We sincerely regret that in a very short time the ties that many years of residence in our midst have entwined mutually about us as neighbors and as cirizens of our beloved country are to be severed -nay, not severed, but transposed by your removal from among us. Ties of true friendship can neither time nor space undo, and such is the friend ship we bear you.

Now, dear friends, while we so much regret your removal from our neighborhood it gives us pleasure to be able most heartily to recommend you as the nest of friends, kind neighbors and most desirable citizens in whatever sphere of society and influence your future may be cast. As a slight indication of the high esteem in which you are held among us, we ask you to accept these tokens.

When time and space have inter posed, may they serve as a memento of the many happy times spent in our midst., and may you be long spared in health and happiness to
