A special meeting of the I.O.O.F. will be held in their hall on Monday evening, December 7th. A full attendance is requested.

Just as we go to press we learn of the death of Mrs. Samuel Whitmore, a resident of this locality since 1847.

Commencement Exercises will be held in connection with Durham school on Friday, December 4th, when medals will be presented and a good program rendered.

Mr. and Mrs. W. Black, of Garafraxia street, are mourning the death of their little four months' old son, Burnett, who passed away on Wednesday morning from a severe attack of bronchitis.

Change of Night.—The regular meeting of Ben Nevis Camp has been arranged for St. Andrew's night, Monday, 30th of November, instead of the Friday following. All members are urged to be present, as a social and literary evening is to be held, as well as nomination of officers.

Tenders are asked for in this issue for the cleaning out of the Hopkin's jam in the Saugeen River. This has been a bone of contention for a long time but will likely be settled shortly. We understand Dr. Jamieson was instrumental in bringing the Provincial Inspector here from which there will be definite action soon.

The new organ in the Presbyterian church is a handsome structure, and the congregation is to be congratulated on their enterprise in putting in so fine an instrument. It is a two manual pipe organ containing about 625 pipes. The console has a roll top with interior fittings of polished mahogany. The case is quarter cut oak and the front pipes are handsomely decorated in gold and colors. It was manufactured in Woodstock by the Warren Church Organ Co., who have manufactured some of the best organs in Canada and the United States. It will be driven by an electric motor.

DIED.

What Would You Do?

In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar. For sale by all drug stores.
