TRY OUR TEAS Butter and Eggs Wanted S. SCOTT DURHAM, ONTARIO

clergyman, thought that Orangemen should go into politics, not only to regulate the evils of party, but to work against the common and growing evils of graft.

Dr. Sproule, the Grand Master for British North America, on rising expressed his pride at the large gathering assembled on the occasion. He was pleased with the rapid growth of the organization. We were here, he said, to honor a great event, to honor the name of William Prince of Orange for what he gave to humanity, which he designated as Religious Liberty and Birthright of Freedom.

Mr. Miller, the newly appointed Anglican minister of Dundalk, expressed a few words of loyalty, and Mr. Robinson, of Markdale, the County Chaplain, made a few remarks on the necessity for observance of Bible reading in connection with members of the Order.

Mr. Woods, the candidate who opposed Mr. McEwen in a recent election, gave a very fiery address expressive of his loyalty to Protestantism and Orangemen, which made for the liberty of all and was not a political organization. It was non-political, non-partisan, but might be designated as the watch-dog on the watch-tower of civil and religious freedom.

Proton Station Lodge, No. 244, got the prize for largest attendance, there being over 100 present.

Swinton Park, No. 1133, got first prize for band, not brass or silver, and Dundalk True Blues got 2nd.

For best uniform, Dundalk True Blues got 1st prize, and Swinton Park, No. 1133, got 2nd.

We were unable to get some of the prizes, but will give them next week.

Mr. Wm. Patterson, of Irish Lake, 85 years old last Friday, and Mr. Robt. Aljoe, Sr., of Durham, who will be 84 in October, were both in attendance.

Swinton Park, No. 1133, captured first prize for best marching, and 1202 Proton got second.

The weather was on its good behavior, not a drop of rain having fallen until six o'clock, when a heavy down-pour wound up the proceedings.

It is estimated that over a thousand Orangemen were in the procession.

They celebrate in Durham next year, and we hope to see the citizens united in providing the accommodation. It takes an effort to feed the multitudes on such occasions. Dundalk certainly deserves much credit for their efforts.

A number attended the L. O. L. church parade last Sunday and were delighted with the sermon and reception they received at the Baptist church.

A very pleasant and enjoyable time was spent at the home of Mr. and Mrs. Thos. Walla's on the evening of July 28th, when their daughter Ellen, was united in marriage to the son of her choice, Mr. John Wesley Storey of Durham. Just at a quarter past six to the strains of the wedding march played by Miss Thomasena Byers, the groom took his place under a beautiful arch, followed by the bride, beautifully attired in a white lustrre, carrying a lovely bouquet of flowers in her hand and leaning on the arm of her father.

They celebrate in Durham next year, and we hope to see the citizens united in providing the accommodation. It takes an effort to feed the multitudes on such occasions. Dundalk certainly deserves much credit for their efforts.

HONEST, BUT WORTH WATCHING.

Mr. William Irvine, of Hebermehl, has a letter in last week's Review charging the Chronicle or the Officials in charge of the last election returns with what we presume was an error in reporting the returns from Lamplash polling subdivision in which Jamieson was given 53 and McCannel 49 according to our report. According to Mr. Irvine's statement the figures should have been reversed, giving McCannel 53 and Jamieson 49. These, we presume are the correct figures for that particular polling place, and the error could easily be remedied by calling our attention to the matter. He says, "Now whether it was negligence, incapacity or deliberately falsifying the record I cannot say, but it is unfortunate that there should be even a suspicion that the Officials in charge of the ballots had been altering or tampering with the true statement of the polling returns."

Mr. Irvine may be the honest man, he would have us believe him to be, he may be the careful and accurate man, he would have us believe him to be and he may be just as truthful as he would have us believe him to be, but notwithstanding all his virtues he shows himself up in such a way as to lead one to believe he's worth watching.

Nobody ever thought of misrepresenting the returns, and above all why should a newspaper make a false return deliberately when the truth could be so easily found. But "Little things are great to little men," and our little error has furnished sufficient food for Mr. Irvine to rush into print, and exercise his itch for scribbling.

KNOX CHURCH UNION PICNIC.

The Union Picnic at the closing of the school, and recent opening of the Sabbath school at Knox church, Normanby, was held in Mr. Carson's bush on Tuesday, June 30th last, when a program, consisting of drill, singing, and recitations, and the instruction of Miss Adair, most efficient and amiable teacher, most pleasingly rendered. Miss Adair, who retires after a three years service as teacher and active church and church worker in the community, and who, in her sojourn there, has won the respect and esteem of all with whom she has come in contact, was presented by her pupils with a gold chain and bedroom clock, a well merited and thoroughly appreciated gift.

The following address was read in making up the presentation and fittingly acknowledged by the recipient.

Dear Teacher,--We have learned, with deep regret, that you are about to sever your connection with us and enter another field of labor. We can testify to your earnest and faithful efforts on our behalf during the past three years; to your judgment and tact in the management of the school; and as the goodwill and kind feeling manifested to us as pupils, and we wish to show in some tangible manner, our appreciation of your earnest endeavor to advance our interests, as well as the section generally.

Therefore, we ask you kindly to accept this gold chain and clock as a token of our love and esteem, and which, we hope, will often call to mind the happy hours spent with many friends in S. S. No. 1, Normanby, and as you go along the pathway of life, we trust you will have a happy and prosperous journey, and by and by, when the trials of life are ended, that On the banks of the river We may meet no more to sever, In the bright, the bright forever, In the summer-land of song, Signed on behalf of the school, MYRTLE CALDWELL MARY BACKUS, MINNIE KELLAR, DINAH THOMPSON.

Darkie's Corners.

Quite a large number of people from this part took in the Orange Demonstration at Dundalk Monday last, and enjoyed themselves immensely. We also noticed the "gender" among the throng taking in the sights. It took five coaches to accommodate the crowd over the new line.

Mrs. Chas. Sparing, of Chatsworth, visited her aunt, Mrs. T. McCormick, part of last week.

Rev. J. McDermid, of Portage la Prairie accompanied by Mr. McCeech, of Pricerville, called on Mr. and Mrs. T. McComb one day last week.--Hamden.

Mr. Geo. W. Walter, employed at Wetzlauffer's saw-mill left here on Sunday morning with a bicycle for his home in Gravhurst, Muskoka, a distance of 160 miles. George will remain for a couple of weeks renewing his old acquaintances before his return to the mill.

Mr. and Mrs. Thomas Ball and family spent the past week with their friends in Mount Forest.

Miss Grace Gilmour and a young gentleman, both of Hanover, spent Sunday pleasantly at the old home on the 16th concession.

Mrs. Charlie Birr is a little under the weather this last week. She is attended by Dr. Easton, of Axton. We wish the old lady speedy recovery to her usual health.

Mr. Hughie Ball, of Mount Forest, spent Sunday with his nephews, Thomas and Jacob Ball.

The Hampden Base-ball team drove up to Poplar Hill on Saturday evening to play a friendly game of base-ball, but when our boys found up they had to play against a picked team of Poplar Hill and Durham. The game was played well on both sides and the score stood 17-13 in favor of Hampden. Mr. Robert Watt of Durham made a very satisfactory umpire.
