

For that Dandruff

There is one thing that will cure it—Ayer's Hair Vigor. It is a regular scalp-medicine. It quickly destroys the germs which cause this disease. The unhealthy scalp becomes healthy. The dandruff disappears, and the hair grows again. A healthy scalp means a great deal of healthy hair, no dandruff, no pimples, no eruptions.

Best kind of a testimonial—old for over sixty years.

CORRESPONDENCE.

McWilliamsville.

Mr. and Mrs. R. J. Scott, of Fielding, Sask., visited the former's sister, Mrs. W. Watson, for a couple of days last week. Mr. Scott was formerly one of the most intelligent youths of this vicinity, and we are pleased to learn of his success and prosperity in the West.

Misses Wm. Brown and Wm. Zuffelt are engaged in cutting wood for Mr. Eckhardt.

Mr. Andrew Picken's sale is billed for Monday, December 21st, when he intends to dispose of all his stock and implements. Andy intends going West, and his absence from here will cause a great vacancy as he has provided himself a most industrious and social neighbor.

After a most successful year the regular annual meeting of L. O. L. 1192, was held on Monday night, Dec. 7th, when the following officers were elected:—

- Wor. Master G. A. Brown
- Dep. Master J. Brown
- Chap. G. Aljo
- Rec. Sec. Jas. Brown, jr.
- Fin. Sec. Geo. Ritchie
- Treasurer Thos. McFadden
- D. of C. W. T. Brown
- Lecturer Henry Lawrence
- Committee James Brown, Jas. Hopkins, Joseph Watson and Donald Watson.

We attended the concert in Wilder's school on Thursday night last, which was a grand success. The program, which consisted of songs, dialogues, recitations and instrumental music, was attentively listened to by a thronged house. Rev. Mr. Kendall of Drummond, performed the duties of chairman, and we can say the big fellow conducted his part well, commanding order throughout the program. As we expect a detailed account from other quarters we will drop the subject.

Edge Hill.

Mr. D. Edge was in Mount Forest on Tuesday.

The first meeting of our Literary Society held on Friday evening last was a great success. It was very interesting to both old and young to hear the early history of our neighborhood discussed. Our next meeting is to be held on Saturday evening, December 26th, when the history of our township will be studied.

On Tuesday evening last Mr. and Mrs. James Edge celebrated their diamond wedding. Mr. Edge was born in the county of Wicklow, Ireland, on Jan. 25th, 1823, and emigrated to this country with his parents in 1844. In 1848 he settled on the farm on which he now resides, and excepting eight years, during which time he was manager of Edge Mills in Durham, has always lived here. Mrs. Edge, nee Maria Davis, was born at St. Charles, near Quebec, on August 18th, 1823, and at the age of 29 came to Glenelg. On Dec. 8th, 1848 she was married to Mr. Edge. On Tuesday evening all their children and grandchildren, excepting Mrs. Jopp and family, Moosomin, Sask., and Mrs. W. Davis and family, of Bigot, Man., met at their cosy home here. Tea was served about six o'clock. At the head of the table was Mr. and Mrs. Edge and around sat the children and grandchildren and Mr. and Mrs. George Whitmore. After tea Mrs. W. Scurr read the following address, while Mrs. W. Ritchie presented the bride and groom with a handsome mantle clock. A very suitable reply was made, after which the remainder of the evening was spent in games, etc. The following is the address:—

Edge Hill, December 8, 1908.

Dear Father and Mother,—

We, your children and grandchildren have met with you at this time on the 60th anniversary of your wedding day. Very few ever reach their diamond wedding and our first thought is one of thankfulness that you have been spared for so many years to each other and to us. We cannot express the pleasure there has been to us during all these years in enjoying your companionship and love. We feel that God has been good to us. Your influence upon our lives has ever been strong and true, and becomes more lasting as the years go by. Then too, not only have we known and been blessed by your love, helpfulness and sympathy, but it gives an added joy to know that throughout your life others have been cheered by you, and held your names in high esteem, regard and affection. Feeling them our gratitude to God and our love to you, we come at this time and present you with this clock and may it still count out many happy hours and years to your already long life. Our wish is that God may guide and bless you both till the journey's end.

Signed,—
Mrs. William Ritchie,
Mrs. William Scurr,
W. R. Edge,
W. J. Ritchie,
Valena Edge,
Marie E. Ritchie.

Only One Painless Corn Cure.

Corner Concerns.

Mr. W. McFadden, jr., was in Owen Sound last week as juror.

Mr. L. Allan returned home last week from Saskatchewan. Mr. Allan used to work on the dredge at Cement Lake and it still seems an attractive place to him.

Mr. James Allan went to the Guelph Stock Show last week and remained over till Monday with friends and relatives in Grimby.

Mrs. E. Mathews, we are sorry to report, is very low with pneumonia and no bright hope for her recovery except a good constitution and cheerful disposition.

While our budget is saddened this week by the death of a respected citizen, possibly our next will be enlivened by the wedding of one of our good young lads.

Mr. James Allan, who recently returned from Sioux City, has engaged to accompany the leaders of the Bender Twine Company that he works for, to Mexico to select a tract of land suitable for the growth of cecl from which to make a cheap class of rope and twine.

The school concert in Sec. No. 42 was a great success in every way, a crowd of house an excellent program and good order. Over \$25.00 was taken in at the door after the scholars and entertainers had been admitted free. Rev. Kendall of Drummond, occupied the chair in a very pleasing manner. The choir of St. Paul's church sang very sweetly and pleased the audience very much, but principal part of the program was by the pupils in singing, recitations, dialogues and big talk by representatives of Uncle Sam and the Emerald Isle. The program throughout reflected much credit on the teacher, Miss Janne Irwin, for her skilful training of the scholars. Had the night not proved so stormy we imagine there might have been some games in the school grounds by those who would have been unable to gain admittance.

This week it is our sad duty to report the death of one of the few surviving pioneers, Mrs. E. Chapman, wife of the late Thomas Chapman. A week ago Sunday she attended the sacramental service in St. Paul's church, and came early enough to contribute to the special collection for the S. S. expenses. Just one week from then she was taken down with heart trouble, and by Saturday, the 12th, the exceptionally cheerful spirit had taken its flight to the land of rest. The deceased was born 71 years ago in the county of Tyrone, Ireland, and emigrated to this country in her girlhood with her parents. Mr. and Mrs. Bogle, and engaged in pioneer life on the 2d Con., Normandy. At the age of 18 she wedded the man of her choice, Mr. Thomas Chapman, who predeceased her twelve years ago. The happy family were blessed with thirteen children, five dying in childhood, and Lucinda (Mrs. T. Pollock) upwards of twenty years ago. The surviving members are William of Mt. Forest, Mrs. James Baird of Normandy, John of Markdale, David of Nevada, and Samuel on the old homestead, where deceased has lived since her wedding day. Lot 18, Con. 2 Egrement, Mrs. Robert White of Artois, and George at home. In religion she was a member of the Church of England, but in the absence of her pastor, Rev. E. Rev. Little of Holden, conducted the funeral, on Monday, which was largely attended. The remains was laid to rest in Maple Wood Cemetery, all the surviving members of the family being present except David. A beautiful floral wreath was laid on her coffin by her son, Mr. John Chapman of Markdale.

Swinton Park.

Wood boxes are quite numerous in this vicinity the last few weeks. Messrs. John McLeod, Wm. Kinsman, James Knox and Hugh Wilson have had a quantity of wood cut. They can afford to take in the winter months leisurely.

A sleigh load of the youth from here took in the S. S. entertainment at Sackett's Corners last Tuesday evening. Rev. Matheson gave certificates and diplomas to some of the S. S. pupils for memorizing the scripture. All appeared to be well pleased with the entertainment.

Miss McGregor of Dundalk spent Sunday with Mrs. D. McMillan.

Miss Alma Shell is spending a while in the Park.

Mrs. Magg Knox Sundayed at her home here.

Managers of the school here have Mr. Beanish of Dundalk, drilling the well deeper in the school ground.

The public school here has been secured by a company who are going to exhibit moving pictures on Wednesday evening, Dec. 16th.

The young people and S. S. scholars are endeavoring to make the Xmas entertainment, which is to be held on December 23rd. Our pastor purposes giving certificates, diplomas and seals in order of merit. Come early and secure a seat.

Quite a number from here went to the concert in Ploverville last Friday evening and report a good time.

Muloch.

We are glad to know that Mr. A. Trainer is able to do a little work again after having his arm broken.

A sleigh load from our town attended Ebenezer box social and report a pleasant time.

Mr. James Redford is home from Rainy River and a locking jne. Although one ticket brought him down, we believe it will take two for the return.

Our Christmas Tree Entertainment is set for the 22nd inst., and as Muloch has a record hard to beat for getting up a Xmas tree, it needs no puff. Especially the singing by the little girls.

Mrs. L. Britton is learning dress-making in town.

Mr. Joseph Porter has been working in Glenelg for a few weeks.

Who is the lady that sent a post card through the post office, wanting an honest husband?

The municipal pot 's being fired up a little. Mr. J. Murdock is talking of coming out as he has been asked by many ratepayers; also we believe Mr. Mark Will's has consented to allow his name to appear on the Ballot for reeve. From his former experience in the council we think he would be a very economical man at the head of our board, as our taxes are extremely high. Mr. Murdock has had no experience, but we have no doubt that he knows what economy means, and no doubt some of the old council have a fair mind.

We are sorry to learn that Mr. Squire has been ailing for some time.

Mr. W. Brown took in a party at Ayton last week.

Sackett's Corners.

Our second winter has set in and each day adds a little more of the beautiful to improve the sleighing.

Mr. George Haw's sale took place on Friday, the 11th inst. Stock and other effects was sold at a fairly good price. He intends leaving for Port Hope soon.

The Sabbath School Christmas Tree Entertainment held at the Corner on Wednesday, the 9th inst., was a grand success. Rev. Matheson, of Ploverville, and Rev. Kendall of Drummond, attend d. The encouraging remarks given by Rev. Matheson with regard to the Sabbath School started here in so humble a manner, ought inspire the workers with hope to go on with the good work even in the face of difficulties. The program was very good, both little and big doing justice to the pieces rendered. The crowning feature for amusement was Mr. W. Campbell's phonograph; it is certainly a fine instrument and the musical record good, which was shown by the way he was enjoyed, and he showed his good nature by favoring the audience with a second selection.

Mr. and Mrs. W. Sackett and family have moved into Mr. J. C. Campbell's house at the Corner. We are pleased to see a light in the windows once more and welcome our new neighbors.

Mrs. Aaron Ernest has returned home after an absence of a few weeks.

Flesherton.

A pretty wedding took place at the residence of Mr. Martin Phillips, Collingwood road, on Wednesday afternoon of last week, when his son Frank, of Toronto, was joined in marriage to Miss Margaretta Wilson, Hullitt, Huron county, who has the past two years taught the Rockvale public school. The bridal party stood beneath a prettily decorated arch of evergreens, and the ceremony was performed by Rev. Little of this place. The bride, who was prettily gowned in satin, was attended by the groom's sister, Miss Vera Phillips, who wore white China silk. Mr. Finlay Hoy was best man. After the marriage and congratulations by the guests, who numbered about twenty-five, a choice wedding breakfast was served, and later Mr. and Mrs. Phillips were accompanied to Flesherton, taking the 4.30 p.m. train for Toronto where they will reside. The bride travelled in a handsome suit of navy blue silk with hat to match. The wedding presents were numerous and choice.

On Tuesday afternoon of last week the public school at Rockvale was the scene of an interesting farewell given to the teacher, Miss Willson, on the eve of her marriage. There was a good attendance of parents and friends of the school, and Rev. Kipp was called upon to preside. Miss Willson was presented with a silver butter dish, knife and berry spoon, accompanied by an appropriate address to which she fittingly replied. A pleasing program was afterwards rendered.

On Friday evening last about twenty-five young people went on a sleighing party to the home of Mr. and Mrs. W. McMullen, west back line, and a jolly evening was spent in Mr. and Mrs. McMullen's commodious new residence.

Mr. W. P. Crossley met with a painful accident while unloading poles at the station on Friday last. Mr. Crossley's hand got caught between the log and canthook and before released the thumb was badly lacerated. Nine stitches were inserted the dressing the wound which was attended to by Dr. Carter.

Delay in Choosing Gifts Means Disappointment

Waiting until the last day before Christmas to select gifts invariably means disappointment for the giver and less satisfaction to the recipient. People who choose gifts early get the cream. Don't be a late one and have to take what's left.

Plenty of Gift Goods Now

A visit to our store now will settle all your gift giving problems. There's something desirable here for anybody to whom you desire to give. Don't waste your time seeking elsewhere but come here first. Holiday money goes farther here than elsewhere because we bought heavily and right. In fact we were never able to offer such values as our stock affords this year.

Come Often

We do not urge anybody to buy who comes here. There is no need of it; our goods sell themselves. What we do urge is that you inspect our goods and to do so just as early as you can. It will take more than one call to see everything so you had better start in at once.

Gifts for Ladies
