Traverton

'Twas so hot last week that our
farmer fellows wouldn't do any-
thing but go to picnics and garden
parties. This week they've got to
work.

Miss B. Taylor left on Friday
last for her home near Colling-
wood. The last school day, she
presented each of her pupils with
a souvenir booklet containing her
photo, the name of all the pupils,
and the school Board, and verses
suitable for the occasion. Her last
official act was to hoist the school
flag to top-mast. Never has No. 5
had a more popular or clever
teacher.

From 4.45 a.m. to 9.00 p.m. are
Councillor McNally's working
hours this week. He is overseeing
road grading near Markdale.

Mr. Sam. Ellison, of Palmerston,
spent some hours recently with his
cousin Mrs. E. Edge.

Over a score from here attend-
ed the monster garden party held
at the home of Mr. S. Patherbough
on Thursday evening of last week,
and consider it one of the big e-
vents of the season. Most of
them acquitted themselves fairly
well on the program, but they did
extra well at the supper table. One
of the maidens is humming F. Ir-
win's songs yet.

Mr. Alex. Morton, of Aberdeen,
erected a neat implement house
for J. McKechnie, of the 11th con.
His sister, Miss May, visited among
her old pupils.

Miss May Robson, teacher, is
home for vacation. After the hol-
iday season, she will take charge
of the Varney school.

Rev. Mr. Piercey, of Thornbury,
conducted special services in the
Baptist church all last week. He
is an earnest, gifted speaker.

Miss McIlhorne, teacher in separ-
ate S.S. No. 5, during the past two
years, left for her home on Satur-
day. On Wednesday last, she held
a picnic for her pupils at Bell's
Lake. Pupils and parents took
advantage of the occasion to
present her with a beautiful gold
locket and chain, and an address
that was most complimentary.

A big crowd gathered at the
picnic in Mrs. John McArthur's
woods on the 10th con. on Wednes-
day afternoon of last week. 'Twas
a union of day school and Sunday
school forces, with Miss Spurrell in
command. The program was a
bright, varied one. Rev. Mr. Pier-
cey made a witty speech, and re-
cited a gem of poetry; Councillor
McNally sang; R.T.E. yarned; Mr.
McCung made a neat speech; the
duet of Mrs. W. Beaton and Miss
Sara Young was wondrous sweet;
the Rev. Mr. Start ably filled the
chair. The most interesting event
was a presentation to Miss B.
Spurrell, who is leaving the school,
of a warmly-worded address, and
gifts of a gold ring and gold
brooch, set with emeralds. Miss
Spurrell made a happily-worded
reply. She has been a most earn-
est, painstaking teacher, and her
going away is deeply regretted. A
fine list of sports closed a very
happy day.

Miss Clara Nelson is away visit-
ing friends in the city.

Mrs. Will Jack and her mother
spent the holiday with friends in
St. Thomas.

Mrs. J. J. Peart spent the week
end with her sister at Hanover.

The world's most successful
medicine for bowel complaints is
Chamberlain's Colic, Cholera, and
Diarrhoea Remedy. It has reliev-
ed more pain and suffering, and
saved more lives than any other
medicine in use. Invaluable for
children and adults. Sold by all
dealers.

Bunessan.

The dry, sultry weather of the
past three weeks has retarded the
growth of spring crops and grass
very much. A much needed rain
would be very acceptable at the
present time.

Major McGillivray, of London, is
at present visiting his many
friends in this vicinity. He
occupied the pulpit in the Bap-
tist church here on Sunday, and
preached a very able sermon.

Mr. Archie Duffield, of Guelph,
is visiting friends in this part at
present.

Mr. J. Edwards, and sister,
Miss Eva visited with relatives in
Owen Sound recently, Eva remain-
ing for a short time.

Mr. and Mrs. Dave Gibson, of
your town, Sundayed with the lat-
ter's parents, Mr. and Mrs. C.
McArthur.

We are sorry to report that Mr.
Thos. Gray is not keeping as well
as his many friends would like to
see him, but we hope that time
may bring a change for the bet-
ter soon.

Mr. Archie McArthur, (White Ar-

chi), of Toronto, spent Dominion Day at his old home in the Glen.

Miss Katie McFarlane is at pres-
ent staying with her grandparents
at Boothville.

Mr. Wm. Fallaise, who has been
sick for some weeks past, is on
the mend, we are pleased to say.

Miss Mary Binnie accompanied
her aunt, Mrs. John Snell, of Dur-
ham, to Sarnia last week, where
they intend to visit for a few
weeks.

Miss Annie McGillivray returned
to Toronto a couple of weeks ago
after a couple of months' stay in
this part.

Mr. and Mrs. A.B. McArthur visit-
ed with friends at Collingwood
last week.

Miss Belle Binnie returned home
from Guelph last week, after tak-
ing a course in Guelph College.

Mr. Stephen, of Walkerton, spent
Dominion Day at the McCormick
home.

Mr. and Mrs. Thos. McComb, of
Darkies Corners, called on old
neighbors in this burg one day
last week.

Quite a number from this part
attended Mr. John Black's barn
raising on Monday of last week.
Under the watchful eye of framer
John Maher, everything went to-
gether in good style. The Cap-
tains were Duncan Sinclair and
Thos. Nichol, the former winning
by a few rafters.

Miss Maggie McInnes spent the
holidays with her sister in Toron-
to.

Soreness of the muscles, whether
induced by violent exercise or in-
jury, is quickly relieved by the
free application of Chamberlain's
Liniment. This liniment is equal-
ly valuable for muscular rheuma-
tism, and always affords quick re-
lief. Sold by all dealers.

Dromore.

Mr. Geo. Bruce had the mis-
fortune to fall and break his
thigh bone.

Mr. and Miss Bradley, of Orch-
ard spent Sunday with Wilsons'.

Quite a number from here, in-
cluding Rev. G. Kendall, and the
football team, attended the gar-
den party at Swinton Park Mon-
day evening, the 20th ult. In a
game between the teams of Preece-
ville and Dromore, the latter beat
by one goal.

Mrs. J. Helypney spent a few
days lately in Toronto visiting her
cousin, Mr. Shewan, who is not
well.

Mr. Wells, of Galt, and Mrs.
Cushnie, of Mt. Forest, spent part
of last week at the home of Mr.-R.
Renwick, sr.

Mrs. Renton, and Ella, visited
friends at Egerton a week ago
Sunday.

Prof. Patterson, of the Western
University, London, preached in
Amos church on the 19th.

Last week over twenty Entrance
candidates wrestled in No. 13 with
papers set to try their young pow-
ers.

Misses A. Renwick and E. Ren-
ton attended the Women's Insti-
tute meeting in Owen Sound lately.

The Women's Missionary auxil-
iary met at the church Tuesday
evening, June 21st. Mrs. Kendall
addressed the meeting, after which
tea was served. A pleasant and
profitable time was spent.

Mrs. Wilson and Eliza, and Mrs.
R. Renwick, sr., joined Mrs. Wm.
Hunter, and Mrs. S. Patterson at
Preeceville, on the Western Home-
seekers' excursion on Tuesday, the
25th. They expect to be absent a-
bout six weeks.

ENGLISH LIQUID PAINT

Said the Painter—

"There is a great house paint. It is English Liquid Paint made by Brandram-Henderson Limited, the same firm that make Brandram's B. B. Genuine White Lead. I never saw a paint before that was so finely ground, that spreads so easily or covers so well. The shades are clean and clear and perfect, and the white—well, the white can't be beat.

"I know why this paint is so good. The white base is 70% pure white lead, and 30% pure zinc white with pure linseed oil, turpentine and dryer.

"The guarantee formula is on every can. That suits me. I want to know what is in the stuff I'm using on my jobs."

English Liquid Paint is most economical to use.
