It will be a great game in Chesley, and from what we hear, a big crowd will take advantage of the special train and cheap rates to see it. The train will run over the C. P. bitten on the leg by a dog. The wound never healed up soundly. and I have suffered with an ulcerated leg for over 60 years. At one time, I was an in-patient at the East Suffolk Hospital for a long period, and for three years I was in and out of hospitals with it. I was continually in pain, and the sore would not heal, but continued to discharge.

"Twelve months ago I came out here to my daughter, and as soon as she saw how bad the leg was she sent for a doctor. He gave me some ointment, but it did me no good. Doctors said my leg would never be healed.

"One day my youngest daughter brought home a box of Zam-Buk and induced me to try it. With the first application I seemed to find ease. I kept on with the Zam-Buk treatment, and soon saw that the wound was getting better. I persevered, and, to cut a long story short, Zam-Buk healed up the sore! It is marvellous to think that, after suffering for sixty years, Zam-Buk has been able to heal the wound."

Zam-Buk is superior because it is nature's own healer, composed entirely of pure herbal essences. For eczema, ulcers, cold sores, chaps, abscesses, piles, burns, scalds, cuts, bruises, rashes, etc., it is unequalled. Madam, Stop Buying Your Flour on a Guess

Which do YOU buy, Mistress Housewife? Flour on a GUESS?

Flour on a GUARANTEE?

When you hand over the Hard-Earned-suppose you guessed wrong?

If you can purchase flour that is guaranteed positively, surely you will not buy a "guess" brand which leaves you no recourse in the event of dissatisfaction or loss of good material. As a thrifty kitchen manager,

Madam, YOU will buy FIVE ROSES flour every time-the only "moneyback" flour where you take no chance since every sack is warranted We know, Madam, FIVE ROSES will save you time, trouble, disappoint ment-ay, and MONEY, too. We know what it is doing for thousands of happy housewives, in Canada, in England, in Scotland,

even in South-Africa. A household help for 21 years. * * * *

The label on every sack or barrel is your absolute guarantee, as redeemable as a signed statement, that the flour is RIGHT, the packing right, the baking right, the results right.

When we say FIVE ROSES is right, we mean it is all right. Not one pound, or two pounds at the top of the sack, but the whole sack, the entire barrel from the first cupful to the

very last grain at the bottom. Even if it takes you six months to

reach the bottom, the guaranty still holds-the strongest guaranty ever given by any miller anywhere. FIVE ROSES, Madam, will "make good" every time. Try it for bread. cakes, biscuits, puddings, pies, puffs-anything you like.

Use it down to half the sack. Then if you don't want the flour after that, your grocer will take it back and refund the full price charging you nothing for the flour used. Surely, that's fair enough, isn't it?

Do you know, Madam, why the LAKE OF THE WOODS MILLING COMPANY, a responsible and honorable concern backed by 21 years of "square" dealing, can give this binding pledge, which no other miller

in Canada cares to give? Because FIVE ROSES doesn't need a guarantee. Decide NOW, Madam, whe-

ther to continue buying on a GUESS-Or-Get FIVE ROSES which guarantees YOUR success every time.
