**THE  
DURHAM CHRONICLE**

W. J. IRWIN, Editor and Proprietor.  
DURHAM, MARCH 19, 1908.

**Holstein.**

The Rev. Mr. Taylor, of Drew circuit, preached in the churches of the Holstein circuit on last Sabbath. The Rev. G. A. King had arranged to conduct the missionary services on the Drew circuit, but on account of illness was unable to do so. Mr. King is still confined to his room.

Albert Swanston, of the Owen Sound Collegiate, spent a day with friends here last week.

W. G. Pettigrew, A. Baird and C. Drumm left last Friday for Sault City, Kansas, to engage in selling stock for the large binder twine factory being erected in that city.

Wm. Mann, who has spent the past few months with his parents here, returned to the West on Friday of last week.

W. Leflar was in Toronto part of last week on business.

Another of the old residents of the village has gone to join the great majority in the person of John Ross. He was in his usual state of health until about an hour before his death. He came to this country when quite a young man, and lived for a time in the township of Woolwick, thence removing to the township of Nichol, and thence, about twenty-two years ago, to the township of Egremont. Retiring from farming, he removed to Holstein. He was in his eighty-fourth year. Our sympathy extends to the bereaved family.

A quiet wedding took place at the home of Mr. Wm. Horsburgh on Wednesday last week, when their daughter Gemima was united in marriage to D. McFadden. The ceremony was performed by the Rev. J. Little in the presence of only the immediate relatives of the contracting parties. On Monday the McFadden boys left for the West, taking with them two cars of settlers' effects. We wish them all prosperity in their new home.

Theo. Swanston left last Friday afternoon for Pense, Sask., with a car of settlers' effects for Alvin Durrant. It is reported that the Leader is about to change hands.

Mr. Alex. Stephens has moved into the part of Mrs. Tanner's residence lately vacated by W. J. Jordan.

Miss M. Ker is back again to her position in the telephone office.

Alvin Durrant and family left for their new home in the West on Tuesday morning of this week. On the previous evening a farwell was tendered them in the Methodist church. To show the respect in which they were held the ladies of the W. M. S. presented Mrs. Durrant with a beautiful silver dish, accompanied by a well worded and suitable address. The young men of Mr. Durrant's S. S. class presented him with a set of military brushes. The members of the choir presented them with a beautiful valise. The presentations were made respectively by Mrs. King and Mrs. Petrie in behalf of the ladies, by W. Hunt and Reg. Hunt in behalf of the young men, and by Dr. Brown and W. Seaman in behalf of the choir. Mr. and Mrs. Durrant made suitable replies in each case. They leave for their new home bearing with them the very best wishes of the whole community.

**Varney.**

Since we last wrote the population has increased by 5 or 6, Mr. and Mrs. Ball having moved in with their daughter Mrs. Geo. Pollock. We welcome them to our hamlet.

About twenty from here attended the concert held in Allan's school and they say they had a good time.

A few from Varney attended the L. O. L. concert in Durham and speak in glowing terms of the program.

Jas. Eden, J. W. Blyth, Thos. Tucker, R. J. Eden, Wm. Sirrs and Sam Chapman from Varney Lodge attended the L. O. L. Grand Lodge of Ontario west held in Mt. Forest on the 11th and 12th.

Jas. Eden County Master, helped the Organizer Robt. Birmingham to Organize a new L. O. L. in Harriston on Friday night.

Wilbert and Eva Blyth gave the young people to the number of about twenty-five a party on the 9th and they enjoyed themselves immensely until well on in the morning.

Pearl and Eva Burnett, from Durham spent from Saturday until Tuesday visiting their aunt Mrs. J. W. Blyth, and took in the party.

Gladys Dunn from your town, visited her many friends around the village last week.

There came to the home of Mr. and Mrs. Harry Grasby on the 5th a fine big boy weighing 8 pounds. Mother and child are doing nicely.

There was a very large crowd at Mr. T. Gadd's sale and everything was sold, and for very good prices. D. McPhail was auctioneer.

**D. WILLIAMS, Collingwood**  
The newly elected President of the Canadian Press Association.

Our teacher, Miss Edith Allan has had an attack of La Grippe and the school has been closed for a week. At time of writing she is getting better and will be able to take her school again.

Our old neighbor, Mr. Wm. Smith is at present sick in Durham. As he had no one to look after him in his home the Dr. took him to town so that he could be cared for. We hope that he may soon be well and able to return to Varney again.

Mrs. John Bogle has also been sick and under the Dr's. care. Our wish for her is that she may soon be in her usual health again.

Murray Hoy has had a pretty hard time of it for the past week or so with an abscess on his face, but we are glad to report that he is getting better.

Miss Mabel Pollock from Toronto, is at present visiting her parents, Mr. and Mrs. Geo. Pollock.

Tom Allan is visiting for a week or so with his mother. He came from the Queen city on Thursday night.

Arthur McCrie came home from Stratford hospital on Wednesday. He is a little weak yet but is getting along as well as he could be expected. We hope that he may continue to gain strength and will soon be as well as ever.

The funeral of Miss Edith Allan was very largely attended from this neighborhood. We extend to Mr. Allan and family the sincere and heartfelt sympathy of this neighborhood in this very sad bereavement and would commend them to One who alone can comfort in such times of trouble.

There was another dance in our neighborhood on Thursday night. As the roads were not very good, the sleigh that brought the load gave out and they had to borrow a pair of bob sleighs to get home with. When the driver was returning with the sleigh in the morning we suppose he went to the land of Nod as Alf McCabe found the team stuck in a snow bank near the Orange Hall and the man fast asleep in the bottom of the sleigh. Dancing must be hard work.

Miss Lizzie Pettigrew, and Wm. Morrison Jr., left this Tuesday morning for the great north west. We wish them both a safe journey and success in that great country.

Florence Clark is sick in bed this Tuesday as we write, but we hope that it will not be of long duration and that she will soon be well again.

**LET US TAKE LEAVE OF HASTE.**

Let us take leave of haste awhile  
And loiter well content,  
With little pleasure to beguile  
And small habitment.  
Just a wide sweep of rain-washed sky,  
A flower, a bird-note sweet,  
Some easy trappings worn awry,  
Loose latches for our feet.—  
A wheaten loaf within our scrip,  
For drink, the hill-side spring,  
And for true heart companionship  
The love of loitering.

We want so much—and yet we need  
So very slight a store;  
But in the age's grip of greed  
We hurry more and more.

The woodland weaves its gold-green net  
The warm wind lazes by;  
Can we forego? can we forget?  
Come, comrade, let us try.

AS USUAL.  
Mother's buying diamonds,  
And sister trinkets fine.  
And brother's buying shares in  
A "salted" copper mine;  
Money fades like magic  
It almost gives one thrills—  
And father, poor old father,  
He has to stand the bills!

LEAP YEAR'S HERE.  
Magistrate (to witness)—What is your name?  
Witness—Annie Strohmeler  
Magistrate—How old are you?  
Witness—Sixty-four.  
Magistrate—Married?  
Witness—Not yet.
