STANDING FIELD CROP COMPETITIONS FOR 1910.

The standing field crop competitions have now gone beyond the stage of experiment. Since their inauguration three years ago, they have fully justified the expenditure of time and money, and no agricultural society which has once taken part in these competitions has failed to continue the good work. The Ontario Government has therefore, again made a grant for this purpose, and the competitions will be conducted under the following regulations:

1.—Nature of competition. Competitions will be limited to one crop, to be selected by the society, which should be the one of most importance to the farmers of the district. Fields entered for competition must consist of not less than five nor more than twenty acres, but for beans or potatoes, the minimum plot must be not less than one acre.

Selection must be made from the following crops, viz., spring or fall wheat, oats, barley, rye, corn, peas, alsike clover, red clover, potatoes, beans, or any other staple crop produced for seed in Ontario.

2.—Competition will be limited to members of an agricultural society and the fields entered must not be more than fifteen miles from its headquarters. Competitors will be allowed to make entry in only one society, and but one entry can be made by each competitor.

3.—Societies desiring to enter this competition must notify the Superintendent not later than the first day of May, and must make not less than ten entries.

4.—All the individual entries must be forwarded by the secretaries of the societies to J. Lockie Wilson, Superintendent of Agricultural Societies, Parliament Buildings, Toronto, on or before May 25th, 1910.

5.—Societies may, if thought advisable, charge an entrance fee of not more than one dollar, but this is optional with the Directors of the society. An amount of not less than \$50 must be offered in prizes by each society, to be divided as follows: \$15 \$12, \$10, \$8, and \$5. Of this amount, the Ontario Department of Agriculture will contribute \$20. The balance is to be supplied by the society, and this \$20 can be counted in expenditure for agricultural purposes in the yearly financial statement, thus increasing the regular Legislative grant to such societies.

The Ontario Department of Agriculture will furnish expert judges free of charge.

Prizes will be offered by the Department for two bushel sacks of grain at both Guelph and Ottawa Winter Fairs, the competition for which will be confined to prize-winners in the Standing Field Crop competitions. Full particulars will be furnished later to the prize-winners.

In addition to the above, arrangements have been made with the Directors of the Canadian National Exhibition, to be held in Toronto August 27th to September 12th, to donate \$20 in prizes for the best exhibit of grain from the fields in the Standing Field Crop Competitions. Those eligible to enter are the first, second and third prize winners. For this sheaf exhibit the Province has been divided into three districts, and prizes amounting to \$80 will be awarded to competitors in each of the three divisions mentioned below for the following kinds of grain:

- Fall wheat, \$6, \$5, \$4, \$3, \$2. Spring wheat, \$6, \$5, \$4, \$3, \$2. Oats, \$6, \$5, \$4, \$3, \$2. Barley, \$6, \$5, \$4, \$3, \$2.

Division 1 includes Muskoka, Parry Sound, Haliburton, Nipissing, Manitoulin, Algoma, and other districts in New Ontario.

Division No. 2, all counties east of York and Simcoe.

Division No. 3, York, Simcoe, and all counties west and south-west of same. Each sheaf must be not less than eight inches in diameter, and must be boxed and shipped C.O.D. to the Superintendent of Agricultural Products, Exhibition Park, Toronto, not later than August 20th. All entries for this exhibit must be made to J. Lockie Wilson, Parliament Buildings, Toronto, before August 1st, 1910.

In addition to the above, the Directors of the Central Canada Exhibition, Ottawa, offer prizes for two bushels of white oats, together with the sheaf for the Field Crop Competitions during 1910. Those wishing to enter for the Ottawa competition must communicate with E. McMahon, Secretary, Ottawa, who will forward prize list.

Wm. Sewell Killed.

An accident with a fatal termination occurred at the furniture factory on Monday morning. William Sewell was struck in the stomach with a board from the rip-saw, but although the accident occurred about nine o'clock, he continued at work till noon. He was unable to resume work after dinner, however, and medical aid was obtained. The unfortunate man grew steadily worse, and passed away on Wednesday evening at about eleven o'clock.

The deceased, who was in his 55th year, moved to town from Markdale several years ago, but had only commenced work in the furniture factory two weeks previous to the accident. He was a staunch Orangeman, and the funeral was conducted by the L.O.L. The deceased is survived by a widow and ten children, W. J., in Vancouver; Fred A. and Thomas L. in Listowel; A. R. in Owen Sound; J. E. in Markdale; Harold S., Olive, Gordon, Wesley and Walter, at home.—Listowel Banner.

NURSING MOTHERS

show the beneficial effects of

Scott's Emulsion

in a very short time. It not only builds her up, but enriches the mother's milk and properly nourishes the child.

Nearly all mothers who nurse their children should take this splendid food-tonic, not only to keep up their own strength but to properly nourish their children.

Going to Toronto Saturday Night

Mr. Hector W. Charlesworth, city editor of the Toronto Mail and Empire, and one of the most widely known of Canadian newspapermen is shortly going to Toronto Saturday Night as associate editor. It was in 1881 that he started his journalistic career on the publication to which he is now returning. Youthful as he was, the journalistic instinct was even then well developed in Mr. Charlesworth, combined with real ability as a writer. From Toronto Saturday Night he went to the Empire, and later was on the News and the World, finally going to the Mail and Empire, where he has been city editor for six years.

For a considerable period he was dramatic and musical critic on the papers with which he was connected and his nom de plume, "Touchstone," became familiar to many thousands of interested readers. On assuming his present position he dropped this nom de plume, though continuing to do considerable dramatic and musical criticism for the Mail and Empire.—The Globe, Feb. 24.

Lacked Worldly Knowledge

A newly-appointed Scotch Minister in his first Sunday in office had reason to complain about the poorness of the collection. "Mom," replied one of the elders, "they are close—vera close. But" confidentially, "the auld meenister he put three or four saxpence into the plate hissel' just to gie them a start. Of course he took the saxpence awa' with him afterwards." The new minister tried the same plan, but next Sunday had again to report a dismal failure. The total collection was not only small, but he was grieved to find that his own sixpences were missing. "Ye may be a better preacher than the old meenister," exclaimed the elder, "but if ye had half the knowledge o' the world, and o' yer ain flock in particular, ye'd ha' done what he did and glued the saxpences to the plate."

NOBODY SPARED

Kidney Troubles Attack Durham Men and Women. Young and Old. Kidney ills seize young and old. Come quickly with little warning.

Children suffer in their early years. Can't control the kidney secretions. Girls are languid, nervous, suffer pain. Women worry, can't do daily work.

Men have lame and aching backs. The cure for man, woman, or child. Is to cure the cause,—the kidneys. Booth's Kidney Pills cure sick kidneys.

Cure all forms of kidney suffering. Durham testimony proves it. Mrs. H. McDonald, of Bruce St., Durham, Ont., says: Headaches and spells of dizziness were frequent and often would render me unable to attend to my household duties. My back was weak, and a dull heavy pain had settled across the small of it, in the region, of the kidneys. I would be unable to stoop over or straighten myself up, and would suffer with a languid, tired feeling. Although I had used a number of different remedies I could find no relief and learning of Booth's Kidney Pills I concluded I would give them a trial, and procured a box at Macfarlane's pharmacy. I had used only one box when the languidness had gone. My back strengthened and the pain left it. Headaches or dizziness have not bothered me since, and I can conscientiously recommend Booth's Kidney Pills.

Sold by dealers. Price 50 cents, The R.T. Booth Co., Limited, Fort Erie, Ont., sole Canadian agents.

HYOMEI CURES CATARRH, ASTHMA, Bronchitis, Croup, Coughs and Colds, or worse back. Sold and guaranteed by MACFARLANE & CO.

On 3/4 of a Nobody ever heard of "stock" hens lay in winter, increasing their or restoring run-down animals. When you feed "Stock Food" you are merely feeding them what they need. Your animals do not need bodies get all the good out of the and stay fat all year round. Get them up to the best possible condition. Not a "Stock Food"

ROYAL PURPLE STOCK SPECIFIC contains yield of milk from three to five pounds per cow per day. It makes the milk richer and adds flesh. Young calves fed with ROYAL PURPLE are as large as fed with ordinary materials at ten weeks.

ROYAL PURPLE STOCK SPECIFIC holds up plumage almost magically. Cures bots, colic, worms, summer and winter ague, says, "I have used Dan McEwan, the horseman, says, "I have used ROYAL PURPLE in the feeding of 'The Lot,' 2002, largest of 1908, and 'Henry Winters,' 2003, brother of 'Allen Wint' in 1908. These horses have never been off their feed. Specific almost a year ago, and I will always have it in

Royal

STOCK AND

One 50c. package of ROYAL PURPLE STOCK days, which is a little over two-thirds of a cent a day. ROYAL PURPLE is given but once a day, and lasts half again as long as other stock food. The amount of the fifty-cent package will last 200 days. ROYAL PURPLE is an astonishingly quick and reliable for food, assisting nature to digest and turn feed into flesh. It will save many times its cost in veterinary bills. ROYAL PURPLE is our other Specific for poultry, not for stock. ROYAL PURPLE is a full and complete feed for all poultry. Every package of ROYAL PURPLE STOCK SPECIFIC is guaranteed.

Direct use ROYAL PURPLE on one of your animals in the same condition; after one week you will find them all beat to death, or else back to your money. Your merchant or write us for our valuable 32-page book and poultry diseases, and full particulars of ROYAL PURPLE STOCK SPECIFIC.

If you cannot get Specifics from merchants will supply you direct, exact on receipt \$1.50 a pair for ROYAL PURPLE STOCK SPECIFIC.

Make money acting as your district. Write for terms. For sale by all up-to-date W. A. Jenkins Mfg. Co.,
