Categorical Bargain.

"A corruptionist," said Senator Dewey, "once entered a voter's house in the voter's absence, he pleaded his cause to the man's wife. Finally spying a wretched kitten on the floor, he said:

"I'll give you \$25 for that animal, ma'am."

"She accepted those terms. The corruptionist thrusting the kitten in his overcoat pocket, rose to go. At the door he said:

"I do hope you can persuade your husband to vote for me ma'am."

"I'll try to," said the woman, "though Jim's a hard one to move when his mind's made up; but any how you've got a real cheap kitten there. Your opponent was in yesterday and gave me \$50 for its brother."

Are You a Dyspeptic?

Nine people out of ten suffer from dyspepsia and don't know it. Half the pale cheeks, poor appetite and sleepless nights are the direct result of dyspepsia. The cause lies in failure of the stomach and the kidneys are clogged, and unable to do their work. Nothing puts vigor into those organs so fast as Dr. Hamilton's Pills. They tone up the whole digestive system, regulate and strengthen the stomach, absolutely cure dyspepsia. Simple to take and sure to cure,—better try Dr. Hamilton's Pills.
