Normanby Council. Council met in Ayton on Monday Feb. 14th all the members present. The first order in the roll of business was the consideration of a claim made by Mr. Dickson, of the gravel road, for damages of upwards of \$200 for the loss of a horse. The horse in question, which was engaged hauling flour from Ayton to Orchard last month became overheated, and is alleged to have contracted sickness from which it died some ten or eleven days later. The ground on which Mr. Dickson founded his claim is that a piece of this road somewhere in the vicinity of Nenagh was not properly opened after a previous storm. In considering the matter, however, the council could not see fit to acquiesce to such a demand, and deemed the mishap more the result of imprudence on the part of the teamster than any neglect or carelessness of the council with regard to the road, and therefore took no action.

Following are the motions as read and adopted. Kenna-Baetz.—That the minutes of the last regular meeting as read be adopted.—Carried. Umbach-Kenna.—That \$5 be given to the National Sanitarium Association. Muskoka.—Carried. Eden, 1909, \$4.10; meeting of the Board of Health at date, \$10.50; commissioners, reeve, \$2.20, dep. reeve, \$2.50, attending to township business, total \$4.75; Forbes & Rosdilling, salary as auditors, \$20. The council adjourned to meet in the township hall, Ayton, on Saturday, April 2nd, at 10 a.m., to appoint pathmasters, pound keepers and fence viewers and for general business. R. H. FORTUNE, Clerk.

Pity This Poor Girl Growing fast—yes, into weakness, but without strength. Tired, of course she is pale and thin too. She doesn't eat enough and digests far too little. This condition is so common, but how seldom noticed even by fond parents. Give her Ferrozone—then watch her appetite improve—see her cheeks and lips grow ruddy—watch her spirits rise. This gain is simply the result of eating and digesting enough, and thereby nourishing blood, brain and nerves. To a woman, Ferrozone restores strength she has lost—to a girl it brings strength perhaps she never knew. You'll try Ferrozone 50c. at all dealers.

Mr. and Mrs. Wm. Sackett entertained, or were entertained we should say, by the Dromore choir on Thursday evening. Moore who are old friends and neighbors of Mrs. Sackett as well as long standing members of the Hall choir. We were pleased to meet with Mrs. Wm. Renwick formerly of this place now of Dromore.

Belching of gas is a common symptom at such times, and also that lump of lead feeling, as if your stomach was carrying a much greater load than it could stand.
