Bentnick Council.

Bentnick council met at Lamplash on Monday, May 23rd. Members all present. After the court had been duly constituted, the following appeals were acted upon: John Coutts, R.H. Ledingham, and Fred Monk assessment sustained. Wm. Sharp, reduced \$25. Adam Russ-worm, business assessment reduced \$400. A.S. Hunter, assessment placed at \$4500. John McGillivray, reduced \$100. Charles Emke, Wm. Der by and John Kelly, assessment sustained. After some names had been entered in the roll by the assessor by order of the court, and there being no further appeals to be heard, and after a general revision of the roll, the Court adjourned and council met for the general transaction of business.

Wilson—Noble.—That assessment roll as revised by court of revision be now accepted by council and adopted and assessor be paid his salary.—Carried.

To the reeve and council of the township of Bentnick, Gentlemen. I beg to report work done and money expended in Road Division No. 3: Henry Patterson, and others \$65.38; David Chittick, cutting brush on S.R. 15 Con 4, N.D.R.; \$2.70; Herb. Chittick, picking out stone on S.R. 15. Con 4, N.D.R.; 75;—Alex. Wilson Com'r, R.D. No. 3.

To the reeve and council of the township of Bentnick, Gentlemen, I beg leave to hand in my report as follows: Wm. Vessa, half cost of work on Garafraza Road, 59c.; A. Willison half cost of grading, \$7-87. Total \$8.37.—Geo. Noble

To the Bentnick council: Gentlemen.—Your committee met Monday, May 16th, re condition of gravel S. hill lots 44 and 45, Con. 2 N.D.R., we find it almost impossible to make very much improvement without a large expenditure on the hill, and to deviate would have to go two hundred rods, which would take about five acres. Mr. Hillis objects to the road crossing his land. Mr. John Hopkins is willing to allow the road to cross his land at \$35 per acre, and fencing, which at a reasonable rate for fencing would bring the land up to about \$75 per acre, with road to be built, and all other expenses.—Geo. A. Noble, Alex. Wilson, J. F. Dodsworth, Committee.

Grierson—Lunney.—That the report of committee on gravel S. hill be placed on file for further consideration and that each of the committee be paid \$2.—Carried.

To the council of Bentnick, Gentlemen We have to-day examined the road at Lot 30, Con. 8. We found that to take the water away from the culvert east along the road, it would require a drain 44 rods long, in some places it would be 8 feet deep, about 20 rods would require to be tiled, and if a 10-inch was used, it would cost over \$100 for tile alone, and those that live near there and know the ground, say that it is worth over \$200 to dig the ditch, so it would cost over \$300 for the job.

We also measured from the outlet of the lake and found it 44 rods to where the creek crosses the road with a fall of about 3 feet, one-half of the 44 rods pretty hard digging. We think the outlet could be lowered 2 feet for somewhere between \$50 or \$60.—S. Puth-erburgh, R. Grierson. 0

Lunney—Noble.—That the report of the committee appointed to find the best and cheapest way of draining water from road allowances on Con. 8 and 9 at Lots 30 and 31 be accepted, and each be paid \$2 for his services.—Carried.

Grierson—Lunney.—That J. Mc-Meeken be paid \$25 for clearing of right of way, and \$75 on Saugeen jam contract and cheque do issue.—Carried.

Lunney—Grierson.—That R. Hopkins be paid the sum of \$45, and Alex. Hopkins \$20, being rent for part of lots 59 and 60, Con. 2, W.G. R., and cheque do issue.—Carried

Wilson—Grierson.—That the account of Dr. Brown for medical attendance on small-pox cases in 1909 amounting to \$17 be paid.—Carried.

Wilson—Noble.—That the Muni-

Varney.

Mr. Everett Hoy from Niagara, arrived in Varney on May 23rd on the afternoon train and at once drove out to Mr. and Mrs. Thos. McAllister's and got Miss Earl, eldest daughter of Mr. and Mrs. Thos. McAllister. They then drove the same evening to Holstein where they were united in the holy bonds of wedlock, by Rev. Mr. Geo. A. King in the Methodist parsonage, after which they came to Varney where they spent the 24th among friends of the contracting parties and on the 25th they left for Niagara where they will take up their abode. We join with the community in wishing Mr. and Mrs. Hoy a long, happy and prosperous life together.

Winnie and Blanche Lauder spent the 24th in viewing the sports at Walkerton.

Mansfield and James Leeson spent Saturday and Sunday week before last visiting their grandmother in Mt. Forest.

Mr. A. Seim, A. McCabe and Rev. Mr. King drove down to Holstein on the 25th night to be present at the Library concert.

Our children on their way home from school on Tuesday the 17th found a little girl's hat between Varney and our place and as yet we have not got any owner although we left it at the Varney P. O. It was a very windy day and we suppose it has blown out of the buggy.

We extend our sympathy along with the people of this neighborhood to Mr. and Mrs. Dunn and family of Durham in this their sad hour of trial through being bereft of their only son. We would commend them to the One who alone can bind up broken hearts and heal wounded spirits.

A very painful accident befel our millman Norman Kerr while working with a lath saw, while he was not working as it should. He leaned over to see what was the matter, his hand coming in contact with the saw which completely severed his little finger and also cutting a terrible gash in the centre of his hand. He was taken at once over to Dr. Leeson's and Dr. Gun was sent for and the two dressed the wound. He has suffered a lot of pain since but at times of writing is somewhat relieved of pain, but will be a long time before he will be able to resume his work. We hope that he may have no set back and that in due time will be able to use his hand again. Much sympathy is felt for Norman as he has not been long in the business and is a fine young man.

We are sorry to say that Mrs. Wm. Long is not getting along as well as her friends had hoped for and she is somewhat down hearted. We sincerely hope that she may soon get along as well as she once thought she would.

A number of the men of our village spent the 20th, it being a holiday, planting trees along the street which improves the looks of the village immensely. Mr. A. Seim heretofore erected a fine flag pole and had the flag at half mast in honor of our late King and floating at full mast on the 24th. I tell you our town is booming these times.

Mr. Karstedt will preach in Varney church next Sunday. Rev. Mr. Carter being at Mt. Forest taking Rev. Mr. Irwin's work while he is at Conference.

Rev. Mr. King of Holstein, together with your humble cor. drove all over the Varney circuit with an object of raising a larger salary for ministerial support in the future and we met with wonderful success, almost doubling the previous amount. We would wish to extend thanks to those who contributed for their hearty way that they responded.

Mr. and Mrs. J. W. Blyth and Wil-bert attended the wedding reception of their niece and cousin Miss Pearl Burnett on Thursday night.

Mr. Thos. Grasy from the West, is visiting his sisters Mrs. T. Grasy, of Varney, Mrs. Aaron Vollett of Pop-lar Hill and Mrs. H. McDonald of our town. It is many a long year since Mr. Grasy left for the West and you can bet his sisters, particularly Mrs. Vollett who is so ill, were glad to see him.

Mr. and Mrs. Wm. Prew of your town visited friends on Sunday last and was at Sunday School. We were glad to have Mr. and Mrs. Prew with us as they were formerly members of our Sunday School.

Flesherton.

(This week's budget.)

After a long and trying illness, Mrs. Irwin Sr., widow of the late Mr. Chas. Irwin, passed peacefully away at the home of her son Samuel near the village on Thursday last. Mrs. Irwin was among the settlers who came here fifty years ago and but few remain of her early neighbors. She was an industrious woman a kind neighbor and good wife and mother. Her children will long remember her christian example among them. She was converted early in life in the old country and united with the Methodist church here in its early days, remained a faithful member. There was a large attendance at the funeral which took place to the public cemetery on Saturday. The service, which was held at the house, was conducted by Rev. Mr. Willwood, assisted by Rev. Mr. Milligan. The deceased, whose maiden name was Effie Hemphill, was born in the county Fermanagh, Ireland, in the year of the birth of our late beloved Queen Victoria and was therefore in her 91st year. In the year 1839 she was married to her late husband, also of Fermanagh with whom she came to Canada in 1860, reaching Bowmanville by boat after six weeks' ocean voyage. A few weeks later Mr. Irwin brought his family to Artemesia the journey from Collingwood being made on foot. Mr. Charles Irwin, of this place, the eldest of the children, and then thirteen years of age, remembers well the two days tramp. But their new home was safely reached and the courageous toil of the days that followed met with due reward. Mr. Irwin died nearly twenty years ago. The family consisted of three sons and five daughters one of whom Mrs. Robt Thompson, died in 1904. The surviving members are:—Chas. F. Fleshton; Mrs. Geo. Murphy, West. Front; Mrs. Neil McPuaill, Kenora; Mrs. John Chislett, Cuylog; Oliver, Elk Lake; Samuel, on the homestead and Mrs. Jacob Thompson, Fiesher-ton.

Deep and widespread sympathy is felt for the family of Mr. Wm Fisher and also his son in law Mr. Jas. P-d-lar, 4 h line, on account of sudden and very sad bereavement in their homes last week. At Mr. Fisher's scarlet fever developed in two of his children, a boy about 8 and a girl of 6 years of age, and after but three or four days the little girl, died very unexpectedly and was a great shock to her parents. The boy whose life appeared in great danger, is, we are pleased to learn, recovering. At Mr. Pedlar's the day following the former death, their eldest child, a boy nearly two years old died about an hour after taking some tablets left by the doctor for its mother who was ill. The little one unfortunately secured the tablets unknown to those in attendance. A physician was speedily summoned but was unable to save its life. The death in this case was also a terrible shock to the young parents who are grief-stricken at their loss. Both little ones were interred in Fiesher-ton cemetery.

At the Methodist church on Sunday evening the sermon was patriotic and fittingly commemorative of Empire Day. At the morning and evening service Mr. Pask, of London, England, who has been the guest of Mr. M. K. Richardson, presided at the organ and gave beautifully rendered voluntaries, which were much appreciated. Mr. Pask also gave a very interesting talk on mission work in London at the League meeting on Monday evening.

At the Presbyterian church Rev. Mr. Milligan's theme was the social istic movement and what the churches attitude to it should be. The discourse was based on Job 5:16 "So the poor hath hope."

Owing to a dissolution of partnership in the firm of Lloyd & Scully and the re-adjustment of their business the egg wagons here have been off the road for two weeks, but started out again on Monday. Mr. Scully was in town on Saturday and will continue the business here with the old staff.
