

PUBLIC BROKER SALE

And Underwriters' Salvage Fire Sale

OVERWHELMING SUCCESS

In response to the Broker's invitation, hundreds turned out and made the dull streets of Durham like Broadway, New York. Merchants said was only the wildest dream, that the Broker could not draw the crowds this time as the roads were nearly impassable. Crowds were so tremendous that we were practically dumfounded. Saturday, opening day, it was hardly possible to get through the dense jam of eager buyers. The aisles and stairway were literally packed with customers, a great big happy, eager, enthusiastic throng of people. We have every reason to believe that this Broker Sale will double any sale we have had yet. G. and J. McKechnie conform to every principle of clean legitimate merchandising. It is absolutely free from tricks and make-believe. The sale goods placed on the counters are high-class reliable goods and will be sold at prices that will astonish everybody. We urge you to come in and investigate.
