This Is Best Time For Spring Medicine

Taken, now the blood is renewed disease germs are destroyed, good summer health is assured.

That peculiar weakness so common in the spring, is demoralizing to body and mind alike,

you feel the need of a stimulating Harry Caldwell and Melville Morice, tonic.

To impart quickness and great vitality to the entire system nothing acts like Ferrezone. In a short time it makes you feel Birr. fit and fine, creates a feeling of youth

and strength that's surprising. Ferrozone revives and braces the sickly because it nourishes and builds up the organs that are weak. As a spring tonic, appetizer and blocd strengthener it is unequalled.

A well known resident of Utopia, Ont., Mr. H. H. Postle, writes: "From long experience I am convinced that everyone requires medicine in the spring. As a rule the blood is thin and impure and the whole system is congested with poisons that should be carried off, I use Ferrozone because it clears up the system, gives you appetite and makes you feel well, One winter I had serious palpitation of the heart, nersix boxes of Ferrozone and was made James Finnigan.

Ferrozone makes permanent cures. Absolutely safe because it is purely Form I-Vaddie Caldwell, Lizzie vegetable and contains no alcohol. that's Ferrozone, 50c. per box or six boxes for \$2,50 at all dealers.

COLLINGWOOD LICENSE FEE.

Rev. Nathaniel Smith writes: Mr. Justice Britton's statement that \$2,500 license is the highest in the world, so far as he knows, is remarkable in view of the following facts: Throughout the whole of Putnam intoxicating liquor till he pays \$25000 per annum for the privilege; in Waycross, Georgia, the license is \$35,000; in Lawrence, Massachusetts, a city of 62,000 population, the license is \$28 000; even in Boston the license is \$2,500. In a town in Pensylvania, the name of which has escaped my memory, the license is \$25,000 | A' blend of 1 Manitoba and 1 Ontario which, of course, is prohibitive. *************** PLAIN TALK FROM THE DOCTOR

A prominent physician, famous for his success in the treatment of kid.

nev and bladder troubles, stated that to the following prescription is due great deal of his success: One ounce fluid extract dands

One ounce compound salatone: Four ounces compound syrup

sarsaparilla. Mix and take a teaspoonful after meals and at bedtime, drinking

plenty of water. This mixture will, he says, posi. tively cure any diseases arising from weak, clogged or inactive kidneys and will assist these organs to cleanse the blood of the poisonous waste matter and acids, which if allowed to remain, cause lumbara lame back, rheumatism and sciatica and at the same time will restore the kidneys to healthy normal action The ingredients, which are purely vegetable and entirely harmless, can be procured from any good druggist and mixed at home at very little cost.

This advice will undoubtedly be much appreciated by many readers.
