### Flesherton.

East Grey Fall Fair held here on Thursday and Friday last was favored with fine weather and proved a pleasant outing for the hundreds who assembled to meet and greet old friends who perhaps had not met since last fair day. Though the exhibits were not as full in all lines, nor the attendance quite up to last year, the Fair was on the whole good from an agricultural standpoint. In several lines the exhibits were better in quality than last year. In heavy draught horses Mr. T. L. Mercer and Mr. J. A. Kernahan were the prize winners with very fine animals. In the agricultural class Asa Hill and Levi Betto won the red and blue tickets respectively. In general purpose class the prizes were awarded to John Elliott, Asa Hill and J. J. Aitken. In carriage horses handsome spans shown by Henry Bradley and J. M. Davis, who were the prize winners, and in roadsters C. Nobie was given the red ticket. For single driver the prizes went to James Crowston and D. McTavish. In cattle and swine the exhibit was fairly good, but in sheep it was the best ever on the ground, which is doubtless due to the special prizes by County of Grey Oxford Down Breeders' Association, the specials being won as follows: Oxford Down lambs—W. Patton, L. Loughheed, R. Arnett; Oxford Down ram—J. Loughheed, R. Arnett, G. Grummett; Shearling ewes—W. Patton, J. Loughheed, R. Arnett; Best pen of Down sheep—W. Patton. Alex. Muir was a prize winner with two fine pens of Cotswolds and Leicester. In poultry there were a lot of fine birds shown by W. H. Thurston, Rev. L. F. Kipp and exhibitors from Durham. The Government Judges on horses and cattle were Robert Park and R. W. Wade. The sports were witnessed with much interest, especially the dog race, which was won by E. Jamieson and R. Whittaker. Men's race, once around the track, A. M. Sheppard, A. S. Thurston; men's race (over 45 years of age), 100 yards, R. Whittaker, T. Roward; boys' race (under 16), 150 yards, H. Karstedt, G. Buchanan; boys' race (under 12), J. E. Howard, R. McAuley, B. Whittaker; girls' race (under 16), 100 yards, Cora Hutcheon, Elsie Wright, Kate Wilcock. On Friday evening a splendid entertainment was given in the drill shed, at which Donald McGregor, baritone, and Will J. White, comic, were the attractions. Mr. McGregor, who sang here on the 1st of July and delighted his audience with his magnificent voice, was given a hearty reception. He again sang with wonderful power and pathos, and was compelled to respond to nearly every number. Mr. White, who appeared here for the first time, kept the audience in roars of laughter and was compelled to respond to the hearty encores given. Mr. C. E. Bodley, of Toronto, accompanist, who is a very accomplished musician, delighted the audience with beautifully piano solo. Mr. E. H. Neun, of Toronto, also gave a well rendered piano number. Mr. Geo. Mitchell presided in a pleasing manner. Flesherton Citizens' Band entertained on the grounds during the afternoon and also took part in the entertainment in the evening. The proceeds of the Fair—gate receipts, \$203 15; booths, \$12 00; entertainment, \$103.70; total, \$318 85.

Boyd Bros. and F. G. Karstedt's fall millinery openings last week were very successful. Miss McBean, who is in charge at the former place, and Miss Wilkinson at the latter, had each a beautiful display of trimmed goods in the latest styles, and also a splendid assortment of the newest things in trimmings and novelties of the season. The show rooms were artistically decorated, and the display in each was inspected by a large number of lady patrons.

The entertainment under the auspices of the East Grey Teachers' Association to be held here on Thursday evening, October 8th, gives promise of being the treat of the season. The programme will consist of selections by Miss Elsie Dixon Craig, elocutionist and impersonator, and musical selections by the best local talent. Of Miss Craig, the leading Toronto papers say: "She has a perfectly controlled voice of unusual quality, ranging from almost a deep baritone to a high falsetto; vocal and facial expression are alike excellent. Her greatest success is in 'Vocal Contrasts' (which she will render here). In this poem written for her by Mr. Owen Smily, his tones vary from the cry of a young child to the deep bass of a political orator."

The Liberals of East Grey held a convention here on Saturday, at which Mr. E. Raymond, of Thornbury, was chosen as their candidate to oppose Dr. Sproule in the coming election. C. W. Hartman, P. McCullough, Dr. Brown, John Boland, R. Carruthers, J. C. Patterson, H. Guy and J. D. Morgan were nominated, but after making short speeches withdrew in favor of Mr. Raymond. Other speakers were Thos. Grainger, W. McLoughery, J. Culles and Mr. Hulbert. Officers were elected as follows: President, J. C. Patterson; Vice President, R. D. Carruthers; Sec.-Treas., J. E. Foster.

Successful anniversary services were held in the Methodist church on Sunday, when appropriate and inspiring sermons were preached by the chairman of the District, Rev. J. S. I. Wilson, of Markdale, a former very highly esteemed pastor, who was heard with much pleasure by his numerous friends here. The choir rendered special music, and the church was prettily decorated for the occasion. The thank offering amounted to about \$105.00. Mr.

# "Hecla" Furnace

Means Perfect Heating without Gas, Dust or Smoke.

The "Hecla" Furnace is the only Furnace with Fused Joints.

These Joints are made by fusing the steel and cast iron parts together at white heat making an indestructible joint. Fused Joints are permanently airtight. Even after 20 years' use they will not work loose or leak. They insure absolute freedom from dust, smoke and gas.

The Steel-Ribbed Fire Pot used on the "Hecla" Furnace has three times as much radiating surface as any other style of fire pot. It will save fuel for you and give you more heat. It extracts from the fire, heat that would otherwise go up the chimney.

Let us show you the 1908 "Hecla" and explain all the latest improvements in detail. Made by the makers of "Peerless Peninsular" Ranges.

Through his solicitor Mr. W. B. Wright, Mr. W. J. Bellamy has received settlement from the C. P. R. Company of claim for damages by injuries to his son in the Caledon wreck. The case was down for hearing at the assizes at Owen Sound this week, but by amicable settlement has been removed from the docket. We understand the claim of Councillor Wright, of Vandeleur, whose wife was also injured in the wreck, has been settled through his solicitor, Mr. Lucas.
