## THE DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

DURHAM, MARCH 10, 1910

### Varney.

Blanche Lauder is helping Mrs. Hoy since Murray is away.

Mrs. John Manary, of Holstein, visited her aunt, Mrs. Wm. Clark, last week.

A good many from our burg took in the sale of H.H. Mosler of your town on Saturday, and made some purchases.

Murray Hoy left on Wednesday for Niagara, where he has secured a situation in a candy manufactory. We wish him success.

Geo. M. Leeson sold a dandy mare to Albert McClinton. We haven't heard the price, but we know it was no small one.

Miss Edna Philip, the genial clerk in Mr. Seim's store, visited her parents in Holstein Sunday before last.

Mrs. King, of Britton, visited her sister, Mrs. Geo. Pollock, of Varney, and her mother and brothers and sisters, of Poplar Hill, last week.

Thos. Russell has moved on to the farm that he bought from Mr. Jas. Burt lately. We wish Mr. and Mrs. R. and family success in their new home.

Wm. Frew has treated himself to a fine new cutter. Billy likes a fine rig as well as anybody. He bought it from Jas. Eden, of your town.

Miss Mary Sterrett, of Port Huron, is visiting her relatives, Robt. and Adam Pettigrew, near Varney. She is a daughter of Robt. Sterrett who used to live near our village.

Messrs. Robt. and James, and Miss Sarah Bryans have been visiting their cousins in Orangeville for the past week. We hope they may enjoy themselves immensely while away.

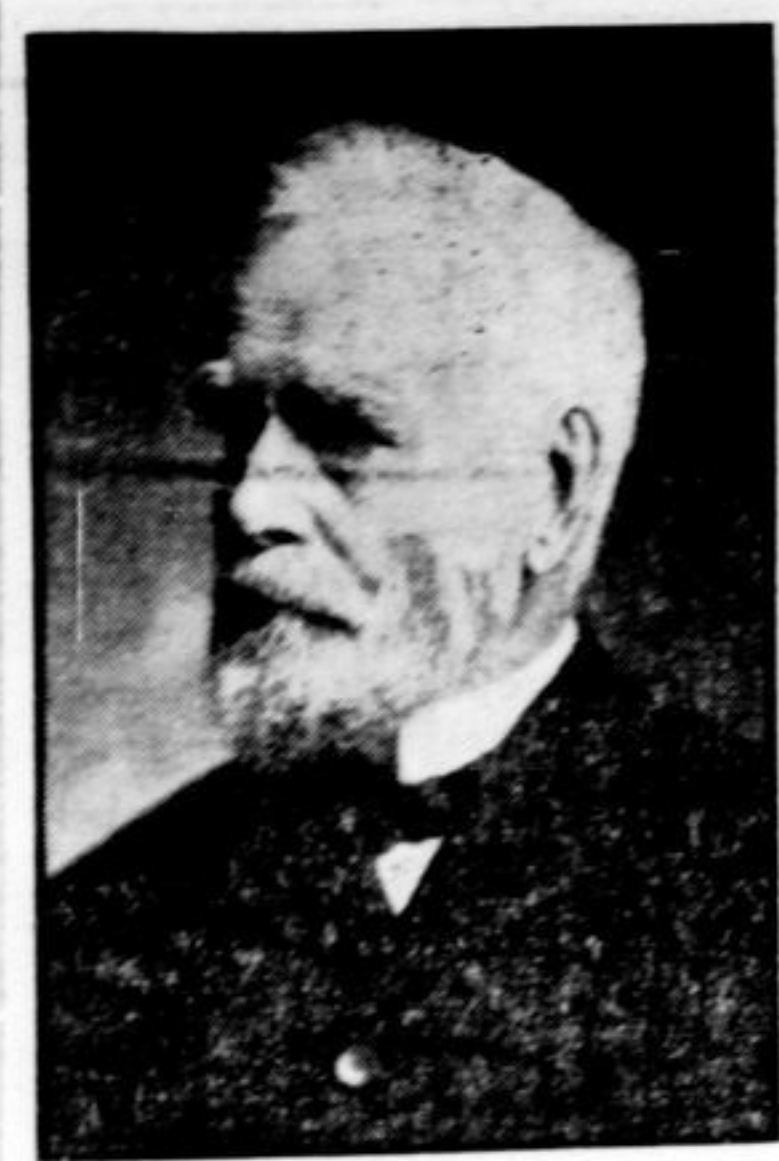

Mr. Colin Blyth has moved onto the new farm he bought from Con. Kreller. We extend to him a hearty welcome to our midst, and hope that he may be long spared to enjoy his new home.

Robt. Pettigrew's sale on Wednesday last was well attended and he realized very good prices, especially for cattle and hogs, his sale bringing \$40, and cows up to \$45. D. McPhail was auctioneer.

Call in and see the new season in Varney. They are getting things in apple pie order now, and are ready to attend to the wants of all that come. We guarantee Mr. Seim will use you well.

The cottage prayer meeting held at Mr. Wm. Moan and Mrs. Wm. was largely attended, and was a good meeting. This Thursday night it will be held at Mr. Wm. Lauder's.

The birds of spring are once more on the wing, and last week their merry chitter could be heard and the crows could be seen flying

to and fro, but the storm of Monday spoiled their fun.

Surely March has been lamb-like up to Monday of this week, which was a good deal more like a lion than a lamb. We thought we would catch it after the thunder we had on Sunday.

A good many from Varney were up to Wm. Jaques' sale on Thursday. The sales are nearly all over around this neighborhood now, and we can get something done at home.

Mr. and Mrs. Albert McClinton, who have been visiting around Varney for the past few months, left for their home in the West last week. Mr. McC. took a car load of horses with him.

Mr. and Mrs. Wm. Clark spent Sunday with the latter's mother and sisters out in Egremont. This visit was more especially to say good-bye to Mrs. C's sister, Mrs. Walker, who is leaving for her home in the West.

Miss Maggie McAnulty was taken very suddenly on Friday night last with what the doctor says is appendicitis, but at time of writing she is a lot better, and it is thought that she will get along without an operation.

James Brown sold one of his horses last week to Mr. McNally, of Walkerton, for the nice little sum of \$195, and he has since bought another from his uncle out in Proton. He has now a better matched team. Jim likes a good team.

Last Wednesday night Mr. and Mrs. J.W. Blyth entertained about fifty of the members of the Varney Sunday school at their home, when a most enjoyable time was spent in play and games until three o'clock when the happy company broke up by singing "God be with you till we meet again."

Mr. Con. Kreller and family left on Tuesday of this week for the West. Mrs. Quinton Pettigrew, Miss Annie Pettigrew, and Miss M. Sterrett, accompanied them. While we do not like to lose him from our midst, we wish them all a safe journey and the best of success in their new home.

The lecture in the Varney church on Monday night of last week was somewhat of a failure on account of the lantern going wrong but it was given again on Monday night of this week, when it was a lot better. Those that paid the first night got in free, the second night, which was surely fair enough.

A few from Varney attended the meeting of the Women's Institute held at Mrs. McCannel's on Thursday last. Mrs. Robt. Pettigrew, who has been a very active member, was presented by the members of the Institute with a beautiful ring to remind her, while in her new home, in the West, of the many pleasant and profitable times she spent with the members of the South Grey Women's Institute.

### It Has Killed Hundreds.

Strong purgatives have killed many a good man. Costiveness is bad - violent cathartics are worse. It bothers with stomach trouble or biliousness, try Dr. Hamilton's Pills. They are so mild you can scarcely feel their action, yet so effective that the entire system is cleansed of waste. Dr. Hamilton's Pills move the bowels gently, they tone the kidneys, assist digestion, clear the skin. For those subject to colds, biliousness, languor, there is no better medicine. Try a 25c. box of Dr. Hamilton's Pills.

### Fiesherton.

A cozy social was given by the Young People's Guild in the Presbyterian church on Tuesday evening of last week, and was well patronized the proceeds being \$11. A short, pleasing program was rendered and the social part of the entertainment was very enjoyable.

On Wednesday evening of last week the Chosen Friends society here gave a social evening in the town hall, at which about seventy-five were present and spent a very pleasant time. A short program was first rendered. Mr. Emerson Bellamy occupying the chair. Mrs. Trimble and Mrs. R. Moore each entertained with a reading. Miss L. W. Wilson and Mrs. Blackburn each rendered a solo, a comic duet was given by Miss Trimble and Dr. Murray, and selections were given by the 4th line orchestra. After the program, games, etc. were engaged in and the refreshment season which followed was full of pleasure to the whetted appetites.

At the Methodist church on Wednesday evening of last week, Rev. H. E. Wellwood, B. L. found in marriage Mr. Joseph Kenwick of the east back line, Arion, to Mrs. M. J. Williams, of Egremont. The esteemed couple have thirteen wives of numerous friends.

Norris B. O. hall occupies a lodge room by the A. O. U. W., and Scarlet Chapter L. O. L. has recently been renewed and made to look very neat and attractive. A new floor has been

aid, the walls and ceiling handsomely decorated and brilliant gasoline lighting installed. A social function was held in the hall on Thursday evening last when an informal dance was given by a number of the young people in town. About thirty were present and Ceylon string band furnished the music.

Mr. Archie Boyd, manager of the Park House, had a narrow escape from a broken jaw bone one day last week when his coil in a playful mood dealt him an unexpected blow in the face. Fortunately he was close enough to receive the full force of the blow, but got sufficient jolt to give him a mark and warning headache.

Mr. Charles Doupe, an old resident on the west back line, celebrated his 90th birthday a few days ago. Mr. Doupe is crippled with rheumatism, but otherwise his general health is good and enjoys the company of his numerous friends who visit him at his home.

# THE LAST RESORT

## When all else failed, the Doctors said, "try Fruit-a-lives"

### And "Fruit-a-lives" cured Mrs. Cadieux

PLANTAGENET, ONT., JANUARY 31st, 1910.

"About March 1st 1909, I was taken deathly sick with Stomach Trouble, Backache and General Breakdown. I failed from 125 pounds down to 89 pounds, was confined to bed for eight weeks, and was unable to eat or keep anything on my stomach, vomiting nearly all the time. I expected to die, and took many remedies as well as employing different physicians. The doctors said they could do nothing for me and, as a last resort, one of the doctors told me "to try Fruit-a-lives-if they would not cure me, nothing would".

MDE. LAURENT CADIEUX

My husband bought "Fruit-a-lives" from Mr. Arthur Coleau, merchant of Plantagenet, and I started taking them at once, and inside of ten days, I was able to leave my bed. My stomach got strong and I could eat and retain my food. I gained rapidly and soon had my usual health back again, and today I weigh as much as ever, 125 pounds.

MDE. LAURENT CADIEUX.

Even the doctors are recommending "Fruit-a-lives". They realize now that these wonderful fruit juice tablets will positively cure all Stomach Troubles, Indigestion and Dyspepsia—and they are using "Fruit-a-lives" in their practice.

Few people realize the vital importance of keeping their blood pure. Impure blood is the chief cause of Stomach Trouble, because it is from these impurities may come from a congested liver, from Constipation, from weak kidneys, from an inactive skin, or from all four. Naturally, the ordinary "digestive powders" and "purgative tablets" will not cure the trouble, because they only help to dissolve the food—they do not go to the seat of the trouble. "Fruit-a-lives" is the greatest remedy ever discovered for all forms of Indigestion, Dyspepsia and other Stomach Disorders, because "Fruit-a-lives" is unqualified as a blood-purifying medicine. "Fruit-a-lives" acts directly on the liver, regulates the bowels, strengthens the kidneys, stimulates the skin, and thus rids the whole system of all impurities. "Fruit-a-lives" will positively cure you of any kind of Indigestion. "Fruit-a-lives" is sold by all dealers at 50c a box, 6 for \$2.50 or trial size, 25c. If you are unable to obtain "Fruit-a-lives" conveniently, do not accept substitutes but send to "Fruit-a-lives" Limited, Ottawa and the regular size packages will be mailed you, postpaid, on receipt of price.

in progress as we write this (Monday) evening. The banquet will be followed by a program in the town hall.

Now has come a band of good fortune which has befallen Mr. George Jamieson, son of Mrs. James Jamieson of this place, who has been for some time in New Ontario. A few months ago he went prospecting with Porcupine district where he struck a claim which he is now expected to be sold for \$25,000.

Mr. Charles Doupe, an old resident on the west back line, celebrated his 90th birthday a few days ago. Mr. Doupe is crippled with rheumatism, but otherwise his general health is good and enjoys the company of his numerous friends who visit him at his home.

Little Miss Lillian Bunt received the pleasing news from Toronto last week that she had passed with first class honors in her recent examinations in music.

A meeting of the directors of East Grey Agricultural Society was held in the town hall on Friday last for the revision of the prize list and other matters pertaining to the fair.

Among the sick—Mr. Henry Holman, whom we reported having gone to the city for medical treatment underwent an operation last week and had a tumor successfully removed. Encouraging reports are now coming from the city respecting Mrs. Brodie whose condition has been very serious.

Mrs. Wm. Tucker is in the city nursing her son R. J. who is ill with typhoid fever. Mr. Jack Hastie is laid up by a kick from a horse. His brother and sister are ill with la grippe.

Mr. W. L. Wright slipped on the sidewalk on Monday and sprained his arm so as to necessitate the use of a sling.

Rev. J. C. Tibb, of Toronto, gave a bright interesting sermon in the Presbyterian church on Sunday. He will preach again next Sabbath.

Owing to the very bad roads the congregations in the churches here on Sunday were smaller than usual and the ministers were unable to reach all of their outside appointments.

Artemesia council met for the transaction of business on Monday and had a fairly busy day.

Mr. D. B. Campbell, circulation manager of the Toronto News was in town on Monday in the interests of that paper which he has arranged to have delivered to subscribers here on the arrival of the evening mail. Mr. Campbell gave us a pleasant call and we were pleased to make the acquaintance of the genial Irishman only four weeks from Belfast.

There appears to be much sickness in the country among horses and cattle and Dr. Ottewill is a very busy man getting hardly sufficient time for the necessary rest and sleep.

Miss McMillan, of Paisley, arrived on Monday to take charge of J. & W. Boyd's millinery this season. Miss Brown of Melancthon, has returned to her former position with F. G. Karstedt.

Mr. R. J. Noble, of Oxbow, Sask., spent a day last week at Mrs. Hewitt's "Closewood," Meaford Road.

Mrs. Geo. Boyd, of Toronto, is the guest of Mrs. J. A. Boyd.

Miss Ruth Paul, of Eugenia, is visiting her sister, Mrs. R. Bentham.

Mrs. R. Best is visiting her daughter Mrs. Simmons, at Riverview.

Miss Christine Richardson left on Monday to spend a few weeks with her sister in Toronto.
