Varney.

At the last quarterly board meeting of the Varney circuit Rev. Mr. Rogers received a unanimous invitation to remain another year.

Mr. and Mrs. Arthur McCrie left a week ago last Wednesday for their home in Swift Current, Sask., and I am sure that they took with them the very best wishes of all in this neighborhood. We wish them health, wealth and prosperity in their new home. Mrs. McCrie was an active worker in the Sunday School and Epworth League. She will be missed but our loss will be some others gain.

The Ladies Institute met at Mrs. D. McCrie's on the 7th and although a very rainy day about twenty were present and they had a pleasant and also a profitable time. The next meeting will be held in Durham.

R. B.erber has erected a fine wire fence in front of his home. J. W. Blyth had the job.

Miss Agnes Henry from Toronto, visited her sister Mrs. Wm. Clark, from Saturday until Monday week before last, on her way home to see her father who is very poorly.

Mr. and Mrs. D. McCrie gave a party to a number of their neighbors and friends before their son and his wife left for the West. They had a very pleasant time.

Albert McClinton sold a horse last week to Wes. Ball, for which he got a very nice price.

Murray Hoy who has been clerking at the big sale in McKechnie's store for the past few weeks, is home again.

R. Petty has treated himself to a dandy driver to carry him to and from his work. He is attending to the wants of the Ritchie Bros., this summer.

Mr. Clark purchased a shingle mill from C Blyth and has it in working order and is turning out the shingles those days in good style.

A good number from around here attended the entertainment in Allan's school for to sell the autograph quilt gotten up by the ladies of St. Paul's church.

Miss Jennie Gray who has been at the London Hospital for a number of weeks, came home last week and we are glad to report that she is getting along nicely. She underwent a critical operation for the removal of a cancer on the face. The Dr. cut a piece from her leg and grafted it into the place where he cut the cancer out.

Maggie McCalmon left Varney by the 3 o'clock train in company with Arthur Sewell, for Listowel, and we hear that on the following Wednesday they were united in the holy bonds of wedlock. It caused a lot of talk as people thought she was going to the West to be married. Although Maggie didn't tell us any thing about her intentions still we wish her and the man of her choice a long and happy prosperous life together. They are taking up house-keeping we believe, in Listowel.

Rev. Mr. Rogers attended the District meeting in Mt. Forest on Wednesday and Thursday of last week.

J. W. Blyth attended the District meeting on Thursday as Lay delegate for the Varney circuit, and was there appointed delegate to the Hamilton Conference to be held in Hamilton, beginning the 3rd of June.

Mrs. Wm. Bryons had the misfortune to again break her arm about an inch from the place where it was broken in the winter. It is really too bad, as she was only nicely able to use her arm from the first break.

Mrs. Wm. Clark and all the children but Robbie were visiting at her father's for three or four days last week. She expects to leave this week to join her husband where he has gone for the summer to saw for R. Smith.

The Hillis family moved last week to Durham and the Ball family have moved into the house vacated by them.

The flag was floating over our school on Friday and Monday to commemorate Empire and Victoria days. A patriotic program was given by the children from three to four on Empire day.

Max Allan and his sister Edith, our teacher, drove out to Dundalk on Saturday to visit their cousins. They returned on Sunday evening.

Fanny Grasy, in company with Thos. Sewell left on Saturday for Listowel where they spent Victoria day returning Tuesday.

There were about twenty-five of the young people had a private picnic in Blyth's bush on Victoria day gotten up by some of the girls from Poplar Hill. They had a fine time. They had a game of ball in the evening.

Two of our Varney girls are married already this spring and we still hear of two more that intend to do likewise in the near future. Our girls will soon be all gone at that rate.

Maudy Barnett spent Victoria day with her cousin Winnie Blyth.

"HECLA" Fused Joints

Mean a Clean, Smokeless Home.

A warm air furnace, that will not leak gas or dust, provides an ideal heating system. It combines economy in first cost—and in operation, a plentiful supply of warm air and perfect ventilation. That is why "Hecla" Furnaces are made with FUSED JOINTS.

Where steel and cast-iron come together, the metals are fused or welded, so that they practically become ONE. This fusing (a Clare patented process) makes the "Hecla" absolutely dust, smoke and gas, tight.

There are a dozen and more other special features about the "Hecla" that you will appreciate almost as much as the FUSED JOINTS.

So let me send you the new Hecla catalogue, which gives all the details of construction. If you send me a rough plan of your house, I will tell you just what it will cost to install the "Hecla" Furnace. Write NOW to the "Hecla Furnace Builder" care of

Better Cooking.

An economical way to get it is in the 1 lb. bottles.

Holstein.

E. E. Kells, medical student and formerly principal of the seat of learning here, was a Victoria Day guest of friends here, and entered heartily into the sports.

Bert Edwards, of Moorefield, was the guest of his brother here for a few days lately.

Rev. Mr. Harris, of Guelph, Inspector of the Humane and Children's Aid Societies, conducted services in the Methodist and Presbyterian churches on Sabbath.

Victoria Day anniversary day was celebrated in our burg in a manner becoming a truly loyal people. The day was ushered in with the usual discharges of the civil ordinances. The forenoon passed off quietly but in the afternoon all repaired to the park where numerous games and sports were freely indulged in, which resulted as follows:—

Throwing the baseball—E. E. Kells, 277 ft.; R. Carey, 276.

Quite an unique feature of the afternoon was the contest between Rev. J. Little and Dr. Jamieson, M. P. P., in the shot putting and throwing the hammer, the latter winning in the former contest and the former in the latter contest. The day's proceedings were brought to a close by the annual concert and entertainment under the auspices of the Public Library. The Carey Bros were present with their popular moving picture and song program. The large hall was filled to overflowing, the proceeds at the reduced rate amounting to over \$70.00.

Traverston.

Seeding is done, stoning and rolling completed and this week finds our farmers sheepwashing and clipping, sowing mangels and corn, and planting potatoes.

There was the true ring of patriotism and a perfect fire of enthusiasm in the sermon Rev. Mr. Jamieson preached in Zion on Sunday. 'Twas a masterly oration, with a fine, spiritual application.

Mr. and Mrs. George Ryan Jr., of town, with sunny-faced, baby Verbea, were guests of Mr. and Mrs. Wm. Firth on the holiday.

Miss Annie McArthur and her brother George of Owen Sound, spent from Saturday till Tuesday with Mr. and Mrs. George Blair and relatives.
