C. SMITH & SONS, DURHAM, ONT.

Edge Hill.

Miss Annie Collier is home from Toronto. Mr. and Mrs. Fred Staples spent Sunday with friends in Markdale. Mr. and Mrs. John Weir of Dromore, were guests at the home of Mr. D. Edge on Saturday.

Mr. Thos. Firth B. A. has gone to New Ontario, where he will spend the summer in geological work. The prayer meeting conducted by Dr. Farquharson in the Grange Hall, on Thursday evening was well attended.

Mr. Wm. Watt is at present employed with Mr. Arthur Greenwood. Councillor Firth is busy these days superintending work with the grader in his division.

Mr. Robt. Edge has been improving one his fields by putting in a tile drain.

We extend hearty congratulations to Miss Tena Firth and Mr. Thos. Moore who were married on Wednesday last at the manse by Dr. Farquharson. Miss Tena was one of our cleverest and most popular young ladies and best wishes of numerous friends go with her to her new home at McWilliams.

Priceville

As was seen in last week's papers, the death of Mr. John Nichol on the evening of the 28th of May 1910, after a painful struggle of some three weeks from the effects of amputation of his leg and appendicitis which was the cause of his death, although his case was a doubtful one at all events. Mr. Nichol was a resident of the Durham Road, one mile west of Priceville, for the last thirty-five years and previously was a resident of the township of Bentinck for about twenty years. In Mr. Nichol's death the community at large lost a valuable citizen, being a man who held several responsible offices during his life. He will be greatly missed in the Presbyterian church, of which he was an esteemed elder for many years and at our exhibitions where he always acted as judge on sheep and other classes of animals, but although in all these capacities he will be missed by the community and especially by his lonely widow, who has to spend the remainder of her life on the lonely path of sorrow as will be indicated by wearing the dark garment of mourning the rest of her life. Mr. Nichol was in his 77th year but looked as young as some ten years younger. The family comprised of a faithful father and mother, his wife, a widow, Thos., who is well known throughout the township of Glenelg, as being councillor for some years, John on a farm opposite nearby, and the Rev. Walter of St. Marys and David on the old homestead. The daughters are, Rebecca of Cincinnati, U. S., Mrs. Leggate (Mary), of Buffalo, Gretta, teacher of Durham, Mrs. Kennedy (Cassie), of Toronto, and Christina at home. Mr. Nichol was the last of the Nichol family. The funeral on Tuesday was a large one. The pall bearers were four sons of deceased and two nephews, Jas. Mather and M. Parks, David McNichol ex-M. P. P. a brother-in-law attended the funeral also three gentlemen from St. Marys, who were sent as delegates from deceased's son, Rev. Walter's congregation, which speaks highly of the respect in which he the Rev. gentleman held by his congregation. The Rev. Mr. Matheson officiated at the house and assisted by Rev. Dr. Farquharson at the grave. The remains were laid to rest in Durham cemetery. This ended the career of one who was well and favorably known throughout a large portion of the county of Grey.

A meeting is called for on Saturday evening next, to be held in union hall, Priceville, to consider the advisability of procuring a cemetery near by. The old graveyards which are in use for over 50 years are getting full and too small, as some of the old graves in some instances have had to be dug up for more burials.

The weather we hope will take a turn and that we will now have it warm instead of the cold dreary weather during the past week. Heavy frost on Friday night of last week nipped soft grain in some places. The late sown grain seems to be doing better than what was sown the first of April.

We hear two of our citizens are this week going to fulfill the command that it is not good for man to be alone. Particulars later on.

Mr. Alex McDonald of this town is suffering from stomach and liver trouble and his case considered serious. Dr. Hutton of Durham is in attendance.

John Livingston of Dakota, and his sister came to their father's Mr. Alex Livingston's on Saturday last. Also Mrs. Neil Beaton, (nee Mary McArthur) of the same place. Mrs. Beaton was born and raised on the Dur-

PURIFIED HIS BLOOD Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes: "For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this. At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy." Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box.

When it Comes to Pie, Madam, Words Fail Us

Even in the long ago when the preacher said "Dearly Beloved", even then did we tinkle our fancy with the greedy thought that he really meant—PIE. For pie, in each of its myriad varieties, is the grand wind-up to a joy spread, the last act of a play with a happy ending. Do you make good pie, Madam—pie that is pie? Do YOU?

Says the eminent editor of the New York Sun:

"The apex of a wedge of pie 'is the alluring overture to a crescendo of a delight which reaches its climax in the 'crust end', and as this 'crust becomes part of oneself 'one knows what pie is for.'"

"The 'crust end' is the final 'cause of pie itself, its raison d'être, the solution of the 'mysterious riddle, why is pie.'"

But the crust is made of flour, you know, and FIVE ROSES is a wonderful flour for pie crust, and puff paste, and such like.

Because, Mistress Housewife, FIVE ROSES makes your paste close grained, even of texture and eating qualities. With a delicate, indescribable flavor, sweet as a nut, tender and rich in color and appearance. If you should make such pies, the FIVE ROSES "crust end"—

Whether of apple, or lemon, or tartlike peach:

Whether of healthy custard, juicy pineapple, glorious mince or dear old pumpkin and squash, for all sappy with the rich red juice of the cherry—

Why, you get the flower of the pie family every time (no black sheep in that family), a truly succulent, tasty article.

With rich filling of your own composition, daintily baked in a crust that leaves no unpleasantness.

Never fear the dire vengeance of an offended stomach, or any calamity due to "inside information"—If you use FIVE ROSES, Madam. Then watch the hungry wedges disappear, showing fine appreciation of YOUR culinary skill.

To say nothing of the surreptitious pieces between meals, you know. And pie it is at its very best when wrapped up in a FIVE ROSES crust. So, Madam, use your own judgment.

LAKE OF THE WOODS MILLING CO., LTD., MONTREAL (P)

ENGLISH LIQUID PAINT

Said the House-owner:

"Give me ten gallons of 'English' Liquid White Paint.

"No, Sir! I won't take any other kind.

"Yes, that other paint may possibly be good paint, but if it is all right in every way, why don't the makers tell you, and tell me, frankly, what they are trying to sell us—namely, what is in the paint.

"I always use 'English' Liquid Paint because the guarantee formula is on the can telling me that it is made of 70% white lead, 30% zinc white, pure linseed oil, pure turpentine and dryer. I know this formula is the standard in paint making and I know that I am taking no chance when I use that kind of paint."

"English" Liquid Paint made by Brantford-Henderson Limited, is very economical to use. Come in for a color card.

FRANK LENAHAN & CO., Durham, Ont.

Corner Concerns.

We hear our cement sidewalk was set to Mr. Moore of Durham. Mr. Alex McMillan Sr. south line Artemesia, had the misfortune to get his shoulder dislocated lately. Dr. Hutton of Durham set the shoulder in place and we are pleased to hear that the aged gentleman is doing well now.
