

# BIG MILLINERY SALE!

## Still Continues

Though we have enjoyed unparalleled success during the past week, and have greatly reduced our stock, we still have a number of bargains to offer you. We have done what we said we would, and our best advertisement is the multitude of satisfied customers who favored us with their patronage. We are determined, if it is at all possible, to clear out every dollar's worth of our stock that remains, and not to carry a single line of our headwear into the new year. If cheapness and quality count, we should be successful, as we have placed before the people for their consideration the highest quality of materials and workmanship, and at prices that were never before heard of in this town. REMEMBER THE DATE—THURSDAY EVENING DECEMBER 24TH. This sale will continue until then—NOT ONE DAY LESS, NOT ONE DAY MORE. Again we wish to impress upon you the fact—"WE DO WHAT WE ADVERTISE." and if you wish to take advantage of this sale, you will have to be on time.

Description and Prices speak louder than words. Judge these Values for yourself and act at once.
