### Bunessan.

(Intended for last week)

A charming matrimonial event took place on June 17th at the home of Mr. and Mrs. John Beaton, of Glenelg Centre, when their second eldest daughter Ida was united in marriage, by Rev. W. L. Newton, of Durham, to Mr. Henry Eckhardt, oldest son of Mr. John Eckhardt, of Top Cliff. The bride who was given away by her father looked beautiful dressed in a gown of white silk and carried a handsome bouquet of white carnations. She was attended by her sister Miss Emma Beaton, who was dressed in white also. The groom was supported by his brother Mr. John Eckhardt.

The presents received were numerous and costly showing the high esteem in which the bride was held by her many friends.

About ninety guests sat down to the wedding dinner, after which Mr. and Mrs. Eckhardt left for Flesher Station, where they took the 4.30 train for Toronto, where they will spend a short honeymoon. On their return they will reside at Top Cliff where Mr. Eckhardt has been a prosperous farmer.

We wish the young couple much happiness and prosperity through life.

Mr. Archie McArthur is having a new kitchen built to his house. Mr. John Maher, of Pomona has the contract of the carpenter work and Mr. Malcolm McMillan is doing the stone work.

Mrs. Thos. McComb of Darkie's Corners, spent a few days visiting among old neighbors in this burg recently.

Mr. John Kennedy of the Toronto Police Force, holidayed at the old home here last week.

#### THIS WEEK'S NEWS.

Mr. and Mrs. Thos. McKeown and Mr. and Mrs. Crispin Stonehouse, spent Sunday at the home of Mr. Neil Livingston of the 12th con. Glenelg.

Miss Katie McFarlane who went to Fergus Hospital some three weeks ago to undergo an operation for appendicitis, returned Saturday last. Although she is not altogether recovered yet we are glad to see Katie back in our midst again.

Mrs. Hugh Edwards spent a few days visiting her sister Mrs. Jesse Edwards, of Glenora when she is sorry to say is seriously ill.

Mr. C. H. Kennedy attended the funeral in Toronto, last week of his cousin, Mrs. McTaggart, who died on the 19th of June.

Mr. Malcolm McMillan has taken the contract of building the stone wall for Mr. John Stewart's barn. As Malcolm is a good mechanic, the job will be all right.

Mr. Thos. Curran and wife, the latter who has been boarding with Mrs. Pinnock, have gone to Toronto on a few holidays.

Mr. Ira Pinnock, returned from Niagara Camp on Saturday last and he reports a good time this year.

Mr. Donald McKinnon and daughter Miss Sarah, of Corbetton, renewed old acquaintance in this burg last week.

The crops in this locality are looking fine at present, and if they keep so we will have an abundant harvest.

A number from this burg attended the funeral in your town of Mr. Alex. Bell Jr., who some few years ago was a neighbor in this burg. Sandy as we used to call him, had many friends here who greatly lament his death. Our deepest sympathy goes to the bereaved family in their time of sorrow.

Mr. Archie Beaton's barn raising came off O. K. on Friday last. The day was a fine one for the occasion.

Sorry to hear that Mr. Hugh McArthur, of the north line, being under the Dr.'s care. We hope to see him around soon again.

Mrs. Poole got slightly stunned by lightning while coming from town on the 22nd inst. We were glad it was no worse.

#### Edge Hill.

Mr. Thos. Firth left last week to spend the summer in New Ontario.

Mr. John Moffat, of Greenoch, visited the Ector families in this vicinity recently.

Miss Mary Dixon, of Dromore, was visiting at Mr. D. Edge's for several days.

Mr. Geo. Ritchie has disposed of his driver to Mr. Wm. Black, of town.

Our teacher, Miss Woodrow, leaves this week for her home near Beaufield. Pleased to learn that the trustees have engaged her as teacher for a year.

Mr. Roberts and son, Cecil, of Toronto, were guests of the Greenwood families here during the past week.

Mr. Dan. H. Firth, who is attending business college in Toronto, came home Saturday for a couple of weeks' holidays.

Mr. D. Edge and daughter, Miss Amy, were in Hanover on Monday.

The English church auxiliary met at the home of Mrs. S. Edge on Monday.

Mr. and Mrs. Archie Ector are enjoying a few well earned holidays with friends in Greenoch.

The trustees have erected the flag pole at the school. It is a dandy, straight as a whip, and about thirty feet high. We hope to see the flag floating from it on Dominion Day.

On Tuesday afternoon the little two months' old child of Mr. and

Mrs. John Sutherland died at the home of Mr. Thos. Banks. The funeral took place on Thursday, Rev. Mr. Bice officiating. To the bereaved parents we extend our sincere sympathy in their hour of sorrow.

Two very severe storms passed over this neighborhood on Monday and Tuesday of last week. During Monday's storm Mr. Thos. Greenwood's leg barn was blown down, breaking both wheels of the seed drill stored in it. Then on Tuesday evening Mr. Thos. Ritchie's barn was struck by lightning and damaged considerably, but fortunately it did not take fire.

The Edge Hill Union Sunday school held their picnic in Mr. Wm. Edge's bush on Wednesday last. It was a lively afternoon for a picnic, and all enjoyed themselves. The earlier part of the afternoon was spent in swinging, playing ball, and in social intercourse. After tea there was a number of interesting races for the children, after which came the baseball match between the married and the single men. This has been a feature of our picnic for several years, and the married men have always had to take second place. This year, however, there is a decided change, as the married men won by a score of 17 to 5. Following are the two teams:—

Married—C. H. Moffat, p.; W. J. Ritchie, c.; John Moffat, s.; Geo. Ritchie, 1b.; Tom Ritchie, 2nd.; Archie Ector, 3rd.; Joe McNally, Wm. Ritchie, Wm. Edge, J. N. McFayden, fielders.

Single—Cecil Roberts, p.; William Williams, c.; Vic. Williams, s.; H. R. Ritchie, 1b.; W. G. Firth, 2nd.; Joe Firth, 3rd.; Jas. Edge, Heron Edg., A. Greenwood, Edgar Ritchie, fielders.

#### Hampden.

The Hampden baseball team defeated Ayton in an exhibition match last Friday at the home of the conquered team. The score was 33 to 20, in favor of Hampden. The following is the line-up:—

Hampden—A. Smith, c.; Means, p.; J. Blasing, 1b.; J. Leith, 2b.; H. Gadd, 3b.; A. Means, s.; Norman Kerr, lf.; W. Carson, cf.; Albert Shull, rf.

Ayton—H. Zettle, c.; J. Fawcett, p.; H. Schaefer, 1b.; T. Daersum, 2b.; R. Wenger, 3b.; L. Winger, s.; A. Dietrich, lf.; R. Geppel, c. f.; A. Widmeyer, rf.

Normanby, gave excellent satisfaction in his capacity of umpire.

Mr. Jacob Yandt had a bee last Friday shingling his barn, and during the same time the women of the neighborhood were plying their needles in quilting for Mrs. Yandt.

Mr. Geo. Horst, of Niagara Falls, is visiting friends in the neighborhood. He had his camera with him, and will carry home a number of photos.

Mr. Henry Yandt is all smiles since the arrival of a daughter, last week did some damage to Mr. Alf. Widmeyer's residence. The current came down the wall and entered the cistern, which was badly wrecked, so that the water ran into the cellar, and caused considerable dirt and trouble.

Hampden union picnic will be held next Saturday afternoon in Derby's grove, when Ayton will play a return match of baseball.

Mr. A. Widmeyer is having a barn raising this Thursday afternoon.

#### Darkie's Corners.

It is our sad duty this week to chronicle the death of Mr. Andrew Lindsay, of Invermay, Sask., formerly of this place, which took place on the 17th of June. The sad news was received by his brother, Robert, of this place, on Monday last. Andy was well known in this part and respected by all who knew him as a bright and obliging fellow. He left here for Invermay a couple of years ago, accompanied by his brother, Edward, and sister, Margaret, and met with an accident on the 6th of January, falling off a Presbyterian church in course of construction, and where he was engaged as a foreman. He fell injured his spine, and no doubt, led up to his death, which was caused finally by hemorrhage of the lungs. He leaves five brothers and two sisters to mourn his departure, viz: Joseph, in Superior, Wis.; John and James, in White Fish, Montana; Edward and Mrs. Archie Campbell, in Invermay; Mrs. John Crane, in Walkerton, and Robert, on the old homestead. We extend our sympathy, with that of the community, to the bereaved ones.

We also regret to learn of the death of Mr. Alex. Bell, Jr., of your town, and extend our sincere sympathy to the sorrowing ones in this their hour of trouble.

Mr. Allan Bell is in Toronto.

Mr. Allan Robertson of Hamilton, is spending the holidays in town.

Miss McLean, of Pricetown, and Miss Hill of Toronto, spent Dominion Day with Mr. and Mrs. Robt. Burnett.

Mr. Willett, of Toronto, was present at the funeral of his brother-in-law, the late Alexander Bell.

Big bargains in Men's Hats, hard and soft felts, black and stylish shades—over one hundred fine hats up-to-date shapes at half price. The House of Quality, H. H. Mockler.

THREE weeks ago a Durham man taught his dog, a fine well bred, well behaved setter, to chew tobacco. Now the dog never scrapes his feet on the door mat, never goes to church, is careless at meals, gets burrs in his tail, stays out at night, goes with a low class of dogs, and it is feared he is beginning to take an interest in politics.

JAS. HEFFERMAN, the scout for Hamilton seniors, was in Durham last week trying to land Pete Matheson, the star point player of the north. No offers could induce Pete to leave the haunts of Camp Creek, especially as his baseball nine are striving hard to win the Saugen League pennant.

### THE SIMPLE LIFE, SURE.

London, June 15—In a wood about 30 miles from London lives an old man, who for 20 years has known no other roof than an umbrella. "Twenty years ago I took to the woods," he said. "During the great snow storm a few weeks ago I slept soundly, and when I woke up I was covered with snow many inches deep. But I am never ill. I have not had a day's illness in my life. I have lived, simple, single life, and I have no more worry than that tree has. I have no rates or taxes to pay. I have no wife to bother me, and I have plenty of friends."

"How do I live? Well, all the village people know me, and they provide me with tea and bread. A man does not need much to live on, you know. I am quite happy under my old umbrella."

"I can sew as well as a tailor, and I mend all my clothes. I have several changes of clothing. I have clean shirts, socks, boots, and other things there. I have my bath in the woods and wash my things there. No one ever interferes with me. I never light a fire, and I never ask for money."

"When darkness comes on I put up my big umbrella, take my boots off, put my legs into a sack, and cover myself up with clothing, on top of which I place this mackintosh, and settle down for the night."

When the bread or cake or pastry comes from the oven light, crisp and appetizing, you are wont to say you have had good luck with your baking.

The "good luck" idea is a relic of the time when housekeepers pitted their competency against poor flour. To-day good baking isn't a matter of good luck in any home where

### Royal Household Flour

is intelligently used. In the hands of competent housewives it never fails because it is the whitest, lightest, purest and best baking flour to be had.

If the goodness of your baking is due to chance, your grocer is giving you the wrong kind of flour. Ask for Ogilvie's Royal Household.

## No Honing—No Grinding

You know from daily experience, at home or in the barber shop, that the question is—"Why doesn't a razor hold its edge uniformly from heel to head without honing and grinding?" Whether it is a safety, with the certain tax of new blades, or the ordinary open-bladed razor does not alter the question. You want the comfort and satisfaction of a clean, smooth shave every morning with the confident knowledge that your razor will be ready for instant use the next time needed.

The Carbo Magnetic razor is the only razor unconditionally guaranteed to do this. Thirty years of study on the razor situation has perfected a new secret process of ELECTRIC TEMPERING that positively merges every particle of carbon (the life of steel) into the metal—giving a diamond-like hardness uniformly throughout the blade—something absolutely impossible with fire tempered steel—used in making all other razors.

But test this razor in your own home—or if you prefer, have your barber use it on you. Give us your name, or call and see the "Carbo Magnetic" razor, and we will state our position for testing these razors without obligation on your part to purchase, together with our free booklet "Hints on Shaving." This book illustrates the correct razor position for shaving every part of the face.
