## THE DURHAM CHRONICLE

W. IRWIN, Editor and Proprietor.  
DURHAM, MAY 5, 1910.

### CANADA'S PROSPECTIVE GOVERNOR-GENERAL

An interesting sketch of Earl Carrington, who will likely be the next Governor-General of Canada, appears in May Busy Man's.

Perhaps it is his sincere kindness and spontaneous geniality that constitute Lord Carrington's chief assets as a person in the public eye. In the House of Lords many a tedious debate is enlivened by his welcome merriment on the country platforms, and at National Liberal Club banquets his jests are inimitable. Apart from the serious viewpoint of his mission—and not for a moment is that serious purpose abandoned—perhaps his special function is that of softening the asperities of provincial Radicalism, and of convincing disappointed aspirants after social fame that a peer may really be a good fellow.

In his young days, when he proved him to be one of the most charming and pleasant young men of the court, Lord Carrington was chosen to accompany the King, then Prince of Wales, on his famous tour through India. And there, on all sides, he made hosts of friends.

In 1855, when the Earl was sent to be Governor of New South Wales, he found the prevailing tone of Australian statesmen was one of mingled dislike and contempt for all that pertained to Downing Street, and also that they were apt to vent their dislike of the Colonial Office upon the Governors. Without any too apparent effort Lord Carrington won all hearts in Sydney, the popularity thus gained becoming a standard to which Governors have been expected to conform. He was long remembered as the most successful representative of the crown who had ever been sent out to Australia.

The splendid work of Chamberlain's Stomach and Liver Tablets is daily coming to light. No such grand remedy for liver and bowel troubles was ever known before. Thousands bless them for curing constipation, sick headache, biliousness, jaundice and indigestion. Sold by all dealers.

### SHARP-BACKUS.

A very pretty wedding was solemnized on Wednesday evening, when Mr. John Sharp of Hampden, and Miss Viola Backus, of Poplar Hill, were united in the holy bonds of wedlock, in the presence of about 150 invited guests, at the home of the bride's parents, Mr. and Mrs. John Backus.

The nuptial knot was well and firmly tied by Rev. Mr. Kendall, of Dromore. At six o'clock, the groom, accompanied by his brother, Mr. George Sharp, took their places on the lawn, then followed Miss Gertrude Backus, sister of the bride, who officiated as bridesmaid, Miss Inez Redford, dressed in mercerized mull, made a pretty little flower girl, and strewed the path with red roses in front of the bride, who advanced to the marriage altar leaning on the arm of her father, who gracefully gave her away.

The ceremony was performed with much solemnity, and the questions were answered with sufficient consideration to show that the contracting couple fully realized the solemnity of the event. The ceremony over a shower of congratulations came from all sides, the happy young couple and their attendants remaining in their places during the many signs and expressions of the kindest good will.

The bride, who is endowed with many natural charms, was exquisitely attractive in her beautiful bridal trossseau, which consisted of a handsome cream Princess gown, with the customary bridal veil and orange blossoms, and carrying in her hand a bouquet of white carnations and maiden hair fern.

The bridesmaid was neatly attired in white mercerized mull, and carried in her hand a bouquet of red and pink carnations and maiden hair ferns.

The groom is an estimable young man, of good habits, good morals, highly industrious, and though quite young has already a good start in life. The bride too, has all the good qualities that go to make a perfect woman, and under such conditions, we congratulate both, and look forward, with pleasure, to their enjoyment of a long, prosperous and happy life.

The groom is a son of Mr. and Mrs. Wm. Sharp, of Hampden, and the bride a daughter of Mr. and Mrs. John Backus.

Those present from a distance were Miss Gertrude Backus, of Riverview, who acted as bridesmaid, Miss Violet Backus, of Shelburne, Miss Alice Lendrom, of Toronto, Mr. and Miss Mathew, of Priceville, Miss Esther Sharp and Mr. W. Sharp, of Shallow Lake, Mrs. Lynn, of Allan Park, Mr. and Mrs. Wm. Brown and Wm. Brown, Jr. of Mulock, Miss Clark, Mulock, Miss Heugban, Mulock, Mr. Peter Ramage and Miss Alice Ramage, Durham, Mrs. Redford, Durham, the Editor of this paper, and a number of others.

The large number of valuable presents is a mark of the esteem in which the young couple is held by those who know them. The groom's gift to the bride was a gold locket and chain, and to the bridesmaid, flower girl and organist, each a gold brooch, and to the groomsmen, a pair of gold cuff links. Miss Hazel Marshall played the Wedding March most efficiently at the ceremony.

After a very sumptuous wedding dejeuner, the evening was pleasantly spent in games, music and other amusements.

We again extend our congratulations, and wish the young couple a happy and prosperous journey through life.

Every possible attention was shown by Mr. and Mrs. Backus and family to cater to the comfort and happiness of the guests, and the event will be long remembered by those who were present on the occasion.

### How to Gain in Weight.

You know you are too thin—you eat and eat, but never get an ounce fatter. Nerves are weak, color is bad, strength seems exhausted. It's not hard to get fat. You must eat more, digest more, exercise more. Try Ferrozone and watch your appetite grow. It turns all you eat into nutriment and building material—fills your veins with rich, red blood,—gives you ambition and vigor. For a tissue builder, a fattening tonic, one that restores permanently, there is nothing to compare with Ferrozone. Try it and see, 50 cents at all dealers.

### Store Broken Into

On Thursday evening last the hardware store of Traill Bros., was entered and some goods stolen. So far as Mr. David Traill knows, eight jack-knives, a Stevens rifle, and four boxes of ammunition were stolen. The thief must have been concealed in the store when it was locked up at night, for the front door was locked, while the

# THE LAST RESORT

## When all else failed, the Doctors said, "try Fruit-a-tives"

## And "Fruit-a-tives" cured Mrs. Cadieux

PLANTAGENET, ONT., JANUARY 31st, 1910.

"About March 1st 1909, I was taken deathly sick with Stomach Trouble, Backache and General Breakdown. I failed from 125 pounds down to 80 pounds, was confined to bed for eight weeks, and was unable to eat or keep anything on my stomach, vomiting nearly all the time. I expected to die, and took many remedies as well as employing different physicians. The doctors said they could do nothing for me and, as a last resort, one of the doctors told me "to try Fruit-a-tives—if they would not cure me, nothing would."

The blood that the stomach obtains the fluid which digests food. When the blood is laden with impurities, the dissolving fluid (or Gastric Juice) will be impure. These impurities may come from a congested liver, from weak kidneys, from an inactive skin, or from all four. Naturally, the ordinary "digestive powders" and "pepsin tablets" will not cure the trouble, because they only help to dissolve the food—they do not go to the seat of the trouble. "Fruit-a-tives" is the greatest remedy ever discovered for all forms of Indigestion, Dyspepsia and other Stomach Disorders, because "Fruit-a-tives" is unequalled as a blood-purifying medicine. "Fruit-a-tives" acts directly on the liver, regulates the bowels, strengthens the kidneys, stimulates the skin, and thus rids the whole system of all impurities. "Fruit-a-tives" will positively cure you of any kind of Indigestion. "Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50 or trial size, 25c. If you are unable to obtain "Fruit-a-tives" conveniently, do not accept substitutes but send to "Fruit-a-tives" Limited, Ottawa and the regular size packages will be mailed you, postpaid, on receipt of price.

My husband bought "Fruit-a-tives" from Mr. Arthur Koleau, merchant of Plantagenet, and I started taking them at once, and inside of ten days, I was able to leave my bed. My stomach got strong and I could eat and retain my food. I gained rapidly and soon had my usual good health back again, and today I weigh as much as ever, 125 pounds."

MDE. LAURENT CADIEUX.

Even the doctors are recommending "Fruit-a-tives". They realize now that these wonderful fruit juice tablets will positively cure all Stomach Troubles, Indigestion and Dyspepsia—and they are using "Fruit-a-tives" in their practice.

Few people realize the vital importance of keeping their blood pure. Impure blood is the chief cause of Stomach Trouble, because it is from the blood that the stomach obtains the fluid which digests food. When the blood is laden with impurities, the dissolving fluid (or Gastric Juice) will be impure. These impurities may come from a congested liver, from weak kidneys, from an inactive skin, or from all four. Naturally, the ordinary "digestive powders" and "pepsin tablets" will not cure the trouble, because they only help to dissolve the food—they do not go to the seat of the trouble. rear doors, of which there are three from the door to the street entrance were all unbolted. Mr. Traill thinks that the thief must have concealed himself in the store in the afternoon, for he locked up when he went to supper, and when left to get the papers at night several men were around the store so that the thief must have hidden there in the afternoon. He must also have been well acquainted with the store, for he took the keys of the gun and show cases from the nail on which they are usually hung, unlocked the cases, took what he wanted, and, after re-locking them, returned the keys to their place. Nightwatch Swanson on his rounds noticed the open door at the rear, and Mr. Traill, who had just retired, was notified, and when he came up, he found that the above articles were missing. Several clues have been obtained, but as yet no one has been caught.—Walkerton Telescope.

### CURED OF CONSTIPATION

Mr. Andrews praises Dr. Morse's Indian Root Pills.

Mr. George Andrews of Halifax, N.S., writes:

"For many years I have been troubled with chronic Constipation. This ailment never comes single-handed, and I have been a victim to the many illnesses that constipation brings in its train. Medicine after medicine I have taken in order to find relief, but one and all left me in the same hopeless condition. It seemed that nothing would expel from me the one ailment that caused so much trouble, yet at last I read about these Indian Root Pills.

That was indeed a lucky day for me, for I was so impressed with the statements made that I determined to give them a fair trial.

They have regulated my stomach and bowels. I am cured of constipation, and I claim they have no equal as a medicine."

For over half a century Dr. Morse's Indian Root Pills have been curing constipation and clogged, inactive kidneys, with all the ailments which result from them. They cleanse the whole system and purify the blood. Sold everywhere at 25c. a box.
