CORRESPONDENCE.

Traveston.

Rev. T. Farr, of Gorrie, his sister, Miss Maggie, and Dr. Grant, of town, spent the first of the week at the Robson home.

Miss Laura Reed and Miss M. E. Hunt, of Markdale, spent Saturday and Sunday at the latter's old home here.

Mr. John McNally drives the colts with the noblest set of harness ever seen on the 6th. They were purchased from Mr. J. Kinnear of town.

Mr. Thos. E. Blair has ever had the longing to be a railroad engineer, so is up in Owen Sound at the present time in the C. P. R. works, and will soon know, whether he likes it better than farming.

While on a visit to her daughter here in June, Mrs. Hudson, of Bentinck, had a stroke of paralysis that for a time made even the doctor think the end had come, but day by day she rallied and under the tender care and good nursing of Mrs. J. J. Paart she has so far recovered her old vigor, that she was able to be removed to the home of her son, John, on Friday of last week. She is a woman of most wonderful recuperative powers.

Wednesday, October 14th was an ideal day for a wedding—the sun so warm and bright, the sky so softly blue, the woods all aglow with autumnal beauty. A very pretty one in which this neighborhood was much interested, took place at the residence of Mr. and Mrs. Wm. McNabb, 97 Barton Ave., Toronto, when their daughter, Miss Barbara, was united with Mr. Charles Grant Robson, second son of Mr. and Mrs. Adam Robson of this place. Rev. Mr. Sinclair, who performed the ceremony, had done like service for the bride's parents in the by gone days. The happy couple are spending the honeymoon with relatives here. The bride is a most amiable young lady and "Charlie" was always one of the most popular fellows reared in this neighborhood and his success in educational and financial circles have not spoiled him a whit. They leave here on Tuesday for Toronto, and after a few days will start for their home in Edmonton, carrying with them the heartiest good wishes of a host of friends.

Corner Concerns.

Mr. Geo. Lepard, of Proton, visited friends in this part last week.

Mr. James McLaughlan was over at Proton Station last week to visit his mother-in-law, Mrs. Pollock, and reports her slightly better of her severe illness.

Mr. Robert Smith with his self feeding machine is cleaning out the barns along the line. He is a general favorite in this neighborhood.

The Union S. S. people are putting forth their best efforts to make their entertainment of November 3rd a success. Revs. King and Kendall will be there.

Mr. Wm. Chapman, of Saskatchewan, is over on a visit to his mother, sisters and many other friends. It is more than a decade since he left here.

The congregation of St. Paul met on Friday night and put the church in suitable garb for thanksgiving service, and Rev. W. H. Hearty preached a very appropriate sermon to a well filled house on Sunday.

The Eden brothers completed their contract of putting a bent to Barber's barn with neatness and dispatch. Mr. Wm. Hass also showed how quickly he can now raise a building with his tackling.

Our school grounds have been nicely levelled and seeded to grass, and it gives a much improved appearance to the place.

Mr. C. Elvidge, of Durham, was engaged last week giving the outside woodwork of the church another coat of paint. He's an obliging fellow and willingly rendered good service in decorating the church for thanks giving.

Although it has been decided by three different courts that barb wire fence is a nuisance and a menace to the life and limb of animals, far stronger proof was given the other evening at the conclusion of a lengthy court sitting. A pretty little gray horse that was tied to the barb wire fence looked as if it had been run through a sausage machine up to the knees.

There has been a terrible bungle made in this polling sub-division over the selection of a polling booth. The

house used on former occasions by the Reform party was named and inserted in the proclamations. The house is in as good repair as it ever was and the occupants quite as worthy as of yore, but the owner openly asserts that he cannot conscientiously support Mr. Miller, so they claim they are going to take the voting to a place where they will support him. The Grits have been boasting right along that they give appointments of postmaster and other such offices, all things being equal, as quickly to Conservatives as to Reformers, and we have no doubt but what they do, but the present instance would lead us to believe that they take them away again just as quickly if they don't vote Miller at the first opportunity.

Our teacher, Miss Clara Aljoe, has sent in her resignation to our school. She has spent her three years in good faithful service, which has been duly appreciated, and wishes to enjoy a few months well earned holidays at the beginning of the year before going to Normal.

Hutton Hill.

Miss M. J. Cuff intends taking a trip to Toronto and remaining for Thanksgiving.

Mrs. Thos. E. Hutton expects to spend Thanksgiving with friends in Mount Forest.

Mr. and Mrs. Harry Wemp, nee Miss Margaret Jane Hutton, Fillmore, Saskatchewan, had their home brightened on the 6th inst. by the arrival of a baby boy. Mother and child are doing well.

The Sunday School sacred concert held last Friday night was a great success socially and financially. Rev. Mr. Farquharson, of Durham, acted as chairman and filled his place well and gave witty and appropriate little speeches and remarks between each selection. Also kept genuine order. We were also favored with Rev. Mr. Dynes, of Varney and Ebenzer, who gave a very suitable and well chosen address for the occasion, namely, Remember thy Creator in the days of thy youth. He divided this sentence into three principal parts: 1st, Religion, 2nd Education, 3rd, Exercise, showing how each of these are very essential to manhood. While Mr. Dynes spoke chiefly to the children, the older ones could greatly profit if they inwardly digest his speech. Other numbers on the program were as follows: Stand up and up for Jesus sang by the school; Papa come this way, sang by Mrs. Thos. E. Hutton. She also sang Only Remembered by what I've done, and gave a reading, Shaping Destiny Baby's Logic and the New Brother were recited by Miss Nina Noble. The City Lady and Somebody Else were recited by Miss Sadie Lawrence. God be with you till we meet again was sung by the school. The Philosopher Conversion was ably read by Miss C. H. Hutton the Glory Song following. Messrs. Hubert Noble, George and James Langrill also assisted, Hubert giving playing teatering, James, Boys make men, George, I'll try and I will. Miss Bessie Milligan, Bolting down the sap; girls and boys singing G. Double O' d good; Miss Jean Picken. Why cats eat before they wash; Evelyne Sharp, Fastidious; a pray song by little girls, The Lord is thy Keeper; Miss Nina Noble and Sadie Langrill gave a dialogue, The custard pie; The Bar was given by Miss C. H. Hutton; The closing day by Miss Sadie Langrill; then God Save the King. The program was properly arranged, but as it would take too much room to have it written correctly we just send it to press in this form. Miss C. H. Hutton was organist for the evening and the way the children and every person did their parts showed that they were well trained. As Miss C. H. Hutton has trained the young folks for three years for their Sunday School sacred concerts she desires to thank them for the way they have always acted, showing that they appreciate the efforts that were put forth for them.

Edge Hill.

Mrs. D. Edge and Mrs. W. Ritchie were visiting friends in Owen Sound.

Miss Maggi Edge has gone to town to learn dressmaking.

Mr. and Mrs. John Firth visited at Ebenezer the beginning of the week.

Inspector Campbell paid his semi-annual visit to our school on Monday.

Mr. and Mrs. Corlett, of Dornoch, were visiting Mrs. Corlett's uncle.

Mr. Thomas Greenwood, this week. Mr. Greenwood, we are pleased to say, is doing nicely.

Mrs. C. Firth, of Bunessan, spent a few days last week with friends in this vicinity.

Messrs. Jos. Firth and William Ritchie were in Markdale on Saturday.

Rev. Mr. Farquharson, conducted a prayer meeting in Grange Hall on Thursday evening last.

The Edge Hill Fresh Beef Association met at the house of Mr. R. Ector. As the president, Mr. Thos. Greenwood was absent through illness, Mr. Thos. McFadden was voted to the chair. All the business of 1908 was satisfactorily disposed of and the ring organized for another year. The following officers were elected for 1909.—President, Geo. Aljoe; Sec. Treas., W. J. Ritchie; Inspectors, D. Edge, Thomas Ritchie, R. Ector; Auditors, C. H. Moffat, W. G. Firth; Butcher, Thomas Turnbull.

WHAT THE KIDNEYS DO

What Booth's Kidney Pills are Doing for Durham, Ont., People.

All the blood in the body passes through the Kidneys every three minutes.

The Kidneys filter the blood. They work night and day to daily remove about 500 grains of impure matter. If they fail some part of this impure matter is left in the blood, bringing on pain in the back, headache, dizziness, irregular heart, hot, dry skin, rheumatism, gravel, dropsy, deposits in the urine. Booth's Kidney Pills make the filtering right and overcome Kidney trouble. Hundreds of Grey County residents have found this out. Mrs. Ge. Ryan, of Lambton St., Durham, Ont., says: "For years I had suffered with a miserable dull pain across the small of my back and extending into my sides and shoulders. I would be unable to straighten myself up at times and could not stoop to lift anything. Headaches and spells of dizziness were frequent and left me in a most miserable condition. I had not found relief in any of the many different remedies and had thought there was no relief for me. I learned of Booth's Kidney Pills through an advertisement and procuring a box at Mr. McFarlane's Pharmacy, they quickly regulated the kidneys. My back strengthened and the pain left it. I have not suffered with dizziness, headaches or languidness since and feel glad to recommend Booth's Kidney Pills." Sold by dealers. Price 50 cents. The R. T. Booth Co., Ltd., Fort Erie, Ont. Sole agents.

Simplicity or Verbosity.

"If I were to give you an orange," said a prominent judge, "I would simply say, 'I give you an orange.' But should the transfer be entrusted to a lawyer to put in writing, he would adopt this form:

"I hereby give, grant, and convey to you all my interest, right, title and advantage of and in said orange, together with its rind, skin, juice and pits and all rights and advantages therein, with full power to bite, suck, or otherwise eat the same or give away with or without rind, skin, juice, pulp or pits, anything herein before or in any other deed or deeds, instruments of any kind or nature whatsoever to the contrary in any wise notwithstanding."

Many Down With Pleurisy.

Doctors say the country is full of it. First comes a chill, then cold develops—the inflammation grows—you can't draw a long breath—lungs and sides get sore, and pleurisy sets in. A good home-cure consists in taking twenty drops of Nerviline every four hours. Supplement this by vigorously rubbing the sides and chest with Nerviline, and when warmth and circulation are established, put a Nerviline Porous Plaster over the aching spot. Nerviline Treatment is always successful in colds, neuralgia, and pleurisy. Try it yourself.

Hard on the Messenger.

Tommy had been spanked by Miss Smith and the teacher had not reached the points where she felt she could do justice to him in spite of all his naughtiness.

"Send him to me when you want him spanked," said Miss Manners one morning, after her colleague had related his many misdemeanors.

About 11 o'clock Tommy appeared at Miss Manners' door. She dropped her book, grasped him firmly by the hand, led him to the dressing room, turned him over her knee and administered punishment.

When she had finished she said:—"Now, Tommy, what have you to say?"

"Please miss, my teacher wants the scissors," was the unexpected reply.—Success Magazine.
