Fence "Gives" and

simply knocks the
very life out of most Fences.
But all wire is not made
with Canadian conditions in
view.
The Wire formerly used
for the Frost Fence was
made in the States. But
we had it made especially for
us. It gave better satisfac-
tion than most wire, but we
wanted far better.
For that reason we decided to Make and
Galvanize our own Wire. So we built a Mill
for wire-making, and another for Galvaniz-
ing, and installed the most modern Machin-
ery in use.
Then we obtained the services of one of
the most Expert Wire-Makers in America.
A man with 25 years of Wire-making ex-
perience back of him.
The new Frost Wire is Annealed so scienti-
fically that it possesses the proper temper
for Canadian conditions.
Every inch is of uniform temper,
and stronger than any other No. 9 wire.
It will not snap, regardless of peculiar
Canadian weather variations.

Friday, where he is to serve a
term of two years for shooting a
constable, who tried to arrest
him. He laid plans to effect his
escape from Orangeville jail on
the night before his departure,
and would likely be a fugitive
again had his trick not been dis-
covered. He plunged the lock so
as the spring would not catch
when closed on him for the night,
though it appeared to do so. In
addition, a wire was attached to
the door, and the other end was
fastened to Cook's bed. The trick
was discovered by Governor

We have learned on good author-
ity that cases of tuberculosis in
cattle is found in the surrounding
townships, but to what extent, we
have no way of ascertaining. A
short time ago, Mr. Wm. Adlam
killed a cow, and when dressing
it he discovered that the lungs
were affected, and lumps of a pec-
uliar nature had formed on the
inside. The hind quarters appear-
ed to be perfectly good, and might
easily have been disposed of, but
instead of making any such at-
tempt, Mr. Adlam drew the carcass
to the bush and buried it. It was
quite a loss, but there's no telling
what the damage might be if regu-
larly disposed of.

OBITUARY

WILLIAM BOYLE.

Mr. William Boyle died at the
residence of his daughter, Miss
Boyle, 3 Ann Street, Toronto, on
Monday afternoon, February 21st,
in his 90th year.

Deceased was born in County
Antrim, Ireland, in 1820. He came
to Canada in 1841, settling in Ham-
ilton, and later removing to Dur-
ham in 1855. He also lived in Bent-
inck for over fifty years. He was
a member of the order of Orange-
men in Durham.

Four years ago Mr. Boyle moved
to Toronto. In religion, de-
ceased was a Presbyterian, and a
staunch Conservative in politics.

Mr. Boyle married in 1849, Miss
Catherine Robinson, who came
over from Ireland. She predece-
ed him about thirteen years.

Three daughters survive, Mrs. J.
Campbell of Hamilton, Mrs. J.
Coutts, Bentinck, and Miss Cathar-
ine Matilda, of Toronto, also two
sons, Daniel Joseph, and Thomas
Andrew, both of Peacock, Sask.

The remains were interred on
Thursday last in the family plot at
Latona cemetery, having arrived
here by the C. P. R. noon train.
They were accompanied by his
daughter Miss Boyle, of Toronto,
and son, Thomas A. Boyle, of
Peacock, Sask.

MRS. JAMES HOPKINS.

We announced last week the
death of Mrs. James Hopkins, of
Bentinck, but were unable to per-
sonally give an extended obituary.
Her maiden name was Elizabeth
McDonald. She was in good
health until a couple of months
ago, when she became anaemic,
and showed signs of declining
health, till she breathed her last
on Monday morning, the 21st of
February. She was born in Bent-
inck on the 21st of September, 1879,
and was married on the 23rd of
December, 1903 to James Hopkins,
who, with her infant son, remains
to mourn her death.

Her parents, Mr. and Mrs. Thos.
McDonald two sisters, Janet and
Mary, and one brother, James, all
living on the 4th concession, N. D.
R., as well as numerous other rela-
tives and friends, mourn the sad
event.

Interment took place Wednesday
afternoon to Hutton Hill cemetery,
Rev. Mr. Carter officiating at the
obsequies.

HYMENEAL

GIBSON-McARTHUR.

A quiet wedding was solemnized
on Wednesday of last week, at the
residence of Mr. and Mrs. Chas.
McArthur, Glenelg, when their
youngest daughter, Catharine, was
wedded to Mr. David Gibson, of
Durham.

The ceremony took place at two
o'clock in the afternoon, and was
witnessed by only the immediate
relatives of the bride and groom.
At the appointed hour, the bride,
attired in a pretty wedding gown
of crepe de chine, and leaning on
the arm of her father, took her
stand beside the groom, when Rev.
Dr. Farquharson performed the
sacred ceremony that made them
man and wife.

After receiving the congratula-
tions of those there assembled, the
newly made couple and their
friends sat down to a tasty wed-
ding dejeuner, after which a most
enjoyable evening was spent in
social intercourse, games, and
other amusements.

After spending a few days at
the groom's parental home, Mr.
and Mrs. Gibson left on Monday
for Buffalo and other points on
their honeymoon trip, carrying
with them the best wishes of their
many friends in town and country,
for a long, happy, and prosper-
ous wedded life, to which the
Chronicle adds its heartiest best
wishes.

We understand that the Cement
Company put a gang of repair
men to work on Wednesday morn-
ing, getting the machinery in
shape for the opening of the sea-
son. It is thought the coming sum-
mer will be a good one for the
cement industry, and as the local
plant has already received some
large orders, it is thought the
mill will run well on into the win-
ter months.

MARRIED

GIBSON-McARTHUR.—On Wed-
nesday, February 23rd, at the
residence of the bride's parents,
by Rev. Dr. Farquharson, Cathar-
ine, daughter of Mr. and Mrs.
Chas. McArthur, Glenelg, to Mr.
David Gibson, of Durham.

Rev. S. McLean, Margaret Lavina
second daughter of Mr. Alex.
Morton, Rocky Saugeen, to Mr.
John Hooper Ball, of Moosejaw.

DIED.

WILLOUGHBY.—Near Elmwood,
on Sunday, February 27th, Mrs.
George Willoughby.

HOPKINS.—At her home in Bent-
inck, on Monday, February 21st,
Elizabeth Hope McDonald, be-
loved wife of James Hopkins, aged
30 years, 5 months.
