IN A BREATH THERE'S REEF

Breathe Hyomei and be cured of Catarrh, Asthma, Bronchitis.

Nature has a remedy for catarrh, epidemic colds and bronchitis which is far better than dosing the stomach with medicine and drugs.

It is the healing oils and balsams of Hyomei which medicate the air you breathe, reaching the most remote air cells in the nose, throat and lungs, killing all catarrhal germs and restoring health to the mucous membrane.

Hyomei acts like a curative internal air bath, and has the same healing and antiseptic effects as the air which the Pine and Eucalyptic forests give off their fragrant and healing balsams.

Breathe Healing Hyomei and how quickly you will get relief from catarrh and head colds. If it doesn't help you there will not be a penny's expense, as Macfarlane & Co. agree to refund the money. The complete outfit costs only \$1.00.

The paper and profane paragraphs it sometimes would stamp its duction unfit for general circulation. A surfeit of slander is not the better thinking class.
