Darkies' Corners.

We can notice a decided improvement in the growth of crops in this part since the advent of warm weather. Everything seems to be doing nicely.

Miss Sadie Whitmore spent a week ago Sunday at the home of Mr. and Mrs. James Hopkins.

Mr. Wm. Atkinson, who has had an attack of the measles recently, is again able to be around.

Mr. Fred. Ritchie, of Arthur, spent a week ago Sunday at the old home on Lambton Street.

Mr. John Vesic, who has been engaged on the erection of Mr. W. Andrews' cement dwelling, had the misfortune to fall from a scaffold on Thursday last, and have one of his legs broken; We hope to hear of his speedy recovery.

A battle royal took place at Edge Hill on Wednesday evening last, when the base ball teams representing Edge Hill and No. 9 entered the field, each with a determination to win the game. A large crowd was present to witness the match. Mr. Rolph, of the Standard Bank, kept the game well in hand, and gave good satisfaction as umpire. The return match will be played at Lower Ritchie's picnic at McGarr's grove, on June 30th

Notes on the game.—Looked as if the spectators were running too. The umpire could hardly count the runs. Start of game, 6.30 p.m., finish, 8.10 p.m. See the next game

To Mr. T.A. Allan. Dear Teacher and Friend,—Like as a plank of driftwood Tossed on the stormy main, Another plank encounters, Meets, touches, parts again, So tossed, and drifting over On life's unresting sea, We meet, and greet, then sever, But not eternally.

For us, the hour of parting is at hand. During the time you have been among us, your genial disposition, your ready wit, your love of truth and honor, your kindly sympathy have won you many friends; and now that you are about to enter on a new sphere of labor, and to gladden another bit of the world with your presence, we wish in some degree, to express our deep regret that we are called to break the silken cord of friendship which has bound during the past two years. CURED OF CONSTIPATION

Mr. Andrews praises Dr. Morse's Indian Root Pills.

Mr. George Andrews of Halifax, N. S., writes:

"For many years I have been troubled with chronic Constipation. This ailment never comes single-handed, and I have been a victim to the many ills that constipation brings in its train. Medicine after medicine I have taken in order to find relief, but one and all left me in the same hopeless condition. It seemed that nothing would expel from me the one ailment that caused so much trouble, yet at last I read about these Indian Root Pills.

That was indeed a lucky day for me, for I was so impressed with the statements made that I determined to give them a fair trial. They have regulated my stomach and bowels. I am cured of constipation, and I claim they have no equal as a medicine."

For over half a century Dr. Morse's Indian Root Pills have been curing constipation and clogged, inactive kidneys, with all the ailments which result from them. They cleanse the whole system and purify the blood. Sold everywhere at 25c. a box.

intercourse with you as pupils has been of the happiest nature, your kindly, yet firm, bearing has won our confidence and respect from the first, and we soon came to look upon you as a true friend, ready at all times to encourage and assist us, eager to surround us with influences which uplift and enable. We regret that circumstances compel you to leave our neighborhood. The active part you have taken in the prayer meetings and church work has not been without its moral influence upon the community. Your work among us has been unselfish and energetic in the interest of the Literary Society. You have been a leader among us, and we shall miss you, not only for your skill as a public speaker, and entertainer, but also for your social qualities and executive ability. Your place in the base ball team will be hard to fill. You have been zealous in the performance of all your duties, ardent in stimulating and sustaining the interest and enthusiasm, and untiring in your efforts to promote all its enterprises. You may rest assured that wherever you go, our good-will and prayers will follow you. May success attend your every effort, and God's approbation rest on your lightest act. May you go forth to your new work eager to labor, eager to be happy, if happiness be your portion, or if the day be marked with sorrow, strong to endure it. May your new friends be as firm and true as those you leave behind. As a memento of our Association here, we ask you to accept this suit case, these brushes, and this mirror, and if, in future days, they prove a reminder of former friends and old haunts, and cause you to travel back in thought, or better still, in person, to School Section No. 9, Glenelg, we shall indeed be grateful that a very little act of material kindness on our part has met with so rich a reward. With sorrowful reluctance, we bid you farewell, with the hope that we may meet again, and often. But if fate wills it otherwise,—

When the lessons of life are ended, and death says that school is dismissed, May we all meet again in heaven, and not one of our number be missed.

Some STRAY NOTES. Mr. and Mrs. Wm. Ritchie, sr., celebrated their 31st wedding day by being present.

If this were a society paper, we believe we could make two or three engagement announcements.

One hundred children in line for the candy treat was a sight to gladden anyone's eyes.

The tent did a roaring trade, everything being sold out early, and four freezers of ice cream were speedily supplied.

R. T. E. had very kindly thoughts towards the neighbors and outsiders, who helped so nobly to make it a big success.

You can't dodge them all. Mosquito bites, sunburn, bruises, skin injuries. Some of them will attack you this season sure. Have a tin of Davis' Menthol Salve on hand.

No Superstition. First Roommate (uneasily)—Say, do you believe in spirit noises? I declare there is a sound in this room like a watch.

His Comrade (sleepily)—That's nothing. It's probably only the bed ticking.—Baltimore American.

Traverston.

Best wishes to "Johnny Canuck" on his 43rd birthday.

T. Glencross disposed of over \$600 worth of stock last week, as follows: Cattle, \$300; a horse, \$200; and hogs, over \$100.

Zion Epworth League bought a thousand feet of A1 hemlock lumber from Mr. James Ross on Friday for garden party and Sunday school purposes.

Mrs. Boaks, of King township, is up on a visit to her daughter, Mrs. Arch. Beaton, of Glenelg Centre, and they made it a point to get over and meet old schoolmates at the picnic. She reports her father, Mr. John Fallais, as in fairly good health, and always eager for each issue of the Chronicle. He is well up in the eighties.

Mr. Richard Jack is in his eighty-fourth year, but considered it only boy's sport to walk out from Durham.

Mr. and Mrs. Leo Smith, and baby, of Hamilton, spent the week end at Reeve Hunt's.

Mr. Hunt attended the County Council meeting in Hanover last week, and is enthusiastic in his praises of the neatness and sobriety of the progressive town, and of the generous treatment they received from the popular Commons representative, Mr. H.H. Miller.

Zion's Sunday school picnic on Saturday was one of the best in its history. The day was a delightful one. About 300 happy souls were present, quite a number being out from town, and goodly representation from Edge Hill, Bunessan, Rocky Saugene and Townsend's Lake. The program was a most entertaining one and were well varied. The recitations were bright and songs lively, the music furnished by Messrs. George Ritchie, and J.L. McDonald, A.G. Blair, and Mrs. Will Jack, was wonderfully sweet, while Stewart McArthur, of Durham suburbs, is truly a musical prodigy. He was repeatedly encored. Mr. and Mrs. W.J. McFadden, of Egremont, gave a most pleasing duet, and a humorous dialogue by Messrs. T. Cook Stewart and Lorne McNally, and Miss B. Taylor, was a huge success. One of the most interesting incidents on the program was a presentation of a most complimentary address to Miss Taylor, accompanied by a beautiful gold locket and gold brooch, set with pearls. Miss Taylor was completely taken by surprise, but made a neat speech of thanks, and was given three rousing cheers and a tiger. 'Tis with sorrowing hearts that the section parts this week with their popular teacher, Mr. Allan Bell, of town, made the neatest, best applied picnic speech we have heard for many a long day. A splendid feast followed, and Messdames Cook and Hunt established their reputation as sugar-kettle team-makers. The liveliest interest was taken in the various races, which were keenly contested, and afforded lots of fun. Secretary W. L. Falkingham had a busy time, but made the winners all happy. A game of baseball wound up a happy day.
