## THE DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.

DURHAM, APRIL 7, 1910.

### OBITUARY.

#### HENRY J. MILLER.

We regret to chronicle the death of Henry James Miller, of Bentinck, which occurred on Wednesday of last week at his home on Lot 63, Con. 2, the farm on which he was born fifty-two years ago.

Until eight days previous to his death, the deceased was a rugged man, and enjoyed good health. He contracted a severe cold, which developed rapidly into pneumonia, which resulted in death.

He was married about seventeen years ago to a Miss Dice, and leaves a family of nine children, four sons and five daughters, ranging in ages from one to sixteen years. He leaves also, a brother, George, in Bentinck, and two sisters, Mrs. Robt. Connor, of Hillman, Michigan, and Ann Ada, who lives with her brother in Bentinck.

The sadness of the sorrowing wife was intensified by the serious illness from pneumonia of four of the children, who were scarcely expected to recover.

Deceased was a member of the Episcopal church, but in the absence of a pastor, the services at the home and grave were conducted by Rev. Mr. Wright, Methodist clergyman, of Durham.

Interment took place to Durham cemetery on Friday afternoon.

#### KENNETH MCKENZIE.

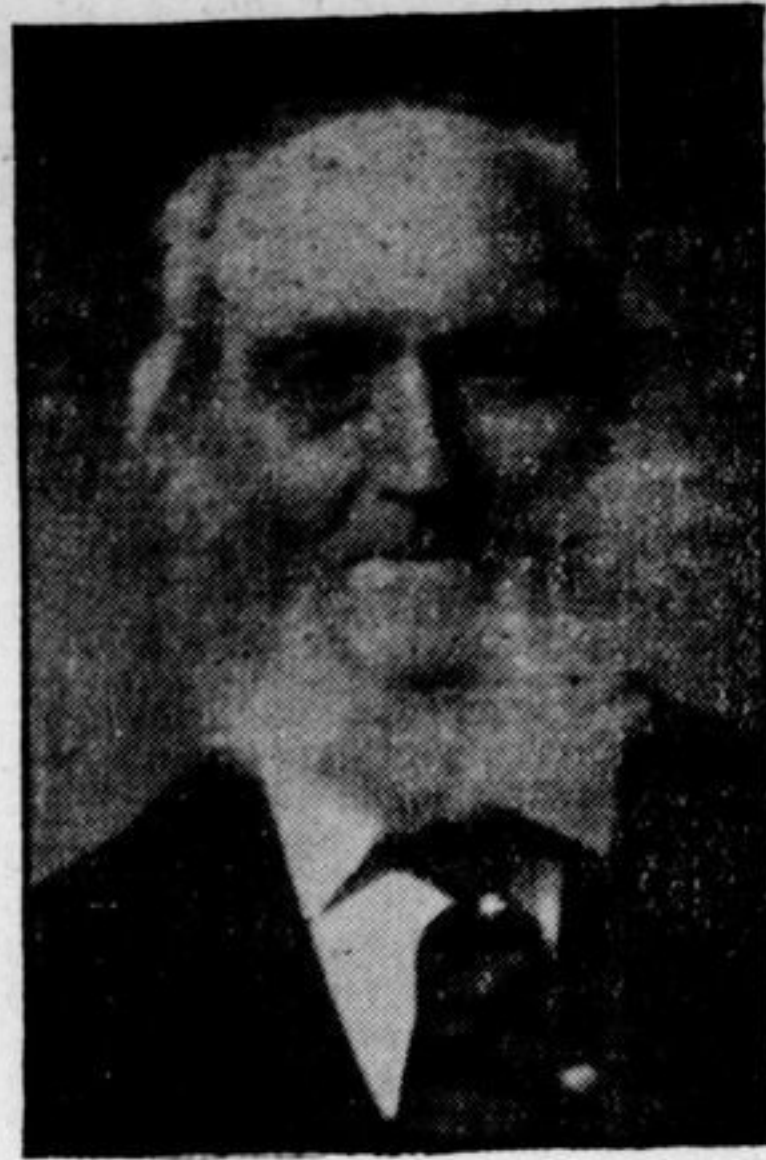

One of the old pioneers of the township of Glenelg, died on Wednesday of last week at the home of his daughter, Mrs. C. McLachlan, in the city of Port Huron Michigan.

The deceased gentleman, Mr. Kenneth McKenzie, was a true type of Scotchman, born in Invernesshire, Scotland, on the 22nd of May, 1819, just two days prior to the birth of Queen Victoria. Sixty-eight years ago, he was married in the old land to Miss Elizabeth Duncan, who predeceased him about ten years ago, at the old home in Glenelg, where they resided for more than half a century, retaining the esteem and

confidence of all with whom they became acquainted.

In Scotland, Mr. McKenzie was an Excise officer, and had no experience in farming till he settled in the township of Glenelg in 1849.

Notwithstanding the change of employment, he buckled down

KENNETH MCKENZIE.

with his characteristic Scottish energy and pluck, and soon became comfortable as a tiller of the soil.

The marriage union resulted in a family of twelve children, only three of whom survive, John, and Mrs. Hugh Vaughan, in Glenelg, and Mrs. C. McLachlan, in Port Huron. He also leaves a number of grand-children and great grand-children. Since the death of his wife, he has been living in great comfort at the home of his daughter, Mrs. McLachlan, in Port Huron and from a short interview with this lady, we are assured the empty chair will form a great blank in the family circle.

In politics, Mr. McKenzie was a pronounced Conservative, and in religion a Presbyterian, being a member of the United Presbyterian church, of Port Huron. His mental faculties were clear to the last, and he was in excellent health and physically strong till a few days before death, when he received a slight stroke of paralysis.

The remains were taken to Durham on Friday, and interment took place in the afternoon at Rocky Saugeen cemetery, service in the church and at the graveside being conducted by Rev. Dr. Farquharson, of the Durham Presbyterian church.

Mr. and Mrs. McLachlan, and daughter, were present at the burial.

#### JAMES ALEXANDER RITCHIE.

One of the bright little lads of Port Arthur, in the person of James Alexander Ritchie, son of Mr. and Mrs. John Ritchie, passed away yesterday, after an illness of only a few days. The young lad was known by almost every person in the city. Being one of those bright lads with a very pleasing disposition, he made hosts of friends, and especially amongst the boys of the city did he become a warm favorite. "Jim" was the hero of the lads of his age, and wherever he was, he was always accompanied by several of his chums. In sport, he went into the games in such a manly manner that he always was commended by both his own side, and that of the competitors.

On the 13th inst., the lad was taken very ill with a stomach trouble, and since that time he had been very ill. The past few days the condition of the patient grew worse, and yesterday it was decided to take him to the St. Joseph's hospital, where an operation was advised by the physicians. The young lad was taken to the hospital in the afternoon, it being the intention to allow him to rest until this morning, when the operation would take place. However, the sickness proved too much for the young patient, and at two o'clock this morning, the young lad passed into eternity.

The deceased was aged 13 years, 8 months and 14 days. He was born in Port Arthur on the 14th day of July, 1896. He was a pupil of Miss Suttaby's class in the Central school, and had proved himself to be a very bright boy, and a lad who showed more than the usual cleverness in his studies. He was a member of St. Paul's Sunday school. He was a member of the Presbyterian hockey team, and was one of the fastest players. In the juvenile baseball and lacrosse teams, he was always one of the best.

In fact, in everything that the young lad took in hand, he was an enthusiast, and with his bright, cheery manner, he always took a lead.

The hosts of friends of Mr. and Mrs. Ritchie throughout the district will sympathize with them in their bereavement.—Port Arthur Evening Chronicle, March 28th.

# THE LAST RESORT

When all else failed, the Doctors said, "try Fruit-a-tives"

And "Fruit-a-tives" cured Mrs. Cadieux

PLANTAGENET, ONT., JANUARY 31st, 1910.

"About March 1st 1909, I was taken deathly sick with Stomach Trouble, Backache and General Breakdown. I failed from 125 pounds down to 80 pounds, was confined to bed for eight weeks, and was unable to eat or keep anything on my stomach, vomiting nearly all the time. I expected to die, and took many remedies as well as employing different physicians. The doctors said they could do nothing for me and, as a last resort, one of the doctors told me "to try Fruit-a-tives—if they would not cure me, nothing would".

MDE LAURENT CADIEUX

My husband bought "Fruit-a-tives" from Mr. Arthur Koleau, merchant of Plantagenet, and I started taking them at once, and inside of ten days, I was able to leave my bed. My stomach got strong and I could eat and retain my food. I gained rapidly and soon had my usual good health back again, and today I weigh as much as ever, 125 pounds.

MDE. LAURENT CADIEUX.

Even the doctors are recommending "Fruit-a-tives". They realize now that these wonderful fruit juice tablets will positively cure all Stomach Troubles, Indigestion and Dyspepsia—and they are using "Fruit-a-tives" in their practice.

Few people realize the vital importance of keeping their blood pure. Impure blood is the chief cause of Stomach Trouble, because it is from "digestive powders" and "pepsin tablets" will not cure the trouble, because they only help to dissolve the food—they do not go to the seat of the trouble. "Fruit-a-tives" is the greatest remedy ever discovered for all forms of Indigestion, Dyspepsia and other Stomach Disorders, because "Fruit-a-tives" is unequalled as a blood-purifying medicine. "Fruit-a-tives" acts directly on the liver, regulates the bowels, strengthens the kidneys, stimulates the skin, and thus rids the whole system of all impurities. "Fruit-a-tives" will positively cure you of any kind of Indigestion. "Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50 or trial size, 25c. If you are unable to obtain "Fruit-a-tives" conveniently, do not accept substitutes but send to "Fruit-a-tives" Limited, Ottawa and the regular size packages will be mailed you, postpaid, on receipt of price.

### Traverston.

W. J. McFadden and his bonnie bride of Egremont were up to her old home on Sunday.

A regular little colony left the upper end of the 6th con. last week for the west—Mr. and Mrs. Thos. Connelly Jr., Mr. and Mrs. White Cameron, Joe Haley and Walter Douglas, while Miss Mary Martin went to Toronto.

Mrs. Robt. Webber, with baby Elmer of Hutton Hill, came out on Saturday and remained till Monday cheering up her father Mr. M. J. Davis, who has been very ill. He is some better.

W. J. Cook of Bentinck ate too many good things at the weddings here some weeks ago. Now, he has a touch of lumbago so Lorne McNally of next lot is out this week helping him with seeding. The same feasting gave us a dose of sciatica and it is making a fellow do double penance. Makes you feel like "sayin' things".

Mr. W. J. Cook sold a fine span of 3-year-old geldings that are to be shipped West next Tuesday and Mr. Archie McArthur of the 4th con. disposed of a tidy team to Mr. Wes. Arnett.

The seeders have been going for some days on the 10th con., but are just being oiled up here, the beginning of the week. The ground is in fine condition.

Mrs. Frank Haley was under medical care all last week. She is somewhat recovered.

Will Goodwill, eldest son of Mr. George Goodwill, leaves on Tuesday for Sask.

Miss Florrie Falkingham of the Falls, who has been in Durham for the past month, is back to the merry, old home.

Every Tom, Dick and Harry and every Jean, Sall and Molly were out to town on Saturday afternoon on business and pleasure bent.

The Red Plague has devoured another home on the 9th con. On Friday afternoon last, the home of Mr. and Mrs. Thos. Timmius was burned to the ground, despite the heroic efforts of Messrs. Adam and John Robson, Miss May and Mrs. J. H. Robson. Mrs. Timmius was alone at the time, Tom being away to his brother, John's. As soon as she observed the blazing roof she hastily called the Robson family, but by the time they arrived the fire had gained a strong hold as a stiff breeze was blowing. Nevertheless, if more help had been at hand, the building had a chance to be saved. Finding their efforts to quench the flames beyond them, they set to work to save the contents and it is marvelous how well they succeeded. Still a good deal was lost as the building burned fiercely. Other neighbors arrived and they directed their efforts to save a large implement house close by. It was a heavy task, but they succeeded. At times the barn and stables were in grave danger, but prompt action saved them. It is a serious loss as there was only \$100 insurance on the building and nothing on contents. Mr. Will Cook has kindly given them the vacant home on the adjoining corner and so helps to lighten the burden. We cannot praise too high the pluck and endurance of the women folk or the herculean efforts of John Robson and his father; but they come of a race that know no fear. Much sympathy is felt for the young couple, thus suddenly bereft of their home.

When cooking milk or soups of any kind, always use a wooden spoon for stirring. Never take a tin spoon for this purpose, especially if the soup contains any acid like tomatoes, as this unites with the tin and forms a poisonous compound.

My husband bought "Fruit-a-tives" from Mr. Arthur Koleau, merchant of Plantagenet, and I started taking them at once, and inside of ten days, I was able to leave my bed. My stomach got strong and I could eat and retain my food. I gained rapidly and soon had my usual good health back again, and today I weigh as much as ever, 125 pounds.

Even the doctors are recommending "Fruit-a-tives". They realize now that these wonderful fruit juice tablets will positively cure all Stomach Troubles, Indigestion and Dyspepsia—and they are using "Fruit-a-tives" in their practice.

Few people realize the vital importance of keeping their blood pure. Impure blood is the chief cause of Stomach Trouble, because it is from "digestive powders" and "pepsin tablets" will not cure the trouble, because they only help to dissolve the food—they do not go to the seat of the trouble. "Fruit-a-tives" is the greatest remedy ever discovered for all forms of Indigestion, Dyspepsia and other Stomach Disorders, because "Fruit-a-tives" is unequalled as a blood-purifying medicine. ASPECT OF

## ZAM-BUK

IT SAVES MOTHERS MONEY!

Zam-Buk spells saving to you and your family. It keeps the baby from getting the family sustains a cut or a burn, which festers or turns to a sore, poisoning. It keeps the baby from getting the family sustains a cut or a burn, which festers or turns to a sore, poisoning. It keeps the baby from getting the family sustains a cut or a burn, which festers or turns to a sore, poisoning.

There is another aspect. If you have in the family, eczema, ringworm, ulcers, or any skin disease, try Zam-Buk first—don't spend money on experimenting! You will have to get Zam-Buk eventually. Do it now; and save cost of the other things.

Hear these persons:—

Mr. A. M. Brooks, Wellington Street, Stouffville, Ont., says:—"If only I had got Zam-Buk at first, it would have saved me scores of dollars; as well as hours of agony." Mr. Brooks has cured eczema. He says:—"My chest and body were covered with terrible disease. The itching, burning and smarting I suffered, some who had gone through it as I did! Do not let me tell you of the relief that lotions, salves and prescriptions did me a bit of good; and from nothing to another I passed, only to them useless. With Zam-Buk it was different, and without going through long story, I can say that a few weeks' treatment with this great healing balm, and I was rid of my skin disease, eczema, which had held me in its grip for ten months!"

"If I had applied Zam-Buk in the first place instead of trying the other preparations, I could have saved myself a lot of money," says Mrs. B. E. Boddy, of 237, Trinity Street, St. Boniface, Winnipeg, Mrs. Boddy had a cut on her finger, which became poisoned, and she says:—"It became swollen and discolored, my whole arm ached, and throbbing pains called in a doctor and he bled it. You imagine how I suffered, and despite the treatment the finger again festered, and I had that the doctor advised me to go into hospital. I feared, if I did, they would cut off, so refused. One day we were advised to try Zam-Buk. We left off everything else and this balm a trial. Well, it only took about five days to draw out the soreness! Then, it began to heal, and in less than two weeks from first applying the Zam-Buk, my finger was healed and perfectly healthy. I had got Zam-Buk at first!"

All skin injuries and diseases are cured by Zam-Buk. Eczema, eruptions, pimples, sores, inflamed patches, cuts, burns, scalds, chaps, etc., cannot resist its healing power. See box, all druggists and stores, or post to Zam-Buk Co., Toronto, for price. All mail orders.
