CHAPTER III. INTRODUCING HOLLINGSWORTH CHASE.

THE excitement attending the Skaggs-Wyckholme revelations had not yet spread to the grand duchy of Rapp-Thorberg, apparently lost as it was in the cluster of small units which went to make up a certain empire, one of the world powers.

The precise location of the grand duchy in the map of the world has little or nothing to do with this narrative. Indeed, were it not for the fact that the grand duke possessed a charming and most desirable daughter the Thorberg dynasty would not be mentioned at all.

Chase had been the representative of the American government at Thorberg for six months. The American flag floated above his doorway in the Friedrichstrasse, but in all his six months of occupation not ten Americans had crossed the threshold.

When I'm ordained," Chase was wont to remark to envious spendthrifts who couldn't understand his philosophy, "I'll have over a hundred thousand there, and if I live to be ninety just think what I'll have. Moreover, I may get married and have to maintain a poor wife with rich relatives, you know. You have to live up to your wife's relatives, if you don't do anything else."

Most cases of baldness are due solely to neglect. The hair often becomes dry and dandruff forms because the hair glands do not supply enough natural oil. Nothing overcomes this deficiency so effectively as that delicately perfumed, refreshing hair pomade, Bearine.

He was an orphan and bounden to no man. No one had the right to question his actions after his twenty-first anniversary. He went in for law at Yale and then practiced restlessly, vaguely, for two years in Baltimore under the patronage of his father's oldest friend, a lawyer of distinction.

Tiring of the law, books and reports in the old judge's office, he suddenly abandoned his calling and set forth to see the world. Almost before his friends knew that he had left he was heard of in Turkestan. In course of time he served as a war correspondent

THEY'RE POOR ADVERTISERS

Walkerton merchants are not good advertisers. It is fair to assume that merchants who do not advertise do not want people who read the paper to trade with them. Merchants who blow themselves for eighteen cents a week for advertising often wonder why they do not have to employ a policeman to keep the crowd away from the door, and the man who changes his advertisement every year stands around hollering that advertising don't pay.

FOR DYSPEPSIA

You Risk Nothing by Trying This Remedy

We want everyone troubled with indigestion and dyspepsia to come to our store and obtain a box of Rexall Dyspepsia Tablets. They contain Bismuth-Subnitrate and Pepsin prepared by a process which develops their greatest power to overcome digestive disturbance.

Rexall Dyspepsia Tablets are very pleasant to take. They soothe the irritable weak stomach, strengthen and invigorate the digestive organs, relieve nausea and indigestion, promote nutrition and bring about a feeling of comfort.

If you give Rexall Dyspepsia Tablets a reasonable trial, we will return your money if you are not satisfied with the result. Three sizes, 25 cents, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in Durham only at our store,—The Rexall Store, Robert Macfarlane.

My father—My daughter is too young to get married. She is only eighteen. Impecunious Lover—I know, sir, but I have waited patiently for years, and she doesn't seem to get any older.

After leaving college he, drifted pretty much over the world, taking pot luck with fortune and claspings the hand of circumstance. There had been hard times to travel as well as easy ones, but he never complained. He swung on through life with the heart of a soldier and the confidence of a pagan. He loathed business, and he abhorred trade.
