A was a noted pillar in the choir since she became to the age of womanhood, being possessed of excellent musical talent. So we vouch the sentiment of all who formed both the young couples acquaintance in wishing them long life and happiness together over life's voyage eral homes on Thursday evening to

By the advice given by our worthy friend of the Classic City Chronicles, every young boy or girl should aim at being school teachers as he believes it to be the best business in the world-farming not excepted - but what will be the consequence if all the young ladies and gentlemen that are capable to become teachers will fall in line and over burden the country with teachers. Then the old heads that are now getting Some commenced plowing last the color of the driven snow, will | week, but not to continue, for the have to take a back seat as the ground is not in a fit condition youth and beauty are better looking and will likely be called to the Fine spring weather! The snow front and leave the poor old fellows who taught some of them their first lesson in the alphabet, bridges and mill dams away by the to stay at home as he has accumulated large possessions at such enormous big salaries at the commencement of his teaching days,by receiving annually \$250, \$275 or \$300 twenty or thirty years ago. No wonder that an old teacher like Mr. B. urges so earnestly all young people become masters of the teaching profession, when the lowest class dare not accept much less than four hundred dollars to begin with per annum, with now-adays probably his first annual payment or salary did not amount to half of that amount and was thankfully accepted.

Which Liniment is Best?

For muscular pains and aches a thick oily preparation can't pene-trate-that's why Nerviline beats We notice that our worthy M.D., Mr. Dixon, is going to leave us in them all-it sinks right in. a couple of weeks and is going to wouldn't live without Nerviline in my house," writes J.B. Cottam, of Mastown. NS. "If you have rheutake up his abode some where in matism, or soreness in the muscles successful in his practice since he or in fact any need of an honest came here, some seven or eight liniment, Nerviline fills the bill, I years ago, and it's too bad that can recommend it highly because I have proved that in one applicahe is going to leave us now after tion of Polson's Nerviline there is getting so familiar with his manmore virtue than in a whole botner of treatment during his sotle of ordinary liniment."
