House, in the Town of Durham, on Friday, March 20th, 1908,

at 2 o'clock p.m., sharp, the farm, being composed of Lot 6, Concession 2, Township of Egremont, in the County of Grey, containing one hundred acres, more or less, known as the Robert Hillis Farm.

There is said to have been 20 acres under cultivation some time ago; some more land could be cultivated when cleared, the balance is better suited for pasturing land. A never-failing spring creek runs through the farm. There is a log house about 20x30 on the property. The farm is partly fenced with cedar rails, and there is plenty of cedar on the farm to fence it all, and some to dispose of. There is also a considerable quantity of other timber on the place. The farm is situated about two miles from Varney Post Office and about five and one-half miles from Durham market and station.

TERMS OF SALE:—Ten per cent. on day of sale, balance in 30 days. 60% of purchase price may remain on mortgage for five years at 6%. Further particulars will be made known on day of sale.
 JOHN CLARK, Auctioneer,
 March 8rd, 1908.

No Honing—No Grinding

You know from daily experience, at home or in the barber shop, that the question is—"Why doesn't a razor hold its edge uniformly from heel to head without honing and grinding?" Whether it is a safety, with the certain tax of new blades, or the ordinary open-bladed razor does not alter the question. You want the comfort and satisfaction of a clean, smooth shave every morning with the confident knowledge that your razor will be ready for instant use the next time needed.

The Carbo Magnetic razor is the only razor unconditionally guaranteed to do this. Thirty years of study on the razor situation has perfected a new secret process of ELECTRO TEMPERING that positively merges every particle of carbon (the life of steel) into the metal—giving a diamond-like hardness uniformly throughout the blade—something absolutely impossible with fire tempered steel—used in making all other razors.

But test this razor in your own home—or if you prefer, have your barber use it on you. Give us your name, or call and see the "Carbo Magnetic" razor, and we will state our proposition for testing these razors without obligation on your part to purchase, together with our free booklet "Hints on Shaving." This book illustrates the correct razor position for shaving every part of the face.

LEARN DRESSMAKING BY MAIL

In Your Spare Time at Home, Or Take a Personal Course at School.

To enable all to learn, we teach on cash or installment plan. We also teach a personal class at school once a month—class commencing last Tuesday of each month. These lessons teach how to cut, fit and put together any garment, from the plainest shirt waist suit to the most elaborate dress. We have taught over 7,000 dressmakers and guarantee to give \$500 to anyone who cannot learn between the ages of 14 and 40. You cannot learn dressmaking as thoroughly as this course teaches it if you work in shops for years. Beware of imitations, as we employ no one outside the school. This is the only experienced Dress Cutting School in Canada, and excelled by none in any other country. Write at once for particulars, as we have cut our rate one-third for a short time. Address
