the cement basement of the new  
block to be erected by him this  
summer on Main street. The  
new structure will add much to the  
appearance of the business part  
of the town.

The primary examinations for  
the ministry to the Methodist  
church for this district, were held  
here on Tuesday and Wednesday  
of last week, the candidates being  
A.R. Cragg, Holstein, Mr. Carter,  
Varney Mr. Evans, Drew, The  
Rev. A.J. Irvine, of Mt. Forest,  
presided.

The spring fair, under the aus-  
pices of the Egremont Agricultural  
Society, was held here on Tuesday  
afternoon of last week and was a  
grand success. The weather man  
tipped the bucket during the fore-  
noon, but by the time the contest-  
ants were ready to enter the ring,  
the rain ceased. In all, eighteen  
horses lined up before Judge Gard-

### STOMACH AGONY.

#### Abolish the Cause, and Misery and Distress in Indigestion Will Vanish

Can indigestion be cured? Hun-  
dreds of thousands of people who  
suffer from belching of gas; bilious-  
ness, sour stomach, fullness, nau-  
sea, shortness of breath, bad taste  
in mouth, foul breath, nervousness,  
and other distressing symptoms,  
are asking themselves that ques-  
tion daily.

And if these same doubting dys-  
peptics could only read the thou-  
sands of sincere letters from peo-  
ple who once suffered as badly as  
they do now, but who have been  
quickly and permanently cured by  
the use of Mi-o-na, the mighty  
dyspepsia remedy that cures by  
removing the cause, they would go  
to Macfarlane & Co. this very day  
and get large box of Mi-o-na  
tablets, and start themselves on  
the right road to health at once.

The price of Mi-o-na tablets is  
only 50 cents, and Macfarlane &  
Co. guarantee them to cure indig-  
estion or money back.

Thin or lean or scrawny people  
will find in Mi-o-na a maker of  
flesh and blood, because it causes  
the stomach to extract more nu-  
tritious matter from the food,  
which quickly enriches the blood.

Mr. Grat. Wise is employed at the  
cement works in Durham.

cently in Hanover.

Mr. and Mrs. W.G. McCulloch and  
family spent last Sunday with Al-  
lan Park relatives.

Mr. Wm. Atkinson, of Glenelg,  
visited his sister, Mrs. B. Coultts, on  
Sunday.

one day last week with friends in  
this vicinity.

Miss Nina Noble, of Hutton Hill,  
was the guest of Misses Margaret  
and May Donnelly, one day recently.

spent Sunday last with his brother,  
Mr. David Adlam.

ter's sister, Mrs. W. Livingstone.

Hutton Hill, visited last Sunday  
with Mr. and Mrs. D. Donnelly.

Mr. and Mrs. A.W. Hunt spent  
Sunday before last with their rela-  
tives in Glenelg.

Mr. and Mrs. Wm. Falkingham, of  
Durham, were guests in this neigh-  
borhood recently.

Mr. and Mrs. Alfred Bailey, of Al-  
lan Park, visited Mr. and Mrs. T.  
Kennedy on Sunday last.

### Corner Concerns.

Miss Nellie Allan returned home  
from Toronto on Saturday night,  
looking well. She will remain at  
home for the summer.

It was an oversight on our part  
that we neglected to bid a fare-  
well to Mr. Thos. Pollock, his son  
and daughter, who left to try their  
fortunes in Saskatchewan. We  
wish them much success.

Messrs. Jas. Allan, and his son,  
Alex, left last week to resume  
their stock selling in Uncle Sam's  
domain. Mr. Wm. Pettigrew, their  
co-worker, did not accompany  
them, as he has purchased the Hol-  
stein temperance hotel, and will  
take possession right away.

The Baker family, who moved in  
to our neighborhood a couple of  
months ago intending to work out  
a living amongst the farmers,  
found that dough with them was a  
scarce article, and moved to Dur-  
ham on Friday, where they may  
find it in abundance.

Many farmers have finished  
seeding, but there are a few who  
will not finish before the end of  
this week. Even though the weath-  
er keeps dry, fall wheat looks  
well at the present time, and the  
hay fields are getting a good  
start.

Many methods are being tried by  
farmers to work up the soil into  
the spongy condition so much ad-  
vocated by experts. The contriv-  
ance most noted last week was a  
single section of iron harrows,  
speeded to such a pitch that it  
did the work in the same time that  
four sections usually do it.

This has been an excellent year  
for sheep raisers, as the spring has  
been so favorable for young lambs,  
and we hear of some very prolif-  
ic flocks. One in particular is  
much spoken of, although the ex-  
act number has almost escaped our  
memory. We think it was sixteen  
lambs from five ewes with Mr. Fer-  
guson.

The death of Mr. Henry Lewis, of  
Orchardville on Saturday last, re-  
moves one of the best known men  
in this part. Up to about a year  
ago he always appeared in the best  
of health and spirits, always ready  
to lend a helping hand and take  
part in all good undertakings. He  
was upwards of seventy years of  
age.

Little Rita Barbour is forced to  
lie in her crib for a week or two,  
and is under the care of Dr. Gun,  
as a result of falling into some  
hot mashed potatoes. She and  
her little sister had been at play  
at the home of her neighbor, Mrs.  
Palmer Patterson, and left for  
home, but returned in a few min-  
utes when Mrs. Patterson was up-  
stairs, and the accident occurred.

### New Use of the Press.

A new use for the newspaper has  
been discovered by the chief of pe-  
cil refused to pass a curfew by-  
law, so the chief will substitute  
newspaper advertising for the  
curfew. He has instructed his po-  
licemen to take the names of all  
the children on the street after hours,  
and the next day the names will be  
published in the daily papers. The  
object is to shame parents into  
keeping their children off the  
streets.

Your tongue is coated.  
Your breath is foul.  
Headaches come and go.  
These symptoms show that your  
stomach is in trouble. To remove  
the cause is the first thing, and  
Chamberlain's Stomach and Liver  
Tablets will do that. Easy to take  
and most effective. Sold by all  
dealers.
