three years ago, but its spread and power were akin to the apostolic days. Like all great movements for the advance of Christianity, it was born in the prayer life of Christian men and women. Already it had gripped thousands of men. Many of the best men of our Canadian manhood were being led to devote time, thought and money to the spread of the gospel as never before. At the great congress of men, held in Toronto last April, a Canadian national policy of missions was framed. This policy declares that in view of the universality and finality of the gospel of Jesus, and the need of every human soul, we should seek to give the gospel to every creature. That laymen are equally responsible with clergymen; that the Canadian responsibility involves in addition to our own home problem, forty millions of the heathen world, requiring four and one-half millions of dollars annually. That there should be such co-operation of all the Christian denominations so as to prevent undue over-lapping and wasting of energy and money. That this great business presents the supreme opportunity of a man in his lifetime, and we call upon all men to invest their intelligence, influence, energy and money.

Dealing with the financial aspect the weekly offering system was proving by all means the simplest and most productive. It not only increased by manifold the amount of the gifts, but it made our giving a real and regular part of our worship of God. A committee of men—busy men—who value system and time is urged for every congregation. Let these men conscientiously face the local church problem, and seek to fix what they believe to be the local responsibility. and then in a brotherly way, make a canvas of every attendant of the church and solicit their co-operation in meeting that responsibility.

Rev. Mr. Newton, of Durham, and Rev. Mr. Start, of Bentinck, each made a brief and forceful address and the meeting closed with the Doxology and benediction shortly before eleven o'clock. It was a very successful effort, and will have an influence for good.

THE OLD MAIDS' CONVENTION

Under the auspices of the Presbyterian Guild, a very unique concert and entertainment was presented in the town hall on Tuesday evening, and the large attendance and good attention must have been highly gratifying to the performers, which consisted of a large number of the ladies of the congregation.

It was called the Spinster's Convention, the name being considered more euphonious than would be suggested by the more appropriate term of "old maid," which the younger and older entertainers endeavored to represent.

It was a convention, and the main object was to devise ways and means for the capturing of a man. The gathering of the members the reading of the minutes, the presentation of the financial report and the regular routine of business formed a special portion of the program. The glees, choruses, solos, and drills, were all rendered in a style that was pleasing. The passionate and pathetic appeals to the eligible bachelors and widowers, was extremely touching, and must have softened the most obdurate hearts.

Miss Laura MacKenzie acted her part well as president, and among others, the names of Miss Hunter, Miss Ireland, and Miss Oliver are deserving of special reference for the excellent manner in which they performed their parts. They all did well, and if they don't grow weary in well doing, Dr. Farquharson will have a busy time of it and reap a rich harvest in the very near future.

OBITUARY

THOS SWALLOW, SR.

We intimated last issue that Mr. Swallow was seriously ill, at the home of his daughter in Toronto.

On Monday morning last the news flashed over the wire that his spirit had taken its everlasting flight.

Born in London, England, on the 21st of February, 1836, he was just 74 years and 1 month old at the time of his death. About 12 years ago, he was married to Miss Ethel Dawson, and a year or so later he left the world's metropolis with his young wife and one son, Thomas, and came to Canada. He settled first in Peterborough, but subsequently moved to Mt. Forest, and later to Dundalk.

About thirty years ago, he came to Durham, where he remained until a few weeks ago, when he left to spend the winter with his daughter.

ANOTHER MIRACLE IN NOVA SCOTIA

Thought the Disease was Cancer of the Stomach

"FRUIT-A-TIVES" Cured Him

SYDNEY MINES, N. S., JANUARY 25TH 1910

"For many years I suffered torture from Indigestion and Dyspepsia. Two years ago, I was so bad that I vomited my food constantly. The agony I endured all these years, I cannot describe and I lost over 25 pounds in weight. I also suffered with Constipation which made the stomach trouble worse. I consulted physicians, as I was afraid the disease was cancer but medicine gave only temporary relief and then the disease was as bad as ever.

I read in the "Maritime Baptist" about "Fruit-a-tives" and the cures this medicine was making and I decided to try it. After taking three boxes, I found a great change for the better and now I can say "Fruit-a-tives" has entirely cured me when every other treatment failed, and I reverently say "Thank God for Fruit-a-tives!"

EDWIN ORAM, Sr.

"Fruit-a-tives" sweetens the stomach, increases the flow of gastric juice, strengthens the stomach muscles, and insures sound digestion. The wonderful powers of this famous fruit medicine are never more clearly shown than in curing the apparently hopeless cases of Dyspepsia and Constipation. 50c a box, 6 for \$2.50, or trial size, 25c. At dealers or from Fruit-a-tives Limited, Ottawa.

ed in the barbering business, at which he continued until about 12 years ago, when he retired from actual service. He was predeceased by his wife, who was regarded by all who knew her as an estimable woman, as a temperance and Christian worker.

The surviving members of the family are Thomas, who sold out his business and property here only a short time ago to move to the West; William, who resides in Winnipeg; Nellie, (Mrs. Wixson), in Ingersoll; Emma, (Mrs. Donaldson) whose husband has a good position in the city post office, Toronto; Mabel, (Mrs. Langley) whose husband is manager of the Robt. Darling wholesale business, Toronto; and Nathan, of Morden, Man.

Interment took place Tuesday to Durham cemetery, where the remains were laid beside those of his wife, who died in 1893.

THE IRISH ON TOP

The second annual curling match between the Hibernians and the Scots was held in the curling rink here on St. Patrick's Day, and whether the day has anything to do with it or not, the two rinks of Irish Shamrocks got away easily with the Scotch Thistles on both occasions. Last year the Irishmen came out on top, and they doubled the score of their opponents this year, the totals being 22 to 16 in favor of the Irishmen.

The following is the line-up:
