Sweet Times in the Bush.
Several young men in this town-
ship went out one night recently to
a neighbor's sugar bush to "sugar
off," or "taffy down," and during the
process the owner of the condensed
sweets appeared noiselessly as an ap-
parition comes. There was no time
for the boys to take "leg bail" had
they so desired. Did the owner have
those young men hauled up and
fined? No, but he punished them, all
right. He simply invited them to be
seated and finish the feast and not
to allow his presence to disturb them.
This was done and the owner joined
the party. Possibly this punishment
will be more effective with those
young men than a fine would have
been. They can at least thank the
owner of the bush for letting them
keep their pennies.
Last year a gentleman of the town-
ship was made the victim of a similar
degradation and threatened to shoot
the parties if they ever did it again.
Sunday last the opportunity came
while the owner of the bush in ques-
tion was away to church. The boys
went into the bush and had a high
old time on taffy. They wish us to
state that none of them were shot.—

Cured of Rheumatism.
Mr. Wm. Henry of Chattanooga,
Tenn., had rheumatism in his left
arm. "The strength seemed to have
gone out of the muscles so that it
was useless for work," he says. "I
applied Chamberlain's Pain Balm and
wrapped the arm in flannel at night,
and to my relief I found that the
pain gradually left me and the
strength returned. In three weeks
the rheumatism had disappeared and
has not since returned." If troubled
with rheumatism try a few applica-
tions of Pain Balm. You are certain
to be pleased with the relief which it
affords. For sale at Parker's Drug
Store.

Flesherton Vandals.
Among the numerous trials under
which the citizens of this village
labor the least is certainly not that
of the vandal youngsters who delight
in breaking windows. This thing
has been suffered in silence for some
time but patience has ceased to be a
virtue. When one set of vandals
grow up another set seems ready to
take their places. A business man
of this village who has lost many
dollars in the past from broken win-
dow glass wishes us to warn the
guilty youngsters that the first one
caught will be severely dealt with.
An example will probably have to be
made of someone before the annoying
practice is stopped.—Flesherton Ad-
vance.

Whooping Cough.
I have used Chamberlain's Cough
Remedy in my family in cases of
whooping cough, and want to tell
you that it is the best medicine I
have ever used.—W. F. GASTON,
Posco, Ga. This remedy is safe and
sure. For sale at Parker's Drug
Store.

Fell Into Cistern.
There was quite an exciting time
at Mrs. Godfrey's on Sunday after-
noon, all occasioned by an accident
which befel Leonard Schuett, the
three year old son of Mr. and Mrs.
Joseph Scheutt, of Mildmay. Mr.
and Mrs. Scheutt and their little boy
were spending the day at Mrs. God-
frey's, and after dinner the little
fellow went out into the yard to
play. While so engaged, he saw a
stone on the top of the cistern, and
proceeded at once to investigate. It
was a big stone, but round, and easily
rolled off. After removing the stone
he lifted the lid to make further in-
vestigations, leaned too far over the
edge, lost his balance and fell in.
The lid fell back again into its place,
and the little fellow might have re-
mained in the cistern for days with-
out being discovered had it not so
happened that Mrs. Myles happened
to be looking out of the window at
the time, and saw everything that
happened. She at once gave the
alarm, and Ed McIntee, who was
not far away, hurried to the rescue.
He got there just in the nick of time,
for the little fellow had swallowed so
much water that it was only after
much exertion that he was revived.

**A Woman Tells How to Relieve
Rheumatic Pains.**
I have been a great sufferer from
the dreadful disease, rheumatism, for
a number of years. I have tried
many medicines but never got much
relief from any of them until two
years ago when I bought a bottle of
Chamberlain's Pain Balm. I found
relief before I had used all of one
bottle, but kept on applying it and
soon felt like a different woman.
Through my advice many of my
friends have tried it and can tell you
how wonderfully it has worked.—
MRS. SARAH A. COLE, 140 S. New St.,
Dover, Del. Chamberlain's Pain
Balm is a liniment. The relief from
pain which it affords is alone worth
many times its cost. It makes rest
and sleep possible. For sale at
Parker's Drug Store.

Dangers of Ice Route.
Twenty-five bags of mail for Mani-
toun East and four passengers ar-
rived at Little Current at noon on
Monday from Massey over the ice
with single horse sleighs. Capt. Ed.
MacKay also brought a gang saw
feed roller weighing over half a ton.
The ice had gone out from the shore,
but the drivers secured a large cake
of solid ice and got it close enough
to shore to drive on. Then they
moved it out to the main ice and
continued in safety. A strong line
and buoy were attached to the roller
to prevent its loss in case of breaking
through while crossing. One or two
trips more will end the crossing.
Alex. Melver, mail carrier to Killar-
ney, lost his horse through the ice
near Killarney on Sunday. This is
the third successive season for him
to suffer in this way.—Collingwood

**Doctors All Advise
Suitable Spring Tonic**
**Pays You to Get Strong and Nourish
the Blood During Change of Seasons.**
In the spring time the vigor and
resisting power of the body fall very
low. Instead of being rich and
nourishing, the blood is thin and
watery. As a result the bodily
forces become less active, sleep fails
to bring rest. An ever-increasing
tiredness develops into over-power-
ing weakness.
People suffering from this spring
sickness feel heavy and drowsy; they
don't want to eat; they don't enjoy
work—about half sick and half well.
This is just the condition that favors
pneumonia and typhoid and you
must build up as quickly as possible
You must increase your blood supply
and make it rich and red.
The only way this can be done is by
using Ferrozone which is acknowl-
edged to be the most efficient spring
medicine.
The marvelous purifying and tonic
properties of Ferrozone are quickly
felt because the blood is at once sup-
plied with the elements it needs to
become rich and red. It is ironized,
vitalized and rapidly brought to its
normal strength.
The very best ingredients for ton-
ing up the system are contained in
Ferrozone, and if you use it you are
sure to get back your old time
strength and spirits.
If you suffer from debility, in-
somnia, nervousness, loss of appetite,
or any of the symptoms of disor-
dered blood, nothing will so rapidly tone
you up as this great food tonic, Fer-
rozone. Its record of successful
cures, its recommendation by the
public, by druggists and doctors
commends it to every thinking per-
son.
You need Ferrozone to make you
well. Why not get to day? Sold by
all druggists; price 50c. per box or
six boxes for \$2.50.

Barn Burns.
The barn belonging to Philip
Strauss lot 27 con 7, Carrick, was
completely destroyed by fire on Mon-
day morning of this week. Philip
got up early that morning in order
to get his chores done up in good
time, as he intended putting up a
fence for a neighbor that day. As
he walked past one of the horses in
the stable, the animal kicked at him,
one of the horse's feet hitting Philip
in the stomach, and the other smash-
ing the lantern. Mr. Strauss was
knocked out for a short time, and
when he recovered the flames had
gained considerable headway. He
was able, however, to get the stock
and implements out of the barn, with
the exception of a few hens, which
perished in the conflagration. The
building was fully insured in the
Walkerton Insurance Co. This will
be a heavy loss to Mr. Strauss.—

EUREKA!
Yes, I Have Found it at Last.
Found what? Why that Cham-
berlain's Salve cures eczema and all
manner of itching of the skin. I
have been afflicted for many years
with skin disease. I had to get up
three or four times every night and
wash with cold water to allay the
terrible itching, but since using this
salve in December, 1905, the itching
has stopped and has not troubled me.

Gentle and Effective.
A well known Manitoba editor
writes: "As an inside worker I find
Chamberlain's Stomach and Liver
Tablets invaluable for the touches of
biliousness natural to sedentary life,
their action being gentle and effec-
tive, clearing the digestive tract and
the head." Price, 25 cents. Samples
free at Parker's Drug Store.

It Was a Bird.
A bluebird accompanied Mrs.
Simon Harrison to the Methodist
church at Wainfield, N. J. She did
not find out she was not alone until
the services were interrupted by the
attention she attracted. The bird,
after circling around her head settled
in Mrs. Harrison's hat. The hat
was a new creation and the woman
at first supposed it was the cause of
the excitement. Disturbed by the
gaze from all in the church, she re-
moved the millinery and found con-
cealed in its ribbons and feathers a
nest containing four eggs. The hat
was purchased two weeks ago and
was placed in an unused room at
Mrs. Harrison's home. Several pairs
of bluebirds make the Harrison farm
their headquarters. Through a win-
dow left open one couple had enter-
ed and built their nest in the Easter
bonnet. Mrs. Harrison loves birds.
She carefully carried hat and nest
back to the room, her feathered
friend returning with her.—Tiverton
Watchman.

HAVE YOU BRONCHIAL CATARRH?
It is easily recognized by the dry
cough and hoarseness. Not difficult
to cure with Catarrhzone as Mr.
Xavier Babin of River Capelin, Que.,
proved. "No one could suffer from
Bronchitis more than I did. I had a
hard hacking cough that caused me
great pain. My throat was hoarse,
and I had great distress in my chest.
Catarrhzone reached the sore spots
and gave immediate relief. Since
using it I have not had a single at-
tack." Every physician who is asked
about Catarrhzone says it is a
sure cure,—so will you if you try it.
Sold everywhere, 25c, and \$1.00.

57 62 THE CRITICAL AGE
Height of vigor is past—nature's
power slowing down—vitality ebbing
away, endurance decreasing. Stop
the progress of decay, tone up the
weakened nerve centres, impart
vigor to the tiring body—prepare for
the crises. Best means for rebuild-
ing is found in Ferrozone; it brightens
up the whole being, imparts power,
strength, vigor. Old age is pushed
back twenty years, the reliance of
youth is restored, vigor, vim and
new life established. You'll try
Ferrozone, 50c. at all dealers.

**About two hundred Conservatives

contest the Riding at the next elec-
tion to the Ontario Legislature. The
only name mentioned was that of Dr.

Mr. James Coulter, of Brant. The
Doctor on rising was greeted with
hearty cheers. He stated that it was
considerable of a personal sacrifice
for him to be a candidate, but he had
thought the matter over and decided
to again accept the nomination. Mr.
Joseph Downey, M. P. P. South Wel-
lington, took the platform, and deliv-
ered a comprehensive brilliant and
powerful address.—Post.**

**There is no mistaking the superior-
