We are the people's friend and the originators of the cut price system. This firm is a time-tried firm, half a century in business and never had a Sale before. Business built on the rock of public confidence. Seize this extraordinary opportunity that happens only once in a lifetime. Quarter of a hundred sales-people helping the powerful battery of sale conductors. The firm said, "Get the coin and get it quick." Remember it must come from close cash buyers, people that know bargains and pick up the Snaps.

Streets jammed. Just like fair day. People driving from all directions to the great Merchandise Broker's Sale. Opens on Saturday, May 2nd. McKechnie's big store, Durham.
