Glencol Council.

The Council met on December 15th as per statute. All the members present; the Reeve in the chair; minutes of last meeting read and confirmed. Communications read as follows:—

Minnis Bros., account; W. Irwin, account; Local Board of Health, report; Commissioners for ward 1 and 4 Report of balance of appropriations as follows:—

Table with financial entries and amounts, including Ward 1, Ward 4, Order for payment of Treasurer's salary, etc.

Hunt—Nichol—That the Reeve and Wm. Weir be a committee to inspect the timber on road allowance at Lots 10 and 11, Con. 3, W. D. R. and make a settlement if they think fit and proper.—Carried.

By-Law No. 491 closing original road allowance and establishing a diversion in lieu thereof was introduced and having had its first and second reading.

McMillan—Hunt—That By-Law No. 491 be now read a third time, signed, sealed and engrossed on by-law book.—Carried.

The Reeve having left the chair, the same was taken by E. W. Hunt, when it was moved by Mr. Weir and seconded by Mr. McMillan, that the thanks of this Council are due and are hereby tendered to Mr. Thomas McFadden, Reeve of this Township, for his faithful attention to the business of the Township during the present and former years, and especially the last two years when so many important and complicated questions were brought before him, and for his civility to each member of the Council during so many years and whether in or out of the Council. We, the members of the present Council, will hold him in the very highest respect and good will. And to Mr. Daniel Edge, our Treasurer, we desire to express our gratitude for his ever pains-taking and courteous manner to each member of the Council. We all join in expressing our sincere thanks to him and hope the Township will benefit by his services for many years to come.—Carried unanimously.

The Reeve and Treasurer replied.

The Council then presented the Clerk with a very flattering address, accompanied with a beautiful and costly pair of gauntlets, and assuring him that he need have no scruples in accepting, as it was the free will of the individual members of the Council.

The Clerk thanked the Council for the gift and the expressions of good will in the address just read, and stating that during the twenty-five years he had served as clerk no members of any of the Councils of that period had ever spoken an unkind word to him, and that the special mark of good feeling made manifest by the present Council makes him feel as he would like to serve them twenty-five years more.

The Council adjourned. J. S. BLACK.
