THE DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

DURHAM, MARCH 17, 1910

THE NAVAL BILL

The Government's naval bill is practically passed, and out of the whole bunch of Liberals at Ottawa only one was patriotic enough to come out flat-footed and vote against the party.

THE DOG MUZZLING PROBLEM

Toronto people, and some Toronto papers, are howling about the dog-muzzling order, and are endeavoring to get the city council to petition the Government to have the order rescinded.

Mr. John McKechnie, of Bethune, Sask., who has been spending the winter here, started for home today, Thursday. He has the good fortune to take a handsome young wife with him.

OBITUARY

JOHN R. TUCKER.

We have just learned with regret of the death of Mr. John R. Tucker, of Portage La Prairie, on the 10th inst., at the age of 54 years.

Deceased, a son of the late Walter Tucker, was born in Durham. About thirty-five years ago, he was married to Miss Annie Braithwaite, who, together with four children are still living.

Mr. Tucker went to Portage La Prairie twenty-four years ago, engaged in farming, and accumulated considerable property.

He was taken to the hospital a couple of weeks before his death for treatment for cancer of the stomach. Though ailing for some time his condition was not thought serious, but he sank very rapidly towards the last.

He leaves a brother George, and sister, Mrs. Simpson, in Portage La Prairie, a sister, Mrs. D. McCrie, at Varney, a sister, Mrs. John W. McKechnie, at Rocky Saugeen, and a brother James in Egremont.

Deceased was a plain, honest man, whom we learned to respect very highly on a very short acquaintance. Our sympathies are extended to the sorrowing relatives.

HITS AND MISSES.

A subscriber in Nelson, B. C. has refused the Chronicle after taking it since December 1897 without paying for it. It's hard for us to think the man is honest.

Another fellow in Vancouver has been getting it since December 1896, and our requests for payment have so far failed to materialize.

The other western provinces have some Chronicle readers who don't seem to think it takes money to run a paper, and are mean enough, or dishonest enough, to get out of paying for it. It must not be inferred, however, that this is a general sizing up of people who go West, as many of them pay up as regularly as the years roll round.

We have one from up North who is said to be doing well, but still owes us for the auction sale bills he got before leaving. We always regarded him as an honest man here and we hope he'll remember us soon.

A couple of weeks ago we referred to a couple of others who appear very much like dead beats, as they, too, dropped their paper without remembering to pay for it.

Another went away without squaring up, and we hear that he's dead. Not likely we'll get it now.

But they're not all away. There are some in town who evidently never thought of paying up, and there are some not very far out of town, who frequently meet us with a sneaky look. The climax is reached in the polite old duffer who always stands us off with a good promise.

We can give other lists, too, so it isn't any wonder when people are hard up.

Mr. Miles McCay, of Oxbow, Sask. is visiting his sister, Mrs. Schooley, at the home of Mr. W. H. Whitechurch. While here, he is prepared to buy South African Scrip, and persons having any for sale will do well to consult him personally.

A POSITIVE CURE FOR INDIGESTION

If you have indigestion your food ferments in the stomach and bowels. It does more; it decays, and the nutritious matter which should go to make new blood decays with it, and this leads to an impoverished condition of the blood, to nervousness, biliousness, constipation, sick headache, bad breath, which disgusts your friends and other disagreeable and unpleasant conditions.

MI-O-NA is responsible for tens of thousands of cures. In fact, it is such a positive cure for indigestion and all stomach troubles that it is guaranteed by Macfarlane & Co. to cure or money back.

HOCKEY

The first of the two final games for the championship of the Northern League, was played on the rink here on Saturday last between the Durham and Mt. Forest teams and resulted in a victory for the locals by the score of five goals to three.

The ice was in poor condition, owing to the soft weather, and though the game was a good one, there was little combination by either team both of whom relied on individual work to tally, and the utter impossibility to pass the puck on the sticky surface, made the playing necessarily slow.

The Mt. Forest team arrived by special train about eight o'clock, and were accompanied by about one hundred enthusiastic fans, who were out to see their team win, and urged them on all through the game with shouts and cheers.

The Durhams, too, were well supported, and when the game was called, the big crowd of about seven hundred, were on the quiver, and applauded their favorites, urging them to do their best, and win if at all possible.

The game started at 8.28, and in just thirty seconds, Falkingham notched the first goal for the locals, being followed a minute and a half later by Cowan. Two minutes more saw the Durhams get their third counter in four minutes of play, and it looked like a walkover. No scoring was done on either side for the next fifteen minutes, when the Mt. Foresters put one past Laidlaw, followed by another in three minutes more. One minute later saw Falkingham score for the Durhams, and the score stood Durham 4, Mt. Forest 2, at half time.

The second half was, perhaps, the more stubbornly contested of the two sessions, close checking being freely indulged in, while it seemed almost an impossibility to get the puck past centre ice. Fifteen minutes of play saw the visitors tally, and fourteen minutes later saw the Durhams roll in their last score, which was secured by Rolph. This ended the scoring, the full time tally being Durham 5, Mt. Forest 3.

Kinder, of Preston, refereed with good satisfaction.

Last night, (Tuesday) the locals, accompanied by over two hundred fans, journeyed to Mt. Forest by special train to play the return final game. They went on the ice with a lead of two goals, but this time, fortune was against them, and they were defeated ten to four, giving Mt. Forest the championship by four goals.

Even though defeated, we believe the Durhams are the faster team, and the smallness of the rink was as much responsible for their downfall as their opponents' good playing.

It was a great game, though, and one that it was no disgrace to lose.

Forbes, of Stratford, refereed, and though we don't say our men were off too much, we will say that the Mt. Forest team were not off enough, especially in the last half of the contest.

But it's all over now, - till the next time, and so far as hockey in 1909-1910 is concerned, the hatchet is buried deep in the ground, where it will lie till dug up again next fall.
