Something Very SPECIAL

Is the news herewith of the visit of
MR. FRANK PEMBER

Representing the widely known
Pember Art Hair Store
— of Toronto —

The store that makes the fashion in HAIR GOODS

Ladies who would view the daintiest and most alluring hair pieces ever shown here, beautiful in quality, beautiful in design and beautiful when worn, will see this display. Nothing like it elsewhere, and the prices are most reasonable.

Gentlemen who are losing or have lost their hair will be interested for business and social reasons in the

PEMBER TOUPEES

the most skillful and natural hair pieces ever devised. Cannot be told from natural growth when worn. Priced very reasonably.

Advice upon hair and scalp troubles free. Don't neglect to see this display.

CURED OF CONSTIPATION

Mr. Andrews praises Dr. Morse's Indian Root Pills.
Mr. George Andrews of Halifax, N. S., writes:
"For many years I have been troubled with chronic Constipation. This ailment never comes single-handed, and I have been a victim to the many illnesses that constipation brings in its train. Medicine after medicine I have taken in order to find relief, but one and all left me in the same hopeless condition. It seemed that nothing would expel from me the one ailment that caused so much trouble, yet at last I read about these Indian Root Pills.
That was indeed a lucky day for me, for I was so impressed with the statements made that I determined to give them a fair trial.
They have regulated my stomach and bowels. I am cured of constipation, and I claim they have no equal as a medicine."
For over half a century Dr. Morse's Indian Root Pills have been curing constipation and clogged, inactive kidneys, with all the ailments which result from them. They cleanse the whole system and purify the blood. Sold everywhere at 25c. a box.

Farm Drainage Profitable
Thorough draining of lands needing it will increase the yearly returns from the land by about \$20 per acre as shown by reports of men who have drained. This is the salient fact brought out in Bulletin 174 just issued by the Department of Agriculture, Toronto, entitled "Farm Underdrainage. Does it pay?"
During the past five years, the amount of drainage being done has doubled, and thorough drainage, that is with lines of tile every four rods, more or less, is rapidly increasing. Many areas are so flat or so irregular that it is impossible to get a surveyor's level to tell just what is the best way of draining them. For the encouragement of farmers having such areas, the Ontario Agricultural College is renewing its offer of assistance in drainage surveying. During the summer the College has a special drainage staff engaged in this work. Anyone having drainage problems to solve may have the assistance of one of these drainage advisors by applying for the same. A public meeting is held in the field to discuss and demonstrate the best methods of finding the fall determining the grade, digging the ditch true to grade, etc. The only outlay to the farmer is the travelling expenses of one man, consisting of meals, if any, cartage of instruments, if any, and railway fare at a cent a mile each way. As several surveys are usually made on the same trip, the actual cash outlay for each man is small, frequently being under \$1, and seldom over \$2, though in case of an individual survey in a remote part it might reach \$5 or more. The farmer is also expected to meet the College representative at the station, and return him to it, as well as accommodate him while on the survey.
Those wishing to make application for a drainage survey should write to Prof. W.H. Day, Department of Physics, O.A.C., Guelph, whereupon a regular application form will be sent.

Edge Hill

Mr. John L. McDonald spent Saturday at his home near Swinton Park.
Mrs. Wm. Ritchie, and daughter, Miss Sarah, of Bentinck, are visiting this week among the Ritchie families in this neighborhood.
Mr. and Mrs. Fred Staples visited friends in Markdale on Wednesday.
Mr. Will Williams is engaged with Mr. D. Edge for the summer.
Mr. Jas. Paton, of Swinton Park, passed through Edge Hill on Tuesday last.
Mrs. C.H. Moffat and Mr. Arthur Greenwood attended the funeral of the late Mrs. Gardner, near Mt. Forest, on Saturday.
Mr. Edgar Ritchie purchased a fancy driver last week while on a visit to his uncle, Mr. W.H. Moffat, of Greenock.

Mr. and Mrs. Wm. Ritchie, Mr. and Mrs. Geo. Ritchie, and Miss Jane Ritchie, spent Friday with Mr. Jos. Boyle and family of Glasgow.
We had the pleasure on Tuesday evening last of attending the Green Grove Literary Society in lower Ritchie's school, and must congratulate them on the excellence of the program they provided. The debate as to whether the press or the platform had been the more beneficial to the world, was well debated, as the speakers had their subjects very carefully prepared. The decision was given in favor of the press. After the meeting a committee of representatives of Edge Hill and Green Grove Literary Societies met to arrange for a debate between the two societies. The subject chosen was: Resolved that Washington was a greater general and statesman than Wellington. The debate is to be held at Edge Hill on March 23rd. The Green Grove society taking the negative, while the Edge Hill society has the affirmative.

A very enjoyable party was given at the home of Mr. and Mrs. Geo. Ritchie on Wednesday evening last. The greater number of the guests enjoyed themselves in the dance, the music for which was supplied by Mr. Ritchie and Mr. McDonald, while those who were otherwise inclined enjoyed themselves in games of pit, crokinole, etc.

Your Nerves are Weak
You sleep badly, appetite is variable. You eat but gain no strength. Morning tiredness you wish it were night. When night comes refreshing sleep is hard to obtain. You're run down, your blood is thin and watery, your nerves have grown weak, the thought of effort wearies you. You need Ferrozone; it makes blood—red, strong blood. An appetite? You'll eat everything and digest it too. Strength? That's what plenty of food gives. Ferrovim gives hope, vigor, vim, endurance. Use Ferrozone and get strong. Results are quick—cure is lasting. All dealers in 50c. boxes.

When baby is out in the carriage he usually sleeps. Do not have the carriage and baby's dress a glare of unrelieved white for the tired eyes opened from sleep. This is believed to be the cause of so much defective sight in infancy.

In hanging pictures it is to be remembered that although oil paintings look better hung in the usual way, with a sloping in from the top to the wall at the bottom, yet etchings and water colors often look better hung flat against the wall. A picture with shadows should, if possible, have the light side nearest the windows so that the shadows will fall naturally.

Doctors Fear Tonsillitis Outbreak
Hundreds of cases are reported. If your throat is irritable and sore gargle it three times daily with Nerville and water. Then rub throat and chest vigorously with Nerville and put on a Nerville Porous Plaster. Follow these instructions carefully, and you will avoid tonsillitis, bronchitis, and throat trouble of every kind. Hundreds are preventing and curing their colds by this method and report it eminently satisfactory. Both Nerville Plasters and Poison's Nerville can be had from any dealer, 25c. each.

When the oven smells badly take a vessel of hot water and a handful of washing soda. Take the shelves and wash well in hot water, then finish them in cold. Next wash the oven well out with the soda water, and brush it over with whitening. It will then be clean and sweet and bake beautifully.

Don't let an unscrupulous dealer force on you an imitation of the "D. & L." Menthol Plaster. Look for the "D. & L." trade-mark on the tin. It guarantees the genuine and the most effective remedy for Rheumatic aches and pains, Lumbago, Sciatica, Backache, etc. 25c. each. Yard rolls equaling seven of the regular size \$1.00.
