Bunessan.

Mr. Thos. Gray who was so seriously ill a couple of weeks ago, is improving we are glad to say.

Mr. W. P. Pennock took a trip to Holstein, last week.

Mr. and Mrs. Geo. Binnie visited in Chatsworth and Owen Sound last week.

Mr. Wm. Bell and little son of Toronto visited recently at their cousin's Messrs. Dan and Jack McArthur.

Mr. Sam Jackson is at present confined to his bed with a severe throat trouble. We hope to see Sam around in his usual health in a few days.

Mr. and Mrs. Hugh Edwards visited the latter's brother Mr. Robt. Britton of Beninc Sunday last.

Miss Emma Beaton has been under the weather for a few days with a bad cold.

Mr. and Mrs. Thos. Swallow and family called on Mrs. Kennedy last Sunday.

Mr. Archie McArthur (White Archie) had a bee hauling saw logs to town last Friday. He got a fine lot landed considering the number of teams.

Mr. Donald McFarlane's family are all better now after a severe attack of the measles.

The road question in the Glen is not settled yet, but by all reports we think a settlement will be reached at an early day. On account of the council not getting the road bought at the beginning of winter, it has made it very inconvenient for those having logs for sale, they having to draw them many miles farther, either to Priceville or Durham.

Mr. Hugh McLean and his sister Miss Annie of Bntinck visited at Mr. Dan McCormick's on Sunday.

What we would like to know how the two young fellows (boys) got along Sunday night with their girls, as one appeared to be very much out of humor on Monday morning.

Catarrh Cannot be Cured

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free.

You Feel Blue as Indigo

You are sleepless—no energy—bad digestion—irritable nerves—everything seems wrong. You're getting worse. Stop it to-day, end your misery by building up with Ferrozone. It's a food tonic—supplies nutriment and building material—gives weak organs and exhausted nerves the strength they require. With Ferrozone you eat more, digest more, get fatter. Vitality courses through your veins, the feeling of youth predominates, vim, strength and health return for good. Nothing rejuvenates and restores so quickly and permanently as Ferrozone. You'll try it to-day, 50c, at all dealers.

Fig Pills

will fix you up again. They are a splendid Kidney and Liver tonic, and just what you need if you are all run down, spiritless and discouraged.
25c. a box, or five boxes for \$1.
For sale at MacFarlane & Co's.

Impossible to be Well

It is impossible to be well, simply impossible, if the bowels are constipated. You must pay attention to the laws of nature, or suffer the consequences. Undigested material, waste products, poisonous substances, must be removed from the body at least once each day, or there will be trouble. A sluggish liver is responsible for an immense amount of suffering and serious disease. Ask your doctor about Ayer's Pills. He knows why they act directly on the liver. Trust him. J. C. MISS DICK Lambton Street

Make Each Animal Worth 25% Over Its Cost On 1/2 of a Cent a Day

Nobody ever heard of "stock food" curing the bots or colic, making hens lay in winter, increasing the yield of milk five pounds per cow a day, or restoring run-down animals to plumpness and vigor. When you feed "stock food" to your cow, horse, swine or poultry, you are merely feeding them what you are growing on your own farm. Your animals do need not more feed, but something to help their bodies get all the good out of the feed you give them so they can get fat and stay fat all year round; also to prevent disease, cure disease and keep them up to the best possible condition. No "stock food" can do all these things. ROYAL PURPLE STOCK SPECIFIC can and does. It is the largest winner of a "pacer" or "Grand Circuit," '08.

ROYAL PURPLE STOCK SPECIFIC contains no grain, nor farm products. It increases yield of milk from three to five pounds per cow per day before the Specific has been used two weeks. It makes the milk richer and adds flesh faster than any other preparation known. Young calves fed with ROYAL PURPLE are as large at six weeks old as they would be when fed with ordinary materials at ten weeks.

ROYAL PURPLE STOCK SPECIFIC builds up run-down animals and restores them to plumpness almost magically. Cures bots, colic, worms, skin diseases and debility permanently. Dan McEwan, the horseowner, says: "I have used ROYAL PURPLE STOCK SPECIFIC persistently in the feeding of 'The Bell' 2021, largest winner of any pacer on Grand Circuit in 1908, and 'Henry Winters', 2001, brother of 'Allen Winters', winner of \$26,000 in trotting stakes in 1908. These horses have never been off their feed since I commenced using Royal Purple Specific almost a year ago, and I will always have it in my stables."

Royal Purple STOCK AND POULTRY SPECIFICS

One 50c. package of ROYAL PURPLE STOCK SPECIFIC will last one animal seventy days, which is a little over two-thirds of a cent a day. Most stock feeds in fifty cent packages last but fifty days and are given three times a day. ROYAL PURPLE STOCK SPECIFIC is given but once a day, and lasts half again as long. A \$1.50 package containing four times the amount of the fifty cent package will last 280 days. ROYAL PURPLE will increase the value of your stock 25%. It is an astonishingly quick fattener, stimulating the appetite and the relish for food, assisting nature to digest and turn feed into flesh. A hog fattener it is a leader. It will save many times its cost in veterinary bills. One 50 cent package will last twenty-five hens 70 days, or a pair costing \$1.50 will last twenty-five hens 280 days, which is four times more than any other Specific for poultry, not for stock. ROYAL PURPLE POULTRY SPECIFIC is our other Specific for poultry. It is a "laying machine" out of your hens' mouths, and winter, prevents loss of eggs, and cures poultry diseases. Every package of ROYAL PURPLE STOCK SPECIFIC or POULTRY SPECIFIC is guaranteed.

Just use ROYAL PURPLE on one of your animals and any other preparation on another animal in the same condition; after comparing results you will say ROYAL PURPLE has them all beat to death, or else back comes your money. FREE—Ask for ROYAL PURPLE STOCK and POULTRY SPECIFICS, containing all the best and most reliable information about poultry diseases, and full particulars about ROYAL PURPLE STOCK and POULTRY SPECIFICS.

If you cannot get Royal Purple Specifics from merchants or agents, we will supply you direct, express prepaid, on receipt of \$1.50 a pair for either Poultry or Stock Specifics.

Frost Gate Frames Are Welded—Not Coupled

Frost Gates are made of Steel Tubing. In every other Gate this Tubing is connected by threaded joints. These threads cut half-way into the Tube.

Every inch—hinges, latches, and all—are put through this same Galvanizing process. The Frost Gate will now fight off rust.

This deep throat-cutting deprives it of one-half of its former strength. And when subjected to strain, away go those threaded joints.

But the Frost Gate has no couplings. It is welded together. The severest strain will not separate this Welding. Therefore, the weakest parts of other Gates, are the strongest parts of the Frost Gate.

All Frost Gates have a Galvanized finish—not an imitation paint.

The Frame, when bent or shaped, is scoured clean of grease and scale.

The Zinc Galvanizing will now adhere permanently to this thoroughly cleaned Gate Frame. And the Zinc not only spreads over the surface but goes into it, becoming a part of the Pipe itself.

or many, many years, and last longer than any other Gate we know of.

The finish of the Frost Gate is beautiful. It is smooth and silvery, and makes the Frost ornamental as well as useful.

When ordering, don't merely ask for a metal Gate. Say you want a Frost Galvanized Gate.

The Wire used in the Frost Gate is No. 9. This Wire is made and Galvanized by ourselves. It is the strongest Wire of its size in use.
