Not a Dollar's Worth of the Stock will be moved away

Notice to The Public

We wish to inform the public of Durham, Grey County and vicinity that Wednesday, Nov. 11th, Thursday, Nov. 12th, Friday, 13th, and the last day of the sale, ending Saturday, Nov. 14th, these four days will positively be the last four days of the National Salvage Co.'s sacrifice sale of Alex Russell's clothing, dry goods, shoe, hardware and grocery stock. For these last four days of this quit business, closing out sale the prices on every article left will be absolutely smashed to smithereens. The entire balance of this stock of clothing, dry goods, shoes, men, women and children's wearing apparel, hardware, groceries, etc., have now been divided into special lots, and remarked at a terrific reduction, which will sell out every article at the most unheard of low down prices ever placed on good quality clothing, dry goods, shoes, etc. Every article will be disposed of by Saturday night, Nov. 14th. If you have any regard for the value of your money, if saving a full dollar on every two dollars bought-means anything to you-then drop everything and make arrangements to be here for the last final four days terrific clean-up and final disposal of Alex. Russell's entire stock. Former wholesale cost of the goods have not been considered at all, as the National Salvage Company have remarked the balance of this entire stock, which has b en put to slaughter at prices that will amaze you. Our reason for making this great sacrifice on the balance of the stock is - that we don't propose to pack or ship any goods away. We want to save cost of freight, packing, etc, and we are going to sell every article in the store in these last four remaining days of the sale. Everything must go, regardless of former cost or value. It will pay you to come one hundred miles to attend this last four days' sale of Alex. Russell's stock, and in justice to yourself and your pocketbook you really cannot afford to stay away. Let all who possibly can get to this sale before it closes on Saturday night, Nov. 14th, as the money you save in this sale on wearing apparel, etc, is practically so much money earned for you. All preparations have been made for these last four days of the sale, in order to serve the immense crowd of people who will naturally want to attend this sale before it close, Saturday night, Nov. 14th. Act quickly, and come before to late and secure the greatest bargains in clothing, dry good. - wes, men, women and children's wearing apparel, hardware, a ce ies, etc., that has ever been your privilege to partake of. It is really a pity and a shame to sacrifice such a good quality stock, such as Alex. Russell carries, but it had to be done, he was forced to quit business in Durham Therefore we have taken the balance of the stock and cut it down to the lowest possible limit at about 40 cents on the dollar in order to sell everything in these last four remaining days of the sale, Wednesday, Nov. 11th, Thursday, Nov. 12th, Friday, Nov. 13th, and the last day of the sale, which will break all previous selling records, big Saturday, Nov. 14th. Those needing clothing, dry goods, shoes, etc., this sacrifice sale is in reality a veritable God send, as it is right at the time of the year when you are thinking of replenishing your needs for the Fall and Winter. Make your arrangements to be here on one of the last four days of this stupendous, closing out, forced, quit business sale of Alex. Russell's entire stock, now being closed out at Durham, Ontario. The sale positively ends Saturday night, Nov. 14th, and that day will long be remembered as the most terrific day's sacrifice of good quality clothing, dry goods, shoes, etc. a sacrifice such as was never before made on any stock in the entire province of Ontario. The last four days of the sale, commencing Wednesday, Nov. 11th, and ending Saturday night, Nov. 14th, these last four days will produce such an avalanche of majestic clothing, dry goods, shoe, hardware and grocery bargains, as will take the town by storm. and it will arouse such a response from the people that commercial circles will be astounded and would-be competitors will fairly gasp! It will be a bargain earthquake of low prices on good quality clothing, dry goods, shoes, etc., that will be remembered in the town of Durham and vicinity for the next ten years. Make no mistake, be sure you find Alex. Russell's store, now in the hands of the National Salvage Company, who are now closing out the stock at Durham, Ontario. Remember that Saturday, Nov. 14th, is the last day of Make your plans accordingly, and secure clothing, dry goods, shoes, hardware groceries, etc, at one half their actual value.
