County and District. Sure Cure

A Harriston lady, Mrs.. W. Rankin, had a narrow escape from death on Tuesday of last week. In a bottle was some Gillett's Lye, a crystallized ash and strongly resembles Epsom the body. salts, prepared and took a dose. She was almost entirely overcome and though the doctor expects to pull her through she had a very narrow escape.-Litsowel Banner.

It Has Killed Hundreds.

Strong purgatives have killed many a good man. Costiveness is bad-violent cathartics are worse. If bothered with stomach trouble or billiousness, try Dr. Hamilton's Pills. They are so mild you can scarcely feel their action, yet so effective that the entire system is cleansed of wastes. Dr. Hamilton's Pills move the bowels gently, they tone the kidneys, assist digestion, egear the skin. For those subject to colds, billiousness, languor, there is no better medicine. Try 25c. box of Dr. Hamilton's Pills.

Wm. Ramage is not so accurate a stone thrower as was the Psalmist. On Tuesday evg. a town cur ran at his horse and William heaved a stone at the canine. The dog is still barking and looks as happy as McConnel's dog in the News cartoons and William's antipathy to dogs is great-

cution.-C. S. DUNSMOOR.

Passed the Century Mark.

For the deaths of three British centenarians to be chronicled on the same day must surely be an almost unique occurrence. The names and ages of these veterans are: Mrs. Margaret Fagan, 104; Samuel Goldstein, 106; and Mrs. Honor Coleman, who died from the effects of a fall at the reputed age of 107 years, thus recalling the similar fate of the famous Catharine, Countess of Desmond, whose life of 140 years was brought to a tragic close by a fall from a cherry tree.

There are some who look with more than suspicion on any age which claims to exceed a century, and probably the titles of many reputed cen-This can be promptly done with tenarians, especially in the humbler walks of life, would not bear close

But the records prove conclusively that Sir Moses Monteliore and Admiral Provo Wallis lived into their second century; that M. Conerbe, a French farmer, survived his 112th birthday; that M. Soule, another Frenchman, died at 115; that a Roudition of the system is changed into manian, one Pascal Viacirn, lived 120 a reserve of vigor that defies further years, and that an Armenian nun entered a convent at Jerusalem at 17, Marvelous in its reconstructive and and never pasted its threshold to the day of her death, ninety-eight years later .- Westminster Gazette.
