Flesherton.

Miss Mamie Sullivan left last week to take a position at Lakeland. Mrs. John Wright, str., is visiting her sister-in-law, Mrs. Winters. Mrs. J. W. Henderson returned to Toronto on Friday. Miss M. M. Munsie is visiting in Toronto. Mr. Alex. Best who has been very ill is recovering. Rev. and Mrs. Newton, of Durham, spent a couple of days here last week. Mr. and Mrs. Herbert Smita attended Erin Fall fair on Thursday and Friday last. Mr. Chas. Ottwell has gone to Toronto to attend the Veterinary College.

Mrs. (Dr.) Murray has gone to Toronto to undergo further occupational treatment. Mr. Joseph Thomas of Strathroy, was the guest of Rev. L. F. Kipp last week.

Miss Kate Bellamy is at the Proton station visiting her sister, Mrs. John Lyons, who is ill. Mr. and Mrs. Hudson, of Markham, are visiting the latter's sister, Mrs. Andrew Wilson.

Mrs. A. S. Van Dusen and daughter-in-law, Mrs. C. E. Van Dusen, of Chicago, are visiting in Collingwood. Mrs. (Dr.) Webster and little daughter, Helen, are visiting the former's parents, Mr. and Mrs. Richardson, this week.

Mrs. R. R. Fulton, Woodstock, is visiting her sister, Mrs. (Dr.) Carter, and will be accompanied home by her mother, Mrs. E. E. Carter. Mr. Henry Hosman, who is yet in a critical condition of health, is returning this week to Toronto for further treatment.

Councilor Best's youngest daughter, eight years old, is at present dangerously ill with measles, a trouble which has been epidemic recently. Rev. L. F. Kipp preached a practical and interesting sermon to parents on Sunday morning last, "What to do with that boy or girl" was the theme of the speaker.

Evangelist Hardy spoke on question: "Amusements on Monday evening" and in a convincing address showed the danger of indulging in card playing and the modern dance. Messrs. John Hales, Edgar Vaughan and Harry Carling were on the parade on Monday on the highway's excursion in August, returned home last week. Mr. Carrington proposes moving his family to the west.

About twenty-five of the young people attended the Presbyterian town supper at Eugenia last week, which was very successful, the proceeds being over \$100. Rev. Alex. S. Pepper, of Markham, will exchange pulpits with Rev. L. F. Kipp next Sunday, and in addition to preaching he will conduct anniversary services morning and evening at Proton.

Mr. and Mrs. John Nuhn recently moved into their new residence, two and a half stories, built of cement blocks. Arrived with a new pattern in the face, the handsome residence is a credit to Mr. Nuhn and an ornament to the town. The continued dry weather has caused many bush fires to break out about us, and many farmers have been seriously injured. Many fences have been burnt, and Mr. Wm. Wilcock has lost about thirty cords of cord wood.

Dr. Sprouts will hold a political meeting here in the town hall this Monday evening, and Mr. Leonard Liberal, will also hold a meeting on Friday evening. The Dr. will doubtless receive his usual good majority in Ardenia next Monday.

A quiet marriage was celebrated by Rev. Dr. Caldwell at the parsonage on Wednesday afternoon of last week when Mr. Alex. Rawcutt and Miss Eva Bertha Hutcheon, both of Empress, were joined in wedlock. The young couple were attended by Mr. Samuel McClung and Miss A. Hutcheon.

The residence of Mr. Daniel McDonald, one of the town's best, was the scene of a quiet but pretty wedding on Wednesday afternoon of last week when his only daughter, Miss Margaret, was married to Mr. Thomas C. Mayo, of Owen Sound. The ceremony was performed by Rev. G. C. Latta, B.A., of this place. After the marriage a dainty supper was served and later the happy couple left on the evening train for their new home at Owen Sound.

The funeral of the late James Neilson, Jr., of Proton station, which took place to the public cemetery on Sunday was largely attended. Rev. G. C. Latta of this place conducted the funeral services. Mr. Neilson met with injuries which resulted in his untimely death by jumping from a rapidly moving freight train at Proton on Monday of last week. He was twenty-two years of age and is survived by his young wife to whom he was married about a year ago.

Sad bereavement came again to the home of Mrs. Andrew Rutledge, of Cayton, on Sunday last, when her son, Mr. Edward Rutledge, a highly esteemed young man, 19 years of age, was called away. The loss of a son in which there is yet but slight improvement, is keenly felt by his deeply sorrowing mother who lost her husband only six months ago. The funeral took place to Flesherton cemetery on Monday afternoon. Rev. Dr. Caldwell officiated, conducting service at the home.

Mr. Percy Trumble met with a bad accident on Tuesday of last week from which he has since been in a critical condition. While in a tree picking green nuts, the limb upon which he stood gave way and he fell about fifteen feet to the ground, the impact rendering him unconscious. He was some time afterwards found by his father and after being carried home was examined by Dr. Carter who discovered no broken bones, but such concussion of the spine as to cause paralysis of the lower limbs, in which there is yet but slight improvement. Percy's numerous friends sympathize with him and hope for speedy improvement.

The death of Mr. Frank Holman, of the 4th line, Ardenia, which occurred early on Tuesday morning of last week was a shock to the community. Two weeks previous he was apparently recovering until Monday when he suddenly took worse and in a few hours passed away. The deceased, who was sixteen years of age, was the second son of Mr. H. Holman, who has been an invalid since the Galton wreck over a year ago. Mr. Holman, who was in Toronto under treatment of the serious illness of his son, and on Tuesday noon when he arrived here, was greatly shocked with the sad news, that he had passed away. Since his father's injury Frank took the place of a

Large trees from small acorns grow

The prizes given at the Fall Fairs have been discussed in every home, and it is rightly so; and it is also well to keep in remembrance the native crop, the crop of trees, if we may so call it. Many a home in the Western Prairies have their homes furnished with furniture made from our soft elm, basswood, birch, pine and maple. The quality could not be surpassed, but it is of the sizes we wish to speak. We know of OUR soft elm log, ordinary length, round and straight, containing 1,200 ft. pine..... We know the farms on which these trees grew, and We will give a self-opening umbrella to the first person who will tell us the lot on which any one of these grew but only one umbrella to each informant. But what about the maple? This sturdy emblem of our nationality, within summer, its beautiful foliage, the maple leaf, the Maple Leaf For Ever. Changes must take place in all that pertains to humanity, but the name of McKechnie's, which was well-known to the people here when Chicago was a hamlet, is still to the front, at, we might say, the old stand. We do not claim to be better than other business people, for we consider they are all honest, but we try to buy the best quality of goods at the lowest prices. We are working for ourselves and also our customers.

man on the farm and was developing splendid young manhood. Converted at special meetings some months ago he united with the Baptist church here and was an exemplary young Christian. The funeral took place to Mount Zion Cemetery on Thursday afternoon. An impressive service was conducted by Rev. L. F. Kipp.

HYMENEAL.
ELLIOTT—ROBERTSON.
A quiet wedding took place at the home of the bride's mother at Pricerville on Wednesday afternoon, October 7th, when Miss Emma Robertson, daughter of the late Mr. Robert Robertson, was married to Mr. Henry Elliott, of Winnipeg, auditor for the C. N. R. Company. The ceremony, which took place at 1:30 o'clock, was performed by Rev. L. F. Kipp, B. A., of Flesherton, in the presence of only a few immediate relatives of the contracting parties. The bride, who was given away by her mother, was attended by Miss Annie James, of Pricerville. Mr. Albert Chapman, of Toronto, was groomsmen. Mr. and Mrs. Elliott left on the evening train for Toronto, and will take an extended trip visiting several American cities before reaching Winnipeg.
